RESOLUTION NO. 2021/22-2

A RESOLUTION of the Board of Directors of Seattle School District No. 1, King County, Washington, providing for the submission to the qualified electors of the District at a special election to be held therein on February 8, 2022, of the proposition of whether excess taxes should be levied in the amount of \$205,900,000 in 2022 for collection in 2023, in the amount of \$215,900,000 in 2023 for collection in 2024, and in the amount of \$225,000,000 in 2024 for collection in 2025, said excess taxes to pay part of the cost of eligible activities in support of the District.

WHEREAS, Seattle School District No. 1, King County, Washington, (the "District"), for the past three years has had in effect an educational programs and operations levy in order to enable the District to pay for its educational programs and services, including teaching, school supplies, technology, salaries, buildings, and transportation; and

WHEREAS, the current educational programs and operations levies expire this year; and WHEREAS, the money in and to be paid into the General Fund of the District during the 2022-2023, 2023-2024, 2024-2025 and 2025-2026 school years will be insufficient to enable the District to pay for eligible activities for students attending District schools; and

WHEREAS, the existing authority for the imposition of local tax levies and use of local revenues (including the proceeds of tax levies) has been modified by Chapter 410, Laws of 2019 (66th Legislature, Regular Session) and may be modified in the future by the State Legislature; and

WHEREAS, in order to properly provide for such eligible expenditures from a local levy, the Board of Directors of the District deems it necessary to levy the following taxes upon all of the taxable property within the District in excess of the maximum annual tax levy permitted by law to be levied within the District without a vote of the electors:

- A. A tax of approximately \$0.74 per thousand dollars of assessed valuation to provide \$205,900,000, said levy to be made in 2022 for collection in 2023;
- B. A tax of approximately \$0.75 per thousand dollars of assessed valuation to provide \$215,900,000, said levy to be made in 2023 for collection in 2024; and
- C. A tax of approximately \$0.75 per thousand dollars of assessed valuation to provide \$225,000,000, said levy to be made in 2024 for collection in 2025; and

WHEREAS, the Constitution and laws of the State of Washington require that the question of whether or not such excess taxes may be levied must be submitted to the qualified electors of the District for their ratification or rejection; and

WHEREAS, the Board of Directors acknowledges the preparation and participation in the voters' pamphlet to inform and educate the voters regarding the proposition;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF SEATTLE SCHOOL DISTRICT NO. 1, KING COUNTY, WASHINGTON, as follows:

Section 1. The following taxes for the District's General Fund should be levied upon all of the taxable property within the District in excess of the maximum annual tax levy permitted by law to be levied within the District without a vote of the electors:

- A. A tax of approximately \$0.74 per thousand dollars of assessed valuation to provide \$205,900,000, said levy to be made in 2022 for collection in 2023;
- B. A tax of approximately \$0.75 per thousand dollars of assessed valuation to provide \$215,900,000, said levy to be made in 2023 for collection in 2024; and
- C. A tax of approximately \$0.75 per thousand dollars of assessed valuation to provide \$225,000,000, said levy to be made in 2024 for collection in 2025.

The estimated levy rate depends upon the final dollar amount of assessed value of the property within the District. At this time, based upon information provided by the County Assessor's office, the estimated levy rate for the 2022 levy is \$0.74 per thousand dollars of assessed valuation, the estimated levy rate for the 2023 levy is \$0.75 per thousand dollars of

assessed valuation, and the estimated levy rate for the 2024 levy is \$0.75 per thousand dollars of assessed valuation. The exact levy rate shall be adjusted based upon the actual assessed value of the property within the District and the legal limit of the levy amount at the time of the levy.

Upon approval by the voters of the proposition substantially in the form set forth below, the District may use the proceeds of said levies during the 2022-2023, 2023-2024, 2024-2025 and 2025-2026 school years to pay such part of the eligible activities of the District during such school years as may be authorized or allowed by law for the use of excess levy funds.

Section 2. It is hereby found and declared that the best interests of the District require submission to the qualified electors of the District of the proposition of whether or not the District shall levy such excess tax for their ratification or rejection at a special election to be held therein on February 8, 2022.
