NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF RIVERVIEW SCHOOL DISTRICT NO. 407, KING COUNTY, WASHINGTON as follows:

Section 1. Finding. It is hereby found and declared that the welfare of the students and other residents of the District requires the District to carry out the improvements hereinafter provided.

Section 2. Authorization of Improvements. The District shall modernize its educational facilities through the acquisition and installation, implementation and management of computer technology and technology systems, facilities and projects, including but not limited to software licensing, student devices, classroom upgrades, enhancing school safety and network infrastructure, sustaining necessary technology staffing, and implementing online applications, subscriptions, including upgrades and incidental services, and training related to the installation of the foregoing as an integral part of the District's technology systems, facilities, or projects; and supporting ongoing maintenance and building improvements, and shall make other capital project expenditures as found necessary by the Board of Directors. In addition, the District shall make other necessary capital equipment purchases and facility improvements, including but not limited to additional portable classroom space and safety and security upgrades to modernize District facilities and safety systems.

The District may repay any obligations hereafter incurred for the foregoing purposes.

If available funds are sufficient, the District shall acquire, construct, equip and make other capital improvements to the facilities of the District, all as the Board of Directors finds necessary; provided that such funds may be used only to support the construction, modernization, replacement, and remodeling of school facilities or implementation of the District's technology facilities plan.

If the District shall determine that it has become impracticable to accomplish any of such improvements or portions thereof by reason of changed conditions or needs, incompatible development, costs substantially in excess of those estimated, or acquisition by a superior governmental authority, the District shall not be required to accomplish such improvement and may apply levy proceeds as set forth in this section. If any or all of the improvements have been completed, or their completion duly provided for, or their completion found to be impractical, the District may apply the levy proceeds or any portion thereof to other portions of the improvements or to other capital purposes of the District, as the District in its discretion shall determine. Notwithstanding any provision of this resolution to the contrary, levy proceeds may only be used to support the construction, modernization or remodeling of school facilities or implementation of the District's technology facilities plan.

Section 3. Authorization of Levies. It is hereby found and declared that best interests of the District require the submission to the qualified electors of the District of the proposition whether the District shall make the Capital Projects Fund levies for their ratification or rejection at a special election to be held on February 8, 2022. For the purpose of providing funds necessary for the needs described in Section 2 above, King County Elections, as *ex officio* supervisor of elections in King County, is hereby requested to call and conduct such special

election to be held within the District on such day and to submit to the qualified electors of the District for their approval or rejection, a proposition providing for tax levies for the Capital Projects Fund for four years, commencing in 2022, producing dollar amounts at estimated tax rates per thousand dollars of assessed value to produce such amounts, in excess of the maximum amount tax levy permitted by law to be levied within the District without a vote of the electors, all as follows:

- A. \$3,800,000, said levy to be made in 2022 for collection in 2023;
- B. \$3,800,000, said levy to be made in 2023 for collection in 2024;
- C. \$3,800,000, said levy to be made in 2024 for collection in 2025; and
- D. \$3,800,000, said levy to be made in 2025 for collection in 2026.

The estimated levy rate depends upon the final dollar amount of assessed value of the property within the District. At this time, based upon information provided by the County Assessor's office, the estimated levy rate for the 2022 levy is \$0.64 per thousand dollars of assessed valuation, the estimated levy rate for the 2023 levy is \$0.61 per thousand dollars of assessed valuation, the estimated levy rate for the 2024 levy is \$0.58 per thousand dollars of assessed valuation, and the estimated levy rate for the 2025 levy is \$0.55 per thousand dollars of assessed valuation. The exact levy rate shall be adjusted based upon the actual assessed value of the property within the District at the time of the levy.

Section 4. Voters' Pamphlet. Pursuant to authority granted by RCW 29A.32.220, the Board of Directors hereby confirms the District's participation in the local voters' pamphlet for the February 8, 2022 election, which shall be prepared and published by King County Elections, including, but not limited to, an explanatory statement reviewed and approved by the District's attorney, and, if available, a Statement For and a Statement Against.
