

**MOUNTAIN VIEW FIRE AND RESCUE
RESOLUTION NO. 22-552
RESOLUTION PROVIDING FOR THE SUBMISSION OF LEVY**

ORIGINAL

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF MOUNTAIN VIEW FIRE AND RESCUE PROVIDING FOR THE SUBMISSION TO THE QUALIFIED ELECTORS OF THE DISTRICT AT AN ELECTION TO BE HELD WITHIN THE DISTRICT ON AUGUST 2, 2022, IN CONJUNCTION WITH THE STATE PRIMARY ELECTION TO BE HELD ON THE SAME DATE, OF A PROPOSITION RESTORING THE DISTRICT'S PROPERTY TAX LEVY RATE TO \$1.50 PER \$1,000.00 OF TRUE AND ASSESSED VALUATION AND ESTABLISHING A LIMIT FACTOR BASED ON THE CONSUMER PRICE INDEX SUBJECT TO OTHERWISE APPLICABLE STATUTORY LIMITATIONS FOR THE FOLLOWING FIVE YEARS.

Background: WHEREAS, it is the judgment of the Board of Commissioners that it is essential and necessary for the protection of the health and life of the residents of the District that the fire and emergency medical services be provided by the District.

WHEREAS, The Board of Commissioners has determined that the accelerated demands for, and increasing costs of, providing services will necessitate the expenditure of revenues for improved fire protection operations, replacing apparatus and equipment, providing staffing and maintaining emergency medical service levels in excess of those which can be provided by the District's regular tax revenue levied at the current rate of approximately \$ 1.31 per \$1,000.00 of assessed valuation of taxable property within the District as limited by the 101% limitation.

WHEREAS, The District experiences annual cost increases affecting its operations that reflect standard inflationary indices and that consistently exceed the statutory 101% limitation on tax levy increases.

WHEREAS, The District previously levied at the \$1.50 rate in 2021.

WHEREAS, The District believes that it is reasonable to adopt a growth factor for years 2-6 of the levy lid lift period designed to allow the District to keep pace with inflation and has identified the annual CPI-W for Seattle-Tacoma-Bellevue as reported in June as an appropriate measure of inflation in King County.

WHEREAS, the Board of Commissioners has determined that it is in the best interest of the District that the maximum allowable levy in the sixth year of the levy authorized by this Resolution serve as the levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

Resolution: NOW, THEREFORE BE IT RESOLVED by the Board of Commissioners of Mountain View Fire and Rescue, King County, Washington as follows:

Section 1. In order to maintain and increase the level of fire protection, prevention, emergency medical services and the protection of life and property in the District, it is necessary for the District to operate and maintain emergency fire and medical service vehicles, to acquire and improve station and other capital facilities and to retain properly trained personnel equipped with proper firefighting and emergency medical equipment.

Section 2. In order to provide the revenue adequate to pay the costs of providing adequate life protection services and facilities as described in Section 1 and to maintain reserve funds sufficient to assure the continuation of such services, the District shall, in accordance with RCW 84.55.050, remove the limitation on regular property taxes imposed by RCW 84.55.010 and levy beginning in 2022 and collect beginning in 2023, pursuant to RCW 52.16.130, RCW 52.16.140 and RCW 52.16.160, a general tax on taxable property within the District at a rate of \$1.50 per \$1,000.00 of assessed valuation subject to otherwise applicable statutory limits.

Section 3. In order to provide the revenue adequate to pay the costs of providing adequate life protection services and facilities as described in Section 1 and to maintain reserve funds sufficient to assure the continuation of such services beyond 2023, the District has determined that the limit factor for the five succeeding years shall be the

greater of the statutorily authorized one percent or the CPI-W for Seattle-Tacoma-Bellevue for the period of June to June as reported in the levy year. Such percentage shall be used to determine the actual levy rate, subject to the maximum statutory rate of \$1.50 per \$1,000.00 of assessed valuation, in 2023-2027 for collection in 2024-2028 . The funds raised under this levy shall not supplant existing funds used for the purposes described in Section 1.

Section 4. The amount levied in 2027 and collected in 2028 shall serve as the District’s tax levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

Section 5. There shall be submitted to the qualified electors of Mountain View Fire and Rescue for their ratification or rejection, at an election on August 2, 2022, the question of whether or not the regular property tax levy of the District should be restored to \$1.50 per \$1,000.00 of true and assessed valuation and be adjusted by the greater of the statutorily authorized one percent or the CPI-W for Seattle-Tacoma-Bellevue for the period of June to June as reported in the levy year for the following five years, subject to otherwise applicable statutory limitations.
