WHEREAS, the Redmond City Council has agreed to ask voters whether they are willing to reinvest in the firefighters and police personnel supported by a regular property tax levy lid lift approved by the voters in 2007; and

WHEREAS, the City Council has also agreed to ask the voters if they are willing to fund mobile health services and the addition of six personnel for behavioral health services and crisis response, currently known as THRIVE; and

WHEREAS, the City Council has agreed to ask the voters if they are willing to support new personnel to address service growth as well as police, technology and prosecutor personnel dedicated to the Body Worn and In-Car Camera Program; and

WHEREAS, the City Council has agreed to ask the voters if they are willing to support new fire personnel to expand engine companies within Redmond's fire service area.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF REDMOND, WASHINGTON, HEREBY RESOLVES AS FOLLOWS:

Section 1. Levy Lid Lift Election Called For. Pursuant to RCW 84.55.050, the Redmond City Council hereby calls for the submission of a proposition to the qualified electors of the City asking whether the City shall increase its regular property tax levy in excess of the limitation established in RCW 84.55.010. The Director of King County Elections, as *ex officio* supervisor of elections in King County, is hereby requested to call the election in the City of Redmond on November 8, 2022. The proposition submitted to the qualified voters of the City for their approval or rejection would authorize (1) increasing the City's regular property tax levy by \$0.366 per \$1,000 of assessed valuation, to a total maximum levy rate of \$1.36 per \$1,000 of assessed valuation for collection in 2023, and (2) for the five calendar years following 2023 (2024-2028), increasing the City's total regular

property levy amount by a limit factor of 100% plus an annual increase of five percent (5%) approved by the City Council. The proposition would also approve the use of the dollar amount of the 2028 levy as the basis for computing the maximum levy amount that may be imposed in years following 2028.

Section 2. Purpose of Levy. The purpose of the proposed levy lid lift is to support public safety needs through the addition of full-time equivalent public safety personnel as well as personnel associated with the City's behavioral health and crisis response, currently known as THRIVE and body worn and in-car camera programs. The revenues received from the property tax increases authorized by the proposition would be used to fund these limited purposes and other costs associated with operating, maintaining, and equipping the City's comprehensive public safety system. The City Council shall determine the public safety programs to be funded as well as the timing, order and manner of funding these programs and services.

Section 3. Ballot Proposition. The City Clerk is hereby authorized and directed, not later than August 2, 2022, to certify a proposition to King County Elections, as ex-officio supervisor of elections in King County, Washington, in substantially the following form:
