WHEREAS, the educational facilities of Auburn School District No. 408, King and Pierce Counties, Washington (the "District"), including technology resources are in need of replacement, modernization and expansion to meet the current and future educational needs for its students; and

WHEREAS, the authorization for the collection of current technology levies expires in 2020;

WHEREAS, funds available to the District will not be sufficient to enable the District to implement such projects; and

WHEREAS, in order to support the cost of these projects as found necessary by the Board of Directors, it is deemed advisable that the District levy a tax upon all the taxable property within the District in excess of the annual tax the District is permitted by law to levy without a vote of the people, such levy to be made for six years commencing in 2020 for collection in the calendar years from 2021 through 2026, inclusive, as authorized by Article VII, Section 2 of the State Constitution and RCW 84.52.053; and

WHEREAS, the question of whether or not such excess tax may be levied must be submitted to the qualified electors of the District for their ratification or rejection; and

WHEREAS, the conditions here and above set forth require the holding of a special election in the District;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF AUBURN SCHOOL DISTRICT NO. 408, KING AND PIERCE COUNTIES, WASHINGTON as follows:

Section 1. Finding. It is hereby found and declared that the welfare of the students and other residents of the District requires the District to carry out the improvements hereinafter provided.

Section 2. Authorization of Improvements. The District shall maintain and modernize its educational facilities through the acquisition and installation of technology systems, including infrastructure, computers, security surveillance, other technology devices, and implementation support, and shall make other Capital Projects Fund expenditures as found necessary by the Board of Directors; provided that such funds may be used only to support the construction, modernization, replacement, and remodeling of school facilities or implementation of the District's technology resources plan.

If the District shall determine that it has become impracticable to accomplish any of such improvements or portions thereof by reason of changed conditions or needs, incompatible development, costs substantially in excess of those estimated, or acquisition by a superior governmental authority, the District shall not be required to accomplish such improvement and may apply levy proceeds as set forth in this section. If any or all of the improvements have been completed, or their completion duly provided for, or their completion found to be impractical,

the District may apply the levy proceeds or any portion thereof to other portions of the improvements or to other capital purposes of the District, as the District in its discretion shall determine. Notwithstanding any provision of this resolution to the contrary, levy proceeds may only be used to support the construction, modernization or remodeling of school facilities or implementation of the District's technology resources plan.

Section 3. Authorization of Levies. It is hereby found and declared that best interests of the District require the submission to the qualified electors of the District of the proposition whether the District shall make the Capital Projects Fund levies for their ratification or rejection at a special election to be held on February 11, 2020. For the purpose of providing funds necessary for the needs described in Section 2 above, King County elections, as *ex officio* supervisor of elections in King County, Washington, is hereby requested to call and conduct such special election to be held within the District in King and Pierce Counties on such day and to submit to the qualified electors of the District for their approval or rejection, a proposition providing for tax levies for the Capital Projects Fund for six years, commencing in 2020, producing dollar amounts at estimated tax rates per thousand dollars of assessed value to produce such amounts, in excess of the maximum amount tax levy permitted by law to be levied within the District without a vote of the electors, all as follows:

- A. \$5,833,000, said levy to be made in 2020 for collection in 2021;
- B. \$5,833,000, said levy to be made in 2021 for collection in 2022;
- C. \$5,833,000, said levy to be made in 2022 for collection in 2023;

- F. \$5,833,000, said levy to be made in 2025 for collection in 2026.

The estimated levy rate depends upon the final dollar amount of assessed value of the property within the District. At this time, based upon information provided by the King and Pierce County Assessor's office, the estimated levy rate for the 2020 levy is \$0.42 per thousand dollars of assessed valuation, the estimated levy rate for the 2021 levy is \$0.41 per thousand dollars of assessed valuation, the estimated levy rate for the 2022 levy is \$0.40 per thousand dollars of assessed valuation, the estimated levy rate for the 2023 levy is \$0.39 per thousand dollars of assessed valuation, the estimated levy rate for the 2024 levy is \$0.38 per thousand dollars of assessed valuation, and the estimated levy rate for the 2025 levy is \$0.36 per thousand dollars of assessed valuation. The exact levy rate shall be adjusted based upon the actual assessed value of the property within the District at the time of the levy.
