King County
Official Local Voters’ Pamphlet

Your ballot will arrive by October 18

206-296-VOTE (8683) | kingcounty.gov/elections
Dear Friends,

Democracy is not a spectator sport. It takes all of us on the field to build the community, region, and country we want to live in. It takes each of us using the tools that we have available to make a difference. Voting is just one tool we can use to influence the future of our community, and it’s an important one.

While voting is not a cure-all to every challenge we face, it does have a profound impact on the decisions that get made in local government - every single day. Decisions about our schools and parks, roads and transit, libraries and childcare. Decisions about how our tax dollars are spent and prioritized. These local elections have an incredible impact on our day-to-day lives.

We are not all always going to agree on everything. That’s okay. What matters is that we speak up and turn out. What matters is that you take a few minutes to fill out your ballot, sign it, and return it by mail or by drop box – no stamp needed.

Make your selections. Make yourself heard. Make a difference.

Happy voting,

Julie Wise

Voting tips

Fill out your ballot
You can use any color of pen to complete your ballot. You do not have to vote in every race to have your votes counted. Make selections in the contests you’d like and you can skip those that you’re unsure about.

Sign your envelope
Don’t forget to sign the back of your return envelope so your ballot can be counted!

Return your ballot early
Whether returning your ballot by mail or by drop box, don’t wait until Election Day! Get your ballot back early.

If returning by drop box, there are more than 70 locations available across the county. You’ll find the full list on pages 8-9 of this pamphlet. Drop boxes close promptly at 8 p.m. on Election Day, November 2.

If returning by mail, your ballot must be postmarked by Election Day, November 2. No stamp is needed.

### Public Health Notice

As part of the continued effort to stop the spread of CoVID-19 in our community, King County Elections recommends registering to vote, updating your registration, and accessing your ballot online whenever needed.

### Did you know that you can access your ballot online?

Lost and damaged ballots happen. There’s an easy way to access and print your ballot right from home!

Visit kingcounty.gov/elections/obmp and enter the required information to access your ballot.

1. Make your selections on the computer or print out a blank ballot and fill it in by hand. If you choose to make your selections online, please double check those selections before and after printing your ballot.
2. When printing, make sure to select the ‘fit to page’ option to ensure the entire length of the ballot prints.
3. Return via mail or secure drop box, just like you normally would. No postage is required if using the included envelope cover sheet.

Any registered voter can use the online ballot marking program to access and print their ballot.

Voters with disabilities can mark their choices on the ballot online. The online ballot marking program has been designed specifically to enable voters who are blind or have low vision to cast a private ballot.

### Other voting options

If one of the above options doesn’t work for you, please contact our office for further assistance.

### Student Engagement Hubs

Never miss an election just because you’re away from home! All public universities in Washington now offer student engagement hubs.

For more detailed information on location and hours, please visit kingcounty.gov/elections.

**University of Washington Bothell Campus**

Any student registered to vote can use the online ballot marking program to access and print their ballot. Students can also drop their ballot off during hours of operation.

**University of Washington Seattle Campus**

Located in the Husky Union Building (HUB), the UW Seattle Student Engagement Hub will provide students an opportunity to get registered for the first time, update their registration, receive a replacement ballot, or use an assistive device. Elections staff will be on hand to answer questions and assist students as needed.
Who can register
To register to vote in Washington, you must be:
• A citizen of the United States;
• A legal resident of Washington State;
• At least 18 years old by Election Day;
• Not disqualified from voting due to a court order; and
• Not under Department of Corrections supervision for a Washington State felony conviction.

How to register to vote
Online
You can register to vote online at VoteWA.gov – all you need is two minutes and a Washington State Driver’s License or ID. You can register online by October 25 for the General election.

By mail
Download and print a registration form from kingcounty.gov/elections and mail it to our office (address on page 4). It must be received by October 25 for the General election.

In person
You can register in person through November 2, Election Day, at one of our Vote Centers. More information about Vote Center hours and locations can be found on page 4 and on our website at kingcounty.gov/elections.

Pre-register to vote
16- and 17-year-olds can pre-register to vote!
16- and 17-year-olds can pre-register to vote online or by mail at any time. Their registration will be assigned a ‘pending’ status until they turn 18. If the registrant turns 18 before the next scheduled Election Day, they will automatically be mailed a ballot at their registered address.

Keep your voter registration current
Update your registration if you have moved or changed your name. Simply update your information online at VoteWA.gov or submit a new paper registration form by October 25 for the General election or visit us in person at one of our Vote Centers. If your signature has changed, please submit a new paper registration by October 25 or come see us in person – updates to signatures may not be done online.
Return your ballot by mail.

No Stamp Needed!

We recommend dropping your ballot in the mail by the Friday before Election Day to make sure it gets postmarked in time to be counted. Mailed ballots must be postmarked by November 2.

The drop box at Kentridge High School has moved!

To ensure 24-hour access, this drop box has permanently moved to Kent Panther Lake Library located at 20500 108th Ave SE, Kent, WA 98031.

Return your ballot at a drop box. Over 70 locations!

Ballot drop boxes are open until 8 p.m. sharp on November 2.

List of drop box locations on next page
Ballot drop boxes are open 24 hours a day beginning October 14 and close at 8 p.m. sharp on Election Day, November 2.

**Close at 8 p.m. sharp on Election Day, November 2.**
At King County Elections, our top priority is ensuring that our elections are secure, accessible, and accurate. We know that secure elections are essential to maintain public trust, protect our democracy, and enable our voters to cast a private, confidential choice with their vote.

Physical Security
The King County Elections Headquarters was designed and renovated specifically for processing vote-by-mail ballots and keeping those ballots secure. Director Julie Wise was the first election administrator in the country to request an audit of physical security by the Department of Homeland Security in 2017.

What we're doing:
• Our facility is monitored by over 50 security cameras
• Six live webcams through which the public can watch us at work during the ballot processing period
• Staff and observers must badge into and out of the ballot processing area
• Ballot storage and tabulation areas require both a badge and biometric access

Cybersecurity
In our rapidly changing world, cybersecurity is paramount to protecting our elections. Previous years have seen attempts to tamper with election systems across the country. None of these attempts have been successful here in King County and every day, our team works to make the walls higher and barriers stronger for those looking to influence our elections.

Following the 2016 election, Director Julie Wise requested a review of the department’s cybersecurity from the Washington State Auditor’s Cybersecurity Team to identify and implement practices and procedures to bolster security of our systems and electronic access points.

What we’re doing:
• Employ cybersecurity staff based in Elections and at King County
• All staff receive annual cybersecurity training
• Voter registration and tabulation systems are kept separate for maximum security
• Tabulation system is on an entirely closed network, not connected to the internet
• Correspondence and attachments are monitored and scanned 24/7/365 for threats and attempts to breach our systems
How does my ballot get processed?

Envelopes are scanned, pictures of the signature captured, and marked as ‘received.’

Signatures are checked against voter registration records by trained specialists. If the signature is missing or doesn’t match, voters are mailed a letter to fix the issue. This form must be returned with a matching signature for the ballot to move forward in the process.

If the signature matches, envelopes are opened and security sleeves are removed.

Staff remove ballot from security sleeve and reviewed for potential scanning issues.

Ballots are scanned, prepared for tabulation and securely stored for the retention period.

Ballots continue to be processed and tabulated, and signature issues continue to be corrected, until certification.
Your signature matters.

Each election, about 1% of ballots are returned either without a signature or with a signature that doesn’t quite match. Don’t let that be you.

Here are a few tips to help make sure your signature passes the check and your ballot gets counted:

• If you register online, we pull your signature from the Dept. of Licensing, so check the signature on your driver's license or state ID and try to match that as closely as you can.
• Your signature does not need to be written in cursive or nicely or even legibly, it just needs to match the one that we already have on file. If you have a chicken scratch signature, that's okay! Just make sure you scratch it out the same way each time you vote.
• If you have no idea what signature you might have used or it’s been a while and your signature has changed, you can always update your signature simply by returning a paper voter registration form. You can download a paper registration form at bit.ly/WAVoteRF. Returning a paper registration form will add your updated signature to your file.
• Track your ballot to ensure that it gets counted. If there's an issue with your signature, you'll see it there on the online ballot tracker. You’ll find the ballot tracker on our My Voter Information tool at kingcounty.gov/elections.

If there is an issue with your signature not matching or if you just plain forgot to sign, we will send you a letter and, if we have it, we’ll reach out by email and phone as well. To make sure your ballot is counted, you’ll need to fill out and return a simple form before 4:30 p.m. on November 22.

If you have questions about signature challenges or how to fix yours, please call us at 206-205-5686.

Education: University of Washington: BA, MA Urban Planning, Law; West Seattle High School

Occupation: King County Executive; former Councilmember, Senator, Representative; Attorney; Planner

Statement: When COVID-19 arrived here, I took decisive action and led with science, saving thousands of lives. The New York Times reported that had America followed our lead “the nation could have avoided more than 300,000 coronavirus deaths.” Today, King County has the highest vaccination rate among large counties nationwide. As we continue battling this stubborn pandemic, I’m bringing that same clarity and resolve to the toughest challenges—homelessness, public safety, climate action, and unifying our region for an economic recovery where everyone can thrive.

We are taking bold action on homelessness, purchasing hundreds of hotel rooms and moving hundreds of chronically homeless people off the streets this year, with the services to restore lives. Through Best Starts for Kids, we’ve kept 10,000 children and families safely housed. This crisis, worsened by the pandemic, requires proven ability to drive actual change.

We’re improving public safety—and public trust: Gun violence prevention, aid to victims of domestic violence, and community collaboration improving safety and appointing a new sheriff. We’re helping kids stay in school, graduate, and avoid the criminal legal system—driving down youth detention nearly 10-fold.

Urgent action on climate—I’ve led regional light rail expansion, made Metro the Best Large Transit Agency in North America (2018), and launched conversion to all-electric buses. We’ve protected miles of forests, farmlands, and shorelines; and planted over one million trees.

Progressive, visionary leadership—that’s why I’m endorsed by Governors Inslee, Gregoire, and Locke; 40 Democratic legislators; Planned Parenthood; Washington Conservation Voters; Alliance for Gun Responsibility; MLK Labor; SEIU; UFCW; Nurses, Firefighters, and Building Trades unions; the Seattle Times; and diverse community leadership. My parents—retired public school teachers—taught me values of service and community. Shirley and I are raising our daughter in the same West Seattle neighborhood where I grew up.

Education: Bachelor’s in Finance/Humanities, Seattle University; Kennedy High School in Burien

Occupation: State Senator, 34th Legislative District & Senior Program Manager, Microsoft

Statement: After 12 years of current leadership failing to solve our biggest problems like homelessness, it’s time for change. As we recover from this pandemic, we need an Executive who understands how hard working families in King County have struggled to make ends meet—even before this crisis. I’m the son of refugees from White Center, and worked as a janitor at my own high school. Despite great adversity, I built a successful career in the private sector and now I represent my community in the State Senate.

We can build a brighter future for every family in King County. We can build a community where everyone has a safe place to call home, every senior can age in place with dignity, and every parent can provide for their kids. We can achieve all of this, if we have an Executive who will act with the urgency needed to actually solve problems.

For years, the communities I grew up in haven’t gotten the same investments to support working people that made my success possible. As a result, residents of South King County got sick and died from COVID-19 at twice the rate of those in other parts of the county. Those deaths were preventable, if County leadership had prioritized every community’s safety.

The pandemic wasn’t the first crisis where our current leadership neglected working families who have been pushed out of their neighborhoods. The status quo has given us 12 years of unaffordable housing, longer commutes, inaction on climate change, and worsening gun violence in our communities. We need bold solutions implemented with transparency and accountability, and I have the private and public sector experience to get things done.

Education: WWU BA in Psychology, Jesuit college preparatory, parochial elementary, Masters coursework in Social Work  
Occupation: Mother, LTC Social Worker, Behavioral Health Intake, USPS, Rideshare, Hypnotherapist  
Statement: I was born into the silent sheltered shame of domestic violence. My lived-experience as both the survivor and aftermath of multisystemic failures to protect the vulnerable is a testimony on behalf of silent victims. My Life Purpose is to hold space for those who lack power or voice. We must remove the money from the power if we desire candidates whose waves will lift all boats, not just stakeholders.

I support term limits and salary caps relative to area median incomes to keep our leaders' accountable/relatable. I envision institutional reformation with participatory budgeting. We cannot marginalize the role the system has played in our generational traumas. We must aim towards reparative models with respect and humility. The violent crime cannot be cured with human sweeps or pepperspray. We must treat the root cause: our mental health and addiction crisis. We warrant a new approach; candidates with different competencies. I will push to expand the RADAR program and to create a King County Regional Treatment Facility so that drug-fueled crimes can have treatment-focused sentences. We need transitional, supportive and permanent affordable housing; reintegration instead of revolving doors.

I Believe that any person willing to contribute to the Public Good should not struggle to keep their lights on or pay rent. We need to grow our King County Conservation Corps towards more opportunity for sustainability, to rid our public streets, greenbelts and waterways of garbage, to weed-out invasives, plant native trees, protect pollinators, and to drastically expand local plastic recycling. In the face of a fragile global supply chain, we must invest in green industries like rain barrels to empower food sovereignty. We necessitate a county-wide tree ordinance.

We must let the sun set on the cycles of abuse and wanton refuse. The fate of tomorrow rests in the interventions of today.

Education: Renton Schools; Georgetown University, Business Management & Government, cum laude (1994); UW Law School (2001).  
Occupation: County Councilmember; Previous: Attorney in private practice; Financial Analyst  
Statement: Rod Dembowski is a hands-on, results-driven councilmember, who has never missed a vote. When the pandemic hit, Rod went to work, securing quarantine sites, delivering food and masks to senior centers, bringing vaccination sites to North King County, and helping workers and businesses recover.

An advocate for seniors. Rod secured millions of dollars to support the Northshore, Shoreline and Lake City Senior Centers. He helped hundreds of seniors with property tax relief.

An environmental champion. Rod passed the strongest local climate action plan in the country. Rod has proposed a climate bond to equitably accelerate the county’s response to climate change. He wrote the law to electrify the Metro Transit fleet. He’s protected farmland and open space, helped save the Wayne Golf Course, acquired waterfront land in Lake Forest Park, expanded Big Finn Hill Park, funded the Green Loop Trail, and cleaned up Thornton Creek.

A leader on behavioral health. Rod led efforts to fund the new Behavioral Health Institute at Harborview. In partnership with local police departments, Rod secured funding to expand the RADAR/Navigator program, pairing mental health professionals with police officers to help people in crisis. Rod worked to reform our homelessness response. He helped establish the new Regional Homelessness Authority, bringing cities and providers countywide together to fix a broken system and get our unsheltered neighbors housed and healthy.

Kathy@kathylambert.com
kathylambert.com

Education: University of Washington, BA Business Education; Teacher Certification; College of Marin, AA; Public Policy Certification

Occupation: King County Councilmember, former State Representative, former elementary school teacher

Statement: Kathy has a proven record of serving the people and businesses of District 3, our county’s largest district. She has the experience needed to continue providing these important local and regional services.

She is dedicated to both law enforcement and improving community relationships. This is vital as our Sheriff’s office transitions to an appointed position. Our police officers must have the resources and training they need to serve and protect our communities.

To help with COVID recovery, Kathy supported the distribution of $1.1 billion in federal grants to our small businesses and communities, as well as providing our neighbors with supplies to help fight the pandemic.

Kathy sponsored and helped establish the Department of Local Services, providing unincorporated areas of our district with similar resources as those living in cities. Her experience with law and justice issues has guided Kathy in developing programs that reduce recidivism and help people get their lives back on track. She has established multiple programs to help youth in crisis, such as FIRS, TRACE, and Safe Place. Her leadership with the Community Court Program began as a pilot in our district and its success has led to adoption throughout the county.

Her financial expertise helps our county maintain its AAA credit rating, saving taxpayer money. Kathy serves on the Flood Control District that develops plans and builds projects to reduce flooding and deliver habitat restoration. She has also led the update of King County’s emergency preparedness plans. Kathy has the experience and dedication we need representing all of us on the King County Council. Please vote for Kathy Lambert! Endorsed: The Seattle Times, Puget Sound Police Managers Association, Amalgamated Transit Union Local 587, Affordable Housing Council, Eastside Business Alliance, State Representative JT Wilcox, Former Attorney General Rob McKenna, Former Councilmember Larry Gossett, and many more.

sarah@electsarahperry.org
electsarahperry.org

Education: Attended Seattle University, Ohio State studied transformational leadership, political science

Occupation: Small business owner, nonprofit executive, consultant; Not a career politician.

Statement: After 20 years of the same representation, it’s time for new leadership. Sarah Perry is the regional leader we need to address our toughest challenges with urgency, transparency, and accountability. She will collaborate for meaningful progress on homelessness, transit and the environment, will remove barriers for recovering small businesses, and help displaced workers in a changing economy.

Sarah brings a demonstrated record of effective, hands-on local leadership building transitional housing to serve Eastside families, investing in community nonprofits that improve and enrich our lives, and advocating for survivors of domestic violence. She will be a strong voice for safe communities through investments in mental health services, gun violence prevention, and reforms at the Sheriff’s Office that protect the safety of every neighbor.

Endorsed by leading environmental organizations, including Sierra Club and Washington Conservation Voters, Sarah will protect open spaces, forests, rivers and watersheds, and safeguard our rural communities and local farms.

With our communities on the front lines of the worst fire season in the climate crisis, Sarah will demand action to protect our health and future. That’s why she’s endorsed by our Eastside & Redmond Firefighters.

A transit champion, Sarah will expand transit alternatives and connections, including shuttles to Redmond’s new Light Rail and Metro bus service on the I-90 corridor. She will also address urgent upgrade and maintenance needs of our rural roads and bridges - a leadership failure endangering our safety. Earned Endorsements: Congresswomen Kim Schrier & Suzan DelBene; Governor Jay Inslee; Attorney General Bob Ferguson; Lands Commissioner Hilary Franz; County Executive Dow Constantine; County Councilmember Claudia Balducci; State Senators Dinginga & Kuderer; State Representatives Goodman, Thai & Callan; Joe Cohen; Nurses (SEIU 1199NW), Home Care Workers (SEIU 775); MLK Labor; Emily’s List; Planned Parenthood; Alliance for Gun Responsibility; 5th, 41st & 45th District Democrats; & more!

Statement: Our diverse South King County communities deserve authentic representation on King County Council. As an immigrant, former refugee, and product of Kent public housing, I am of this community. I have lived the challenges that so many members of our community face, and felt the beauty of this community that supported me when I needed it most. For 14 years, I have served the same community that supported me - connecting families to life changing resources like public housing, affordable childcare, education, and healthcare.

Our neighbors have spoken. It's time for new leadership with lived experience.

Our mission is beyond politics. Together, we will create an environment where every corner of our district can thrive. Our community-created priorities reflect this:*Building affordable housing as a human right, and increasing tenant protections to prevent housing instability and displacement that disproportionately burdens households of color and low-income families; *Bending the legal system toward justice by investing in alternatives to incarceration through a public health response to social safety; *Investing in public health and human services to provide mental health and trauma-informed care to our communities reeling from the COVID-19 crisis; *Supporting small businesses overlooked by federal and local pandemic assistance to fully recover from the economic downturn.

If elected, it will not just be my voice on the King County Council. It will be yours. It will be the voices of all residents looking to be heard and valued by our democracy.

Occupation: Current King County Councilmember, former 33rd District State Representative
Statement: Endorsed by more than 100 leaders from communities of color in South King County, I work hard as your King County Councilmember to treat everyone in our community with respect.

The first COVID death in the nation was in King County, and our county public health department was the front line of defense. I am proud that by following the science and supporting our public health professionals, we have the lowest COVID rate of any major urban county in the continental United States.

As we emerge from this pandemic, our region faces serious challenges. We need to get homeless individuals off the street and into housing with services. We need to prioritize public safety and our first responders while improving accountability, transparency, and justice for all. We all deserve to feel safe in our community. We need to support local small businesses to help boost our economy and create jobs and economic opportunity for all.

The solutions to homelessness, public safety and our economy aren't going to come from Seattle. They will come from those of us here in South King County working together to solve problems. These are serious times, and I will use my experience and proven leadership to fight for our community and deliver results. Nobody will work harder for South King County. I would be honored to earn your vote.

**Education:** University of Washington School of Law, Order of Barristers; Arizona State University, Magna Cum Laude

**Occupation:** County Councilmember; Former Federal Prosecutor; National Coordinator, Project Safe Neighborhoods

**Statement:** I am troubled by the dramatic increase in crime and homelessness in King County, and I believe we can do better. I am one of the few voices fighting to give law enforcement the tools they need to do their jobs, pushing to fund the criminal justice system and keep it accountable, and working with communities to remove dangerous homeless encampments while connecting those who live in them with holistic services.

I am also the only member of the County Council with real crime fighting experience, having spent years working for the Department of Justice. I was appointed by a U.S. President and served as a Federal Prosecutor with Top Secret clearance. I also worked in the Terrorism and Violent Crime Unit of the U.S. Attorney's office, and led the Justice Department's national initiative to fight gun violence. This background is important as the County Council now has oversight of the Sheriff's Office. King County needs a Councilmember who understands how to keep our neighborhoods safe.

I am honored that *The Seattle Times*, all eight mayors in our district, and our police and firefighters have endorsed me, because they know this experience is needed. "Dunn's independence, effectiveness and experience will be even more valuable as the county redoubles its efforts to fight homelessness, and increase transparency and eliminate inequities in law enforcement and criminal justice...Dunn continues to be the best choice" (*Seattle Times, July 16, 2021*).

I promise to continue to work in a bipartisan manner to fight crime, reduce homelessness, protect the environment, recover from the pandemic, keep your taxes low, and continue to help those who suffer from drug and alcohol addiction.

I am honored to be your advocate on the King County Council, I work for you, and I appreciate your vote.

**Occupation:** Renton City Councilmember, Small Business Owner, and Attorney

**Statement:** As a refugee from Vietnam, my family came here seeking a better future. Working multiple jobs, and the first in my family to graduate college, I value hard work, the importance of opportunity, and strength of community.

Our district deserves leadership committed to these same principles, a County Councilmember who addresses unique challenges facing our suburban, unincorporated, and rural communities. Unfortunately, after 16 years of the same, our district is missing representation in touch with local priorities and willing to embrace opportunities for regional progress.

I'm the only candidate for this position with a proven track record as an elected official and small business owner. I've expanded access to apprenticeships and career pathways on the Renton Technical College Foundation Board; advocated for seniors and Veterans through Sound Cities Senior, Aging and Disability Council. I volunteer as a military JAG and support Veterans through the VFW and Wounded Warrior Project. I've worked towards an inclusive region for all on the King County Coalition Against Hate and Bias. I'm also a mom and PTA President.

With your vote, I'll build on my record of leadership on the Renton City Council to coordinate regional action on homelessness and affordable housing, make overdue transit and transportation improvements, ensure fiscal responsibility, stand up for struggling local businesses, and step up safeguards protecting our climate and quality of life. As we rebuild trust in our Sheriff's Office, I will demand needed public safety improvements, support for victims, and hire officers who reflect our communities, as I have in Renton. Together, we can recover, grow, and move our region forward.

Occupation: Executive Recruiter, CLEAR-Consulting.Biz; Former Alaska Airlines Manager of Finance

Statement: King County residents founded the Port of Seattle in 1911 and it is still supported by your taxes today. I plan to lead with bold actions and big ideas like designating a portion of Port profits to eliminating Port-related pollution while mitigating environmental injustices in the Port's neighboring communities. This ensures that the Port adds to the health and quality of life in our region.

CLEAR-Consulting.Biz, my executive search firm, helps Puget Sound social profits diversify their leadership teams and as a Port Commissioner, I'll use my career skills to bring leaders together from neighboring counties and state levels to create more Green projects, invest in infrastructure that connects our regions, and do more business with diverse, environmentally friendly companies. I bring experience managing maintenance contracts for engine repairs, planning new routes, controlling costs, and building airline partnerships at Alaska Airlines, Northwest Airlines, and Continental Airlines. My past work as a healthcare strategy consultant for Blue Cross/Blue Shield and as an environmental scientist assessing commercial properties for environmental hazards means I would be the only Port Commissioner to bring institutional knowledge on day one from aviation, healthcare, and the environmental sectors.

SeaTac International Airport represents 70%-80% of all Port of Seattle operations and is its greatest asset. Removing pollution from the supply chain of air travel is imperative if we want to continue to enjoy convenient international and domestic air service. We must also provide good union living wage jobs for our workers in the airport, fishing, and shipping industries.

I am proudly endorsed by the 34th Legislative District Democrats (Burien, Vashon Island, West Seattle, White Center).

Education: M.A. International Relations, Yale University; B.A., Willamette University

Occupation: Small business consultant; Nonprofit professional supporting women and minority-owned businesses

Statement: As your Port Commissioner, it's my honor to create living wage careers, support workers and small businesses, and advance the Port's actions to defeat climate change. I'm running for re-election to continue these efforts to build a Port aligned with our communities' forward-thinking priorities and values.

Recovering from COVID, the Port must serve as an engine for job creation. That's why I've fought to keep projects on schedule despite the pandemic, driving job growth and improving infrastructure that supports local businesses. Leveraging relationships with state and federal partners, I'm pushing for critical new projects, so our airport and seaport remain world class, competitive with the rest of the nation – and the world.

Drawing on my experience as a small business owner, we're strengthening and creating new career and entrepreneurial pathways. Apprenticeships, workforce training, Maritime High School, and business development are cornerstones for continued growth. Coupled with equity-driven programs for underrepresented communities, we're ensuring everyone has the opportunity to thrive and prosper.

I first ran for this office to accelerate our actions to address climate change. I'm proud to have led efforts to make our Port the nation's most environmentally sustainable. We'll continue our truly innovative approach in sustainable aviation fuels and complete decarbonization of the Seattle central waterfront, while driving more bold action to meet the scale of the climate crisis. The Port can serve as a global hub of the green economy, creating new industries and employment.

My endorsements show my proven commitment to working with others to achieve results. Education: Masters of Business Administration, Seattle University; Bachelor of Science, University of Idaho

Occupation: Executive Director, Washington ABC, a non-profit economic empowerment agency

Statement: Voters have a clear choice this election about our Port and region’s future.

The Port is critical to our economy. Thousands of middle-class jobs and small businesses depend on the essential services provided by our international airport and seaport. We need experienced, collaborative Commissioners focused on keeping the Port efficient, competitive and accountable.

I’ve dedicated my service on the Commission to ensuring our public port creates and supports quality jobs countywide, while mitigating its impacts on disproportionately affected communities and the environment.

My work has resulted in: keeping cargo and jobs in our region by creating a historic partnership with the Port of Tacoma; new opportunities for small, locally-owned and diverse businesses to operate at Sea-Tac; expanding apprenticeships and workforce training in Port-related industries, and unprecedented investments to reduce harmful impacts on our air, water and quality of life by cleaning up stormwater, port trucks and electrifying port operations.

Some seek the Port Commission as a platform for political activism. By contrast, I have a track record of turning King County’s values into actions: making the Port a national leader in addressing climate impacts affecting us all, focusing on carbon reduction, sequestration and energy efficiency; creating green jobs of the future by supporting innovative local businesses, and using the Port’s resources to lift up communities and residents throughout King County. Let’s keep the Port working for all of us. Commissioners should represent all residents, not a specific interest group or a political agenda. I’m proud to have the support of local leaders who understand the Port’s essential role: Governors Chris Gregoire and Gary Locke; the Maritime Unions and King County Building Trades; Seattle Firefighters, airport workers, environmental leaders, and elected officials state and countywide. I’d be honored to continue bringing my values, knowledge, and experience to work on your behalf.

Statement: As we recover from COVID-19, we must rethink our Port’s policies and promote transparency, accountability, and public participation. My father was a trucker and my mother was a Sea-Tac airport worker, and I know firsthand how important it is that working families are protected. At the King County Executive Office, I advise on the County’s $12 billion budget and manage initiatives that invest millions in small businesses, community organizations, and COVID-19 response. I have served on multiple nonprofit boards and as a regional Organizing Director for President Biden’s campaign. I have the skills, relationships, and expertise in economic development to achieve real results for communities in and around the Port.

Economic Recovery: I will work to establish re-entry programs for COVID-19-impacted workers, and establish the first Small Business Recovery Taskforce. I will focus on making the Port more competitive by streamlining our operations at our waterfront, improving freight mobility, and investing in high-speed rail, creating 24,000 jobs.

Environmental Action: I will prioritize habitat restoration, the reduction of toxic pollution, and will work to expand the Port’s role in fighting our climate crisis. I am also committed to Port electrification and a just transition.

Airport Communities: The Port of Seattle’s largest revenue stream is Sea-Tac Airport, yet none of the five Port Commissioners live in South King County. As a SeaTac resident, I am prepared to be a strong voice for cleaner aviation fuels, stronger sound insulation programs, and tackling ultrafine particle pollution with local leaders.

I am the only candidate endorsed by all nineteen King County Democratic Party organizations. Sole endorsements: Congresswoman Jayapal, Congressman Smith, King County Executive Constantine, Attorney General Ferguson, Commissioner of Public Lands Franz, Aerospace Machinists, UFCW, all SEIU locals, Teamsters Joint Council 28, Washington Conservation Voters, 50 Democratic legislators, and 300+ organizations and business leaders.

Occupation: Seattle Port Commissioner; Architect; Sustainability Strategist; Former Seattle City Councilmember
Statement: I learned early in life indelible civic leadership lessons and community values at the side of my father, Victor Steinbrueck, in his battle to save Pike Place Market. Through my years of public service, I've continued our family legacy, and as Port Commissioner I've worked hard to move our Port and the region forward with steady leadership and unswerving commitment to human values and transparency.

As Port Commissioner, I've worked to create: thousands of family-wage construction and dock jobs; critical oversight of billions in public works projects; a $10 million South King County Community Impact Fund; a comprehensive carbon reduction plan for Sea-Tac Airport; a carbon-less and fully electrified Seaport by 2030; an extensive assessment of Port policing practices and policing reforms with a passion for civil rights and social justice; and accountable, open, and transparent government.

I've worked hard to improve environmental conditions at Sea-Tac Airport—reducing noise, improving air quality, increasing access for people with disabilities, raising flight kitchen workers’ pay, and supporting taxicab drivers.

We Can Build The Port Of The Future Together: to be the region's driver for equitable middle-income wage jobs, the environmental leader among ports globally and ending systemic racism, all while demonstrating sound financial management, greater taxpayer accountability, transparency, and open government.

Education: Seattle University - Masters & Bachelors Degrees; Garfield High School
Occupation: Executive Director, Washington State Commission on Asian Pacific American Affairs
Statement: As a lifelong resident of the Beacon Hill neighborhood, I've seen our Port's impact on communities. Leading a state agency, I witnessed how once again, when crises struck, working families were hit hardest. Disparities have deepened and our Port is one of the top polluters of carbon emissions in the state. It's fallen short of answering the challenges of our time. As a mom, I worry for the future.

Our Port is a connector - the gateway to the world and economic heartbeat of our region. It's uniquely positioned to be a model in bringing together stakeholders in industry, business, labor and community to build our economy back better while effectively reducing pollution. Growing our economy and advancing our environmental goals go hand-in-hand, but we need new leadership to get it done.

As Commissioner, I’ll prioritize sustainably growing our maritime and aviation economies by transitioning off fossil fuels and promoting projects like electric terminals, off-shore wind, and solar panels to modernize our Port. Investing in infrastructure like high speed rail and better roads will promote international trade and improve the flow of goods and passengers throughout the region. These projects create family-wage jobs for workers and opportunities for small businesses. We can improve the quality of life for residents and ensure our Port operates in a safe, efficient manner without long, exhausting wait lines.

Meeting the needs of this moment requires new leadership with a bold vision, plan to act, and unwavering commitment to our goals. I'm running to ensure the rising tide of recovery lifts all ships.

Statement: Bellevue is reaching an inflection point requiring a new generation of imaginative and creative leaders on our City Council.

I envision a Bellevue that is safe and vibrant to live and work in. My priorities start with addressing the shortage of affordable and family-friendly housing. We have seniors being priced out of their homes and young people who can't stay where they grew up. I'll demand transportation and transit investment, so our economy can continue to grow, and people can go where they need. I will improve human services so all Bellevue residents can live full and healthy lives.

As a neighborhood advocate and father, I want to maintain our excellent schools, improve public safety, and invest in our parks. As a business leader, I want city resources to achieve their best public use. I value Bellevue's diverse multicultural community and harmony with nature. I seek a brighter future for all families in Bellevue.

I humbly ask for your vote and the opportunity to serve. Endorsed: the Seattle Times, King County Democrats, Senator Patty Kuderer, Representative Vandana Slatter, County Councilmember and Former Bellevue Mayor Claudia Balducci, Bellevue Councilpersons Barksdale, Stokes, and Zahn, and the Sierra Club.

**Occupation:** Retired, former Software Design Engineer at Microsoft  
**Statement:** I see a very different Bellevue from when I started at Microsoft in the 1980's, but one that still holds the promise of the things that my family wanted decades ago. To continue Bellevue’s success and opportunity, we need to rise to the challenges that our growing population and growing economy are creating.  
This starts with our police, including prioritizing violent crime, bringing in mental health professionals when needed, and setting new accountability standards. We can't rely on the status quo and wait for problems to arise before we act.  
City Hall has procrastinated on homelessness; we need urgency to move the homeless indoors. We must increase housing affordability for residents at every stage of life. Too many seniors feel stuck because they can't downsize and remain in the neighborhoods they call home. We need leadership, purpose, and action to avoid the problems of surrounding cities. We must not be timid. Bellevue, more than any city, has the deep expertise in innovation to lead our region.  
Endorsed: King County Councilmember Claudia Balducci, Bellevue City Councilmembers Jeremy Barksdale, John Stokes, Janice Zahn, State Senators Lisa Wellman, Manka Dhingra, Patty Kuderer, State Representatives Tana Senn, Vandana Slatter, My-Linh Thai, and many more...

**Statement:** Four years ago, you elected me to cultivate “the Bellevue Way” – prioritizing transparency, compassion, and inclusivity for all – as we create consensus on decisions that protect our quality of life and reflect the values of our residents.  
As Deputy Mayor, I'm proud of how the City Council responded to the challenges of COVID-19 while preserving our expanding influence as a hub for business and innovation, all while making equity a cornerstone of every decision we make.  
I've rejected the extreme calls to defund our local police. Instead, I've increased public safety funding and training to ensure that police and firefighters are highly trained and resourced to keep all members of our community safe.  
Among my highest priorities are to increase the supply of affordable housing in Bellevue and to build on the important work we started with Bellevue’s Environmental Stewardship Plan...the most progressive environmental policy in City history. Bellevue is thriving. I humbly ask for your vote to continue my work keeping Bellevue among the safest, most inclusive, and most livable cities in America. I would be proud to be your voice on the Bellevue City Council to preserve our world-class “city in a park” as the best place to live, raise families, work, and play.  

*My priorities for a strong Bellevue* include funding police, fire, and mental health services to improve emergency response, traffic congestion relief with mobility options, infrastructure investment aligned with growth, lower taxes and fees to boost economic development for jobs and business start-ups, affordable housing through streamlined permitting and tax incentives, expanded green spaces to promote a healthy environment, and responsible spending to protect city finances. With new state laws impacting policing and shelters, we need accountable and transparent leadership.

Statement: Raising our family Bothell gave me years of experience and insight about thoughtful growth for everyone living here. It has out-paced infrastructure. Our wonderful parks are poised to offer more for all ages and interests. Our trees and salmon need to be part of the conversation. Main Street needs that small town feel now more than ever.

We need regional mental and addiction therapies that are too big to fix alone. I will not reduce public safety funding, especially the 2018 community approved police and fire levy.

As your councilmember, it has been an honor to advocate for you. We saved Yakima Fruit Market, became more mindful of accessible growth and increased financial stability. I have strived for varied and affordable housing for all, safer streets to live and travel on, more city transparency, and stronger neighborhoods. Statement: Workforce Housing and Living Wage Jobs. The people who work here can't live here, and the people who live here can't work here. This drives massive rush hour traffic, 6000 cars per hour on I-90, and more pollution as private vehicles represent the largest contribution to carbon emissions.

I have made workforce housing the centerpiece of my campaigns and my elected efforts since first being elected in 2009. In those years I have welcomed and seen built substantial workforce housing, some of it subsidized, in the valley floor and in our urban villages without displacing existing families.

Adding living wage jobs has been a more challenging task, but I have supported efforts to simplify development code in business districts and provide State, Federal, and local funds to help businesses survive the COVID pandemic. Vote for me again and help me continue to fight for workforce housing and living wage jobs!

Statement: It’s clear Kenmore citizens want a transparent city council who responds to their needs and to be proactive not reactive. Government that prioritizes spending, lives within its means while providing safe infrastructures reduces traffic congestion and makes Kenmore a safe walk-able drivable city. Kenmore needs leadership that uses the resources they have wisely and puts a halt to new and increased fees and taxes. The council needs to develop a viable vision for the future to make Kenmore more than a congested bus stop between cities without destroying businesses and Nature. The top priority is to make Kenmore a livable vibrant Safe community, to make the city council more transparent and fiscally responsible. I will work to make city government more transparent and fiscally responsible. I want to make our city the best it can be. Its time for change I ask for your vote to make this happen.

Education: B.S. in Computer Science, Certificate of Municipal Leadership
Occupation: Kirkland Deputy Mayor, freelance web developer and IT consultant
Statement: I am passionate about a sustainable, vibrant, diverse, Kirkland where all belong. To realize that vision, I'm committed to housing affordability, equity, and racial justice. Kirkland's award-winning “missing middle” housing provides many opportunities, but we need more for our workforce and seniors. We have work ahead analyzing city policies and decision-making, emphasizing de-escalation for people in crisis, and adding mental health and social worker co-responders.

Everything we do needs to happen in a sustainable way. I championed Kirkland's Sustainability Master Plan, our blueprint for clean energy, electric vehicles, and green buildings. What we build, where we build, and how we build matters.

We're creating exciting opportunities to live, eat, shop, and play. We need to connect these places with investments in transit, neighborhood greenways, and the Cross Kirkland Corridor. I've listened, brought people together, and found creative solutions. I would be honored to have your vote to continue this work.

Education: Roosevelt High School, Shoreline Community College, Antioch University Leadership Program, Leadership Eastside
Occupation: Retired Healthcare Administrator, owner of The Grape Choice in Kirkland
Statement: I have served 12 years on the Kirkland City Council, 4 as Mayor and 40 years as a resident and business owner. I chair Celebrate Kirkland! 4th of July and organized Kirkland's 2005 Centennial Celebration. I am the incoming chair of Hopelink Board of Directors.

With my leadership Kirkland created the Cross Kirkland Corridor, redeveloped Totem Lake Mall and Parkplace, built two fire stations, the Kirkland Justice Center, rebuilt Juanita Beach, created Edith Moulton and Totem Lake Parks.

Service to my community comes naturally. I want Kirkland to be a place where our children will raise their children. That requires bold leaders committed to environmental sustainability, economic prosperity and safe neighborhoods. Decisions made in the next 4 years regarding housing, homelessness, transportation, and growth will define Kirkland's future requiring seasoned leadership. Your vote is a precious right. I hope you will lend yours to me. Thank You. Penny

My job involves listening to all stakeholders and creating workable solutions. My family includes Eagles, Cougars, Ravens, Kangs and Huskies, immigrants, people with disabilities, and those requiring Kirkland's Section 8 housing. My family is privileged to reside in this diverse, welcoming community.

Kirkland is poised for an amazing future. With smart, planned growth, we can create a sustainable path forward that respects our history and maintains our uniqueness. Displacement, housing inflation, and stresses on City services are acute issues that must be prioritized. Homelessness, socioeconomic and racial injustice are systemic problems that require decisive action. I am committed to working with you on these core issues.

Your voice deserves to be heard. You deserve to be part of shaping the future. With your vote, I commit to listening to and amplifying your voice.

**City of Medina**

**Council Position No. 1**

**Jessica L. Rossman**

JLRossman@outlook.com

**Education:** J.D., Stanford Law School; B.A. (Biology & Society), Cornell University

**Occupation:** Mayor (2020-21), Deputy Mayor (2018-19), Medina City Council; Attorney; Parent

**Statement:** Medina is an amazing community, a special small town at the edges of bigger cities. I came to Medina’s Council in 2018 as a lawyer, parent of two young boys, Planning Commission member, and former Medina Days co-chair. With those experiences, and now deeper knowledge from a first term on Council, I am running to continue serving this community as we strive to stay unique and family-friendly amidst the pressures of regional growth.

As a council member and the current Mayor, I’ve pushed for priorities that benefit residents, including: increased traffic safety efforts; responsible and clear budgeting (now the city provides a detailed “Budget in Brief” memo); and community forums. I will continue to work for transparency, accountability, community-building, respectful well-organized meetings, proactive management and pragmatic problem-solving.

I enjoy discussing city issues, and I’m always open to hearing different residents’ perspectives and concerns. I would very much appreciate your support.

**Education:** Hofstra University

**Occupation:** Privacy and Information Governance

**Statement:** A businesswoman and Mom who raised my family in Medina, I am seeking re-election to the Medina City Council.

The Council has accomplished a lot over the prior 4 years, and I’m proud of what we’ve done together with the City staff. We are on the road to financial stability, improved the playground, sought to mitigate the bike & traffic challenges and navigated Covid-19.

My hope is that we can encourage more citizens to be involved. A big priority is public safety – that’s a must. Another is maintaining the unique character of the community. It’s why so many of us chose Medina. I’ll continue focusing on fiscal restraint while maintaining a high level of services to residents. The 520 expansion joint noise issue remains a high priority. I am proud of this City and am looking forward to continuing to serve my City in this volunteer position.

Education: B.A., Communications and Business Administration, University of San Diego, M.B.A., City University of Seattle

Occupation: Program Manager Lead, Microsoft

Statement: I am a product of Three Points, Medina, Chinook, and BHS. I've seen Medina change and grow over the years. I remember the creaky floorboards of the Green Store, jumping off the rocks at Medina Beach, and swimming along the docks where the Gates' house now stands. Medina has changed from the quaint neighborhood to a more developed community. Whether it is the noisy gas leaf blowers or speeding bicyclists, some change is good while some may not be.

I want to get back to a sense of community, like being able to politely disagree with each other or picking up garbage we see. Medina is special and we should all come together as a community to keep it that way.

Medina has been my home from as long as I can remember. I hope I can count on your vote for City Council of this amazing city.

Council Position No. 7

Education: BS in Construction Management

Occupation: Capital Projects Construction Project Manager

Statement: My wife and I have lived and raised our family in Medina for over 35 years and enjoy the unique character of our city. I want to promote this quality for future generations; for that reason, I am asking for your support and vote.

Working with public agencies in the region for over 30 years and over 11 years of service to Medina, I will bring a balanced approach as we develop priorities working through responsible budgets, update our Comprehensive Plan and more. When I left the Council in 2003, Medina had a healthy fiscal reserve even after eliminating utility taxes. We are now paying utility taxes and levy to balance our budget.

As I have in the past, I look forward to input from citizens, the Council, and city staff as we work collaboratively to set the future direction of Medina as I advocate for responsive and responsible government.

Education: Bachelor of Arts, English Literature, University of Washington

Occupation: Real estate since 1984, Medina Planning Commission since 2013

Statement: Along with my wife, two kids, and dogs, I appreciate everything that makes our city special, including our St. Thomas School community. Regional change will demand hard work to maintain Medina's character, livability and beauty.

I strongly support our police and first responders. Funding for public safety and essential services must be maintained through fiscal prudence and discipline. We can achieve real progress to make Medina an even better place for generations to come. As a Planning Commissioner (two terms as Chairperson) I have a reputation for thoughtful, transparent, and collaborative solutions. Updating our Comprehensive Plan is just the beginning. Let's make smart investments in shared priorities. Create incentives for green building practices. Underground utilities. Mitigate noise. Strengthen Emergency Preparedness. Protect and enhance our parks and historical buildings.

Endorsed by all current Planning Commissioners and City Council members including our Mayor and Deputy Mayor. I respectfully ask for your vote.

As my HOA's President, I have worked hard to keep our neighborhood safe, beautiful, and friendly. We've added 36 security lights, 5 trees, and 2 benches without raising anyone's dues.

I will work every day to make you proud to live in Newcastle. I will strengthen our regional partnerships and respect what you care about: fiscal responsibility, transparency, sustainability, balanced budgets, critical infrastructure, and public safety. Our council has not lobbied the legislature for its share of state funds. I'll fight for us to get every dollar we can to relieve the financial burden on our residents. I'll look past local polarization; working with our school districts and supporting public safety. I've already started building strong relationships that will move our city forward.

Occupation: Plant Electrical Engineer, former maintenance and production supervisor, Nucor Steel
Statement: I am a veteran and proud 15-year Newcastle resident. Last year, I helped lead the fight against new utility taxes. With your help, we decisively repealed them! I'm running because Newcastle needs a fiscally responsible council majority for long-term sustainability. I'll focus on prioritizing spending for public safety and maintenance of critical infrastructure. Over three decades of leadership, engineering and project experience gives me the skills to do the job for you.

Newcastle must balance the budget. City expenditures must be less than revenue. I'll require the city manager to present a balanced budget without new taxes. The tax and spend council majority increases our taxes to pay for unfunded capital projects and for consultant recommendations they ignore.

I'll value your money and treat you with respect. I humbly ask for your vote. Endorsements: Present and past councilmembers Dave Mitchell, Tom Griffin, Tamra Kammin, Bill Erxleben, Gordon Bisset, John Drescher.

Elections are secure and accurate

Tabulation equipment is certified by the Washington Secretary of State and the federal Election Assistance Commission. The system is never connected to the internet.

Logic & Accuracy

- Conducted two weeks before each election, a public Logic & Accuracy test is conducted to ensure that voting equipment is ready for use and reading votes accurately.
- The Logic & Accuracy test is verified by independent observers and the Office of the Secretary of State.
- Political parties, candidates, and the media are all invited to attend the Logic & Accuracy test.
- Random Batch Audit
- On the Thursday after Election Day, randomly selected batches are hand counted to ensure, once again, that the tabulation equipment is reading and counting votes accurately.
- Hand count totals are compared with the vote totals from the tabulation equipment to ensure a match.

Statement: As a construction engineer and social entrepreneur, I help build sustainable communities around the world. I bring integrity, an open mind, and practical experience to the Council. I care about smart growth, environmental protection, community health, and good governance. Last term, I helped bring clean energy to city operations. I worked collaboratively to ensure effective stewardship of tax dollars. At all levels of government, I served as your champion for access to reliable transportation, broadband, and clean water.
As we restore the economy, I will advocate for housing equity, small businesses, living wages, and innovative technology. I will promote programs that provide connection, healing, and happiness. Together, we will enhance public safety, create job opportunities, and develop a thriving city! Thank you for your vote!
Sole Endorsements: Redmond Firefighters, Washington Conservation Voters, Washington Housing Alliance, Affordable Housing Council, Senator Patty Kuderer, King County and Young Democrats, LD48 Democrats, and more

City of Renton Council Position No. 1

James Alberson
(425) 260-5801
info@jamesalberson.com
www.jamesalberson.com

Education: BS in Computer Technology - Purdue University; MBA with Marketing Concentration - Purdue University
Occupation: Current Renton Planning Commissioner; Business Owner and President, Sandler Training
Statement: More than ever, we need leaders with a common-sense approach, strong resolve, and an innate sense of fairness, honesty, and responsibility. As a Renton Planning Commissioner and small business owner, my experience will help me address our community’s biggest challenges and deliver results. My priorities are to keep Renton as a prosperous city, a community of opportunity, a safe place to live, and a strong regional player.
We must ensure that Renton’s growth positively impacts each individual and family. Coming out of the pandemic, it’s paramount that we make common-sense decisions to ensure a strong economic recovery, bring in more strong businesses and high-quality jobs, reduce crime and homelessness, increase affordability, and ensure inclusion and opportunities for all Renton residents.
Endorsements: Mayor Armondo Pavone, Fmr. Mayor Denis Law, Renton Councilmembers Randy Corman, Ruth Perez, and Valerie O’Halloran; Fmr. Councilmembers Don Persson and Marcie Palmer; SEIU 775, and many more.

Joe Todd

hello@votejoetodd.com
www.votejoetodd.com

Education: Double Major Business and Computer Information Science; Troy University, 1996 – 2000
Occupation: Deputy Chief Technology Officer King, County, WA
Statement: As we recover from the pandemic, we need leaders who will ensure Renton comes back stronger than we were before. An active volunteer in our community, I also bring 20 years of experience as an innovator and business leader with a background in aerospace, software development, and local government.
I will prioritize policies that support our local economy, keep housing affordable and maintain our community, celebrate our beauty and diversity, and maintain safety for all -- especially seniors and other vulnerable populations.
When my wife and I moved here over 20 years ago, we specifically chose Renton because of all the opportunities this city represented to us. I still believe in the opportunity that Renton represents, and with your support, I will work every day to ensure the people of our city have the ability to thrive. Endorsed by Councilmember Ed Prince and many other local leaders and organizations.

**Education:** Master's, University of Liverpool, UK; Bachelor's, Seattle University; Lindbergh High School, Nelsen Middle School
**Occupation:** Educator at Seattle University, Former Caseworker for King County
**Statement:** I am running for City Council because we need decisive leadership to ensure Renton is a place where everyone has an opportunity to thrive.

As someone who was born and raised in Renton, and experienced our region's growth and change, I know we need to be proactive in responding to our community's needs. We must address the housing crisis and infrastructure concerns, support our small businesses, and work to ensure everyone feels safe. I will listen to what our community wants, and actively seek input from those I hope to serve.

My partner and I hope to raise a family here. We see so much opportunity, and I want to continue to give back to the city that raised me. With your vote, we can work together to make sure Renton remains a place where everyone has the opportunity to achieve their dreams. Sole endorsement by the King County Democrats.

**Education:** Master's degree (MFA), Yale University; Bachelor's degree, Brandeis University  
**Occupation:** Creative Director, MOHAI (Seattle's Museum of History & Industry); Educator  
**Statement:** A proud Democrat, I am a first generation Asian-American born and raised in Michigan. For 9 years I was a stay-at-home mom before returning to the corporate world. As a single parent, I balanced my career with caring for young children and tending to aging parents. I have lived in Sammamish for 26 years. Balancing growth while protecting the natural environment remains a serious challenge. I advocate for sustainable development using data, new technologies, and support from industry experts. We must protect our environment through strict enforcement of tree canopy codes and fight climate change by creating a Climate Action plan. To strengthen our local economy and to provide a lower cost internet option, I support bringing municipal broadband (high speed fiber) to our community. Sammamish is diverse and our leadership should reflect those demographics. Working together we can continue to be one of the “best small cities in America.”

karen4council.com

**Education:** AA in Nursing, University of Wisconsin; BA in Accounting, Griffin College  
**Occupation:** Small Business Owner, Accountant  
**Statement:** I am passionate about continuing to defend our residents against over development. As current mayor, I am clear on why Sammamish is called “the best small city in America”. I have a proven record of promoting actions and policies in keeping it that way. As a resident, you have seen what out-of-control development, without corresponding infrastructure, is doing to our beautiful city. Overcrowded schools, increased traffic delays and overburdened sewage system are all symptoms of over development. I will continue to fight ceaselessly for you; to right these wrongs, stop clearcutting, protect our waterways, and wildlife habitat.

As an accountant/business owner, I have depth of knowledge in how to make best use of tax dollars to benefit our residents. During my term on council, Sammamish has slowed unfettered development, earned top credit ratings, enjoyed top Police/fire, addressed development that would forever change the city that we love.

**Education:** Attended DeVry University  
**Occupation:** Small business owner; Sammamish Planning Commissioner; PAWS Board Member; Rotarian  
**Statement:** We must protect the natural beauty that drew us all to Sammamish. As your councilmember, I will defend against the unsustainable growth and overdevelopment that has harmed our city. I will build the roads and infrastructure we need to end congestion and improve safety. I will push back against the hyper-partisanship that has plagued our country and is making its way into local government.

As your Planning Commissioner, I have a record of championing development regulations to protect our bedroom community and supporting stricter penalties for developers who break the rules. I will be a good steward of your tax dollars by insisting on a balanced, sustainable budget — just as I do as a successful business owner. I have the experience, work ethic, and relationships in Sammamish and throughout the region to get results for you as your councilmember. I humbly ask for your vote.

Education: BS in Environmental Science, Regis University; Masters in Environmental Engineering, University of Washington
Occupation: Senior Emergency Manager, Sound Transit
Statement: I am running for City Council to deliver the effective, forward-thinking leadership Sammamish deserves. At this critical time, we need leaders with the proven ability to identify future challenges, develop solutions through community engagement, and bridge divides to drive progress and bring neighbors together.

As our city and region continue to grow, I’ll focus on maintaining quality of life, safety, and our environment, while ensuring regional progress on homelessness, local economic development, and affordable, walkable neighborhoods. Working to reduce traffic congestion and take climate action, my experience as a transportation leader and forestry expert will help expand transit access, enhance parks, and improve infrastructure.

I’ll bring our Sammamish values and priorities to the council, developing an agenda that supports our community, addresses local needs, and gives neighbors a seat at the table. I ask for your vote. Proudly endorsed by King County Democrats, 5th, 41st, and 45th LD Democrats.

Statement: Are you frustrated by the clear cutting of our beautiful city to benefit developers? Outraged at your kids constantly learning in portables because our schools are so overcrowded? Dismayed at the disappearance of wildlife as we bulldoze their land and replace it with concrete? I am. I’ll fight to ensure that the city we call home retains the charm and uniqueness that we all love.

Are you concerned that previous councils have spent down our reserves and operated under “deficit budgeting” for years? I am. I’ll work to enact a balanced budget that pays for the needs of our city (infrastructure, stormwater, parks) in a fiscally responsible manner as I did in the many years of corporate and government budgeting.

I will fight against over-development and for a balanced budget, improved infrastructure, our environment, schools, fellow wildlife, and the residents of Sammamish. I humbly ask for your vote.

Education: B.A. Business Administrations, University of Washington 1996, Masters Programs Northwestern, Duke & Stanford
Occupation: Business Owner, Founder + Principal Accelaris Consulting
Statement: Whether you’re a long-time resident or new to Woodinville, there’s one thing you’ve probably noticed: Woodinville is growing fast. I’ve lived here for 14 years. During that time, we’ve seen traffic get worse while development increases with no clear plan to improve congestion, parking or connecting neighborhoods via sidewalks and trails. Let’s work together to build Woodinville better. My goal is to build an inclusive and accessible 21st century city, making Woodinville a great place to live, work and play both now and for the next generation. I commit to be transparent, inclusive and responsive in representing all Woodinville residents and business owners. My vision includes expanding sidewalks, bike lanes, mass transit, affordable housing, park improvements and electric charging stations along with supporting business owners and protecting R1 zones.

Mayor

Joseph D. Sabey
joes@sabey.com

Education: Bachelor of Arts University of Notre Dame
Occupation: Real Estate Development
Statement: The last year has been tremendously challenging for everyone. As your Mayor, I’ve aimed to provide some consistency and stability from the Town of Hunts Point in an otherwise tumultuous period. I’ve focused on transparency, accountability and delivering the core services any jurisdiction should, including responsive, high quality public safety. If reelected I will continue with those priorities and be a responsible steward of your tax dollars.

Hunts Point is a very special place. I grew up here and I am now raising my own family here. I am running for re-election because I want to make sure Hunts Point continues to be a great home for families for generations to come. Thank you for your support.

Education: University of Washington, BA Psychology
Occupation: Real Estate Investment
Statement: It has been an honor to serve you on here the Town Council the last ten years and for two years on the Planning Commission. Having lived here for fifteen years, Hunts Point and its residents are very special to me. I would like to continue working with you and the Council members to keep our Town special.

My number one priority is to Fully Fund Our Wonderful Police Department. I will continue to listen to your ideas and work with you towards your goals for keeping the things that work and improving the things that don’t. It is important to continue to work within our budget, keep taxes and expenses low and being environmentally conscious to protect our beautiful surroundings.

I would be honored to receive your vote so we can continue to serve and work together to help keep our Town a wonderful place to live.

**Statement:** Over the past four years, as your council member, I have worked with the council and mayor to continue the traditions of Hunts Point and maintain its small town character. Covid-19 has been a challenge, but the town has adapted to deal with the pandemic. Working with the council, we have updated the entrance to the town with new plantings and trees. I have represented our town on the regional Salmon Recovery Council, which is essential to preserving a northwest icon.  
I value your concerns and will work with the mayor and council to respond to those issues. If elected, I will continue to monitor the town's finances, and prioritize public safety and town maintenance. I would appreciate your vote.

**Education:** Bachelor of Arts, University of Washington, Cum Laude  
**Occupation:** Real Estate Investor  
**Statement:** Thank you for the trust you’ve placed in me over the last ten years that I've served as your councilman. I am proud of the town council’s accomplishments and my personal contributions during this period. I consistently supported sound fiscal governance without raising taxes and without sacrificing infrastructure maintenance and beautification projects. I helped lead the town through a major update of the Shoreline Master Program, which largely preserved the residents’ use and enjoyment of the waterfront. I strongly advocated upfront for mitigation to lessen the impacts of the SR520 widening project. I chaired the Beautification Committee, which was responsible for landscape improvement projects at the town entry and throughout the town. Looking forward, I stand ready to meet the town’s challenges and opportunities employing the skill I've acquired over the last decade as an elected official and forty years operating my own business. I respectfully ask for your vote.

I commit to carefully and empathically listening to what is important to you. I will work collaboratively with you, our council, conscientious and dedicated staff, highly-competent police, and other neighborhoods to develop and implement feasible solutions in the Town's best interest, both short and long term. I will champion open and frequent dialogue with neighbors, including on monthly Hikes with the Mayor.  
As your Mayor, I will prioritize communication, fiscal responsibility, public safety, civility, efficient delivery of high-quality public services, residents' health and privacy, and neighborhood walkability, strategically leveraging our neighbors' skills and talents wherever possible. I would be grateful for your vote!

**Statement:** Over the next four years our town council will be dealing with some very important issues - the security and safety of our town and homes, proposed tree ordinances, under grounding of utility lines, and preserving the town’s natural beauty, just to name a few. I am running for this position because I care about these issues, and others, that affect the quality of life we all enjoy here on the Point. I want to protect what makes this town a special place to live: small town community feel, ideal location, proximity to the water, parades and cookouts, knowing our neighbors by first name and our pet-friendly, kid-safe atmosphere. I would like to listen to each and every one of you so as to inform my own opinions. I will work hard to ensure the council operates with transparency and accountability. Elections are secure and accurate
Tabulation equipment is certified by the Washington Secretary of State and the federal Election Assistance Commission. The system is never connected to the internet.

Logic & Accuracy
• Conducted two weeks before each election, a public Logic & Accuracy test is conducted to ensure that voting equipment is ready for use and reading votes accurately.
• The Logic & Accuracy test is verified by independent observers and the Office of the Secretary of State.
• Political parties, candidates, and the media are all invited to attend the Logic & Accuracy test.
• Random Batch Audit
• On the Thursday after Election Day, randomly selected batches are hand counted to ensure, once again, that the tabulation equipment is reading and counting votes accurately.
• Hand count totals are compared with the vote totals from the tabulation equipment to ensure a match.

To learn more about election security and accountability, visit bit.ly/KCEsecurity.

King County Drop Boxes
• 73 ballot drop boxes across King County
• 96% of voters live within a 3-mile radius of a drop box.
• Open 24-hours a day during the voting period.
• Ballots are transported securely back to Elections headquarters in sealed containers.
• Drop box collection teams are equipped with a comprehensive list of security procedures and actively monitored via GPS and photographic evidence.
• Your ballot is guaranteed as on-time as long as the ballot is deposited, or you are in line to deposit, before 8 p.m. sharp on Election Day.

**Statement:** I am a mother of two students in BSD, a medical doctor from China, a first generation American, and an advocate for students, and I have deep concerns about our BSD schools. During the pandemic, BSD fell short in serving its students and meeting its obligation to members of our community. Our district is at a crucial infection point, with decisions to make that will shape our future. I led a two-year campaign to improve student welfare that resulted in HB1272. I'll bring that same passion and dedication to the Board ensuring that every public dollar is utilized effectively to maximize education outcomes for students.  
I'll engage our whole community to: 1) Select a world-class superintendent. 2) Prioritize the academic and social-emotional recovery of students. 3) Maintain a healthy and safe school environment for all students. 4) Ensure our curriculum reflects the diverse culture of our local community, against division and confusion.

My roles in BSD have been numerous; VP on PTSA, an Ambassador for $675M school bond, Director of after-school enrichment and curriculum enhancement, Leader of a school recess program to help isolated students and Room Parent every year.

Last year, our district failed my two girls- and all students. BSD needs new direction, leadership, and solutions. Students, our most treasured resource, have suffered mental health issues, severe learning loss and social deprivation. Our dedicated teachers have worked relentlessly without the appreciation and compensation they deserve. The relationship between BSD and its stakeholders has been compromised with ensuing power struggles.

**Statement:** Education is essential for students to become productive, successful adults in a modern society.  
With over 40 years of experience in technology (telecommunications and network engineering) I see the necessity of STEAM (Science, Technology, Engineering, Arts, and Mathematics) education as a major part of the curriculum.  
Current events have shown that effective communications skills, both writing and speaking, need to be fostered with an emphasis on coming to a rational and objective understanding.  
With a B.S in Animal Science from Oregon State University I believe students should learn about the natural world around us, and how to use our natural resources in a sustainable manner. **Statement:** "All" means "all" and that's all "all" means. I've repeated this phrase countless times during my time as an Issaquah School Board Member, wanting to ensure all students can access educational opportunities that will allow them to reach their full potential. Never has this been more important! The past school year has been full of obstacles to learning, creating larger disparities between students who have access to supports and those that don’t. We know in-person learning is the best way for students to grow academically, socially, and emotionally. I have worked relentlessly to return students to school buildings, while following all the guidance to assure the safety of students and staff.  
Over the next few years, we will need to focus on recovery and restoration. Students will need to recover from the academic and emotional loss of the past year and a half. Staff will need to recover from constant changes in how to deliver teaching. And the Board will need to restore the trust that students are at the heart of what we do. This work will require experience and understanding how the school district operates. I humbly ask for your vote to continue to serve you and students.

Dr. Ghiora has worked K-12 levels in traditional and charter schools. She is immediate Past President of Washington Phi Delta Kappa, the nation's premier educational organization.

Wendy strongly believes in the potential of each and every student to achieve academic and personal success. She is your Back to the Basics candidate. It's time to re-ignite the methods used, and once again make our Issaquah schools a paragon of excellence. Students should leave school with the tools necessary to excel in whatever they choose to do.

Excellence should abound in academics and the creative and performing arts. An excellent education is when we teach children how to think, not what to think. A student who is curious and explores many ideas and viewpoints is using critical thinking skills and will be well prepared and inspire others to think for themselves. Dr. Ghiora fully supports the National School Board's vision and purpose to: “Prepare students for college and the workforce, including preparing them for jobs that may not even exist yet due to rapidly changing technology, and to help children fulfill their diverse potentials.”

My commitment to public service is grounded in the principles that transparency and increased engagement with families and community members are critical. We need more voices represented in district decisions.

As a parent of two current ISD students, I ran for the Issaquah School Board in 2019 to serve our community by using my more than 15 years of mission driven board service, skills in finance and operations, and a career of leading transformational change. The past two years have brought incredible challenges and given me the opportunity to understand each aspect of our school system. Throughout this unprecedented pandemic, my commitment to listening to differing perspectives and making difficult decisions has been strengthened. My goal is to leverage these experiences to ensure that we retain and reuse all that we have learned and emerge stronger as we return to a fully operational system.

We must all pull together to recover from this distressing time. I pledge to continue doing the hard work needed to support our children's academic success and social emotional growth. I humbly ask for your support.

Statement: In a rapidly changing world, students deserve a public education that will adapt and prepare them for success. This requires leaders who are committed to doing the work and driving educational progress.

Our schools must lead in educating students and communities on the critical issue of Earth’s climate. We are living with the consequences of human driven climate change, and we need to better prepare future generations for the challenge it poses.

I support the work to provide technical training for students who may choose non-traditional secondary education and will work to enhance and grow these opportunities, because not everyone learns the same way and there are many paths to success.

Finally, we need to consider implementing science-based recommendations like changing our school start times. Overwhelming evidence supports delaying school start times for adolescents. It’s time that we join the thousands of schools nationwide that have made this change and are reaping the benefits. My diverse background in education, science and business gives me a unique perspective to work collaboratively and achieve goals. Statement: As legislative representative for the LWSD board of directors I advocate for students at the local, state and national level. My cross-district collaboration includes regular meetings with public health to support student wellness, safety and recovery.

The disruption to learning affected students in individual ways. We must evaluate them in a personalized manner to successfully address their needs. Further implementation of data driven, Multi-Tiered Systems of Support, considering the unique needs of students, will inform the development of a personalized plan that best allows kids to recover and advance.

Other priorities include increasing opportunity, equity and inclusion to ensure all students gain access to all school programs and activities. National and LWSD data indicate lower rates of success for children with special needs, students of color, kids living in poverty and English learners, to name a few. Additional communication methods need to be incorporated to increase awareness of and participation in extracurricular offerings as well as optional, supplemental, academic offerings.

A strong home to school collaboration, a tiered system to provide unique supports and the use of culturally relevant forms of communication increase student opportunity and inclusion, leading to more equitable results for all. Cassandra is Committed to Kids! www.cassandrasage.com

**Statement:** This last year has been challenging for everybody. 18 months ago, nobody could have visualized a world where kids were not in classrooms. While our educators have done a great job of adapting to unprecedented times, we have also seen the gaps in our system widen. And while we all hope for a return to "normalcy" we need to learn from this disruption to education and work together in an innovative fashion to move forward in an inclusive, equitable and a welcoming learning environment.

As parent to twins and a member of the PTA, my experience with the LWSD prompted me to join the race to ensure that our schools are ready to meet the challenges and help our children thrive.

I'm committed to draw on my background to bring fresh energy, responsible fiscal management, and innovations to the LWSD focusing on these four areas: equity and inclusion, mental wellness, school infrastructure, and teacher support.

I will be a voice for students, families and community members and will seek out the unheard students and parents. I know with the right leadership, the LWSD can build on our strengths to expand opportunities and deliver high-quality education for every student.

Statement: It has been an honor and privilege to put my experience and passion for public education to work in service of the Northshore community over the last four years.

This award-winning Board has done great things in that time, including: increased access to childcare, music, hi-cap, and mental health supports; opening new/upgraded facilities to provide safe learning environments; decreasing opportunity/outcome gaps; adding safety and equity teams in all schools; advocating with legislators to support our students and community; and we acted quickly to guide and serve our community in a global crisis. I'm so proud of the work we've done and the future of education as we move out of this pandemic.

But the work must continue. It's critical to fully fund education, ensure pandemic recovery, close opportunity/outcome gaps, teach students as individual learners, and increase access to early childhood education. My experience on this board, in science, management, legislative advocacy, teaching and troubleshooting, make me uniquely qualified to serve this critical role.

We have much work to do to repair and heal. Our schools have a prominent role in that and we have learned that education can change and innovate. We need sound leadership to rethink the how, what and most especially the why of public education. The world was changing before the pandemic and that change has only accelerated. With your continued support, I will bring the voices of parents, students, and educators together to ensure our students are prepared for jobs that do not yet exist, in a world that will look dramatically different than what existed even a few years ago. Statement: The school board blames COVID, but it merely revealed their failures. Schools re-opened nationwide while we remained closed. Learning losses were dismissed, claiming ‘they didn’t learn as much as we hoped’ with no ‘summer recovery’ available. Pandemic aside, systemic issues persist: loyalty to special interests ignores parental authority and short/long term impact on student academic, social, and emotional needs; extravagant spending despite schools in disrepair; and failing literacy programs.
As taxpayers, 56% of our property taxes supply NSD, growing >10% each year under the current board. Superintendent compensation increased from $277K to $460K--triple that of teachers. Meanwhile, academic achievement stayed flat while low-income student scores declined. I will bring fiscal accountability and demand measurable results, working within our means and closing the social divide. I will provide teachers with appropriate training to deploy consistent curricula. No more tolerating ‘teach your truth’ directives. I will require robust measurements to assess progress and ensure timely improvements.
As a recognized military, aerospace, and non-profit leader, I know effective and successful performance. Coming from a family of teachers and union leaders, I know effective educational administration.
I’m endorsed by parents, teachers, students and union leaders and stand ready to lead and serve our district.

Statement: Since I began serving you on the Northshore School Board eight years ago, I've dedicated myself to continuously improving our schools, making us one of the highest performing districts in the state. As we recover from the pandemic and its impacts on our children and community, I'm committed to passionately putting my experience to work for all kids.

Now more than ever, I'm focused on finding new resources, partnerships and programs to create exceptional outcomes for students. I work collaboratively and effectively to find solutions, improve instruction, advance educational equity, update our buildings, carefully manage our resources, and build a culture where everyone in our schools feels seen, heard and valued. My focus is on the whole child, and I'll sustain the growth in mental health supports and programs.

My perseverance in the face of tough challenges was critical to safely reopening schools and supporting student recovery. Perseverance remains essential as we move forward. I will continue to help our schools evolve as we prepare our students for their future. It is my commitment that together we will not only recover from this difficult time, but thrive.

Statement: I spent the last year and a half in the trenches of “zoom school” right along with you. I sat at the kitchen table with my kids during the school day, trying to run my small business while keeping them on task. I watched them suffer academic, social, and emotional setbacks. I witnessed tiny fissures in the trust between families, teachers, and NSD administrators split wide open.

Good administrators sit down with families and teachers to solve impossible problems. They communicate honestly and openly. They lead without being flattened by squeaky wheels or cowed by special interests.

During my time as an assistant state attorney general, I acted as the child's advocate in emotionally heated custody disputes. Children were often overlooked when the adults started fighting—my job was to remind everyone that the child was the most important person in the room.

Now more than ever, I’m focused on finding new resources, partnerships and programs to create exceptional outcomes for students. I work collaboratively and effectively to find solutions, improve instruction, advance educational equity, update our buildings, carefully manage our resources, and build a culture where everyone in our schools feels seen, heard and valued. **Statement:** As a proud graduate of the Renton School District, parent of children in the district, and spouse of a district teacher, it has been an honor to represent the Renton School District students, staff, and community for the last 4 years. It has certainly not been an easy few years, but our district and community have rallied together to do our best for students and staff. I will continue to work hard to be a partner and ally for our community as we recover from the pandemic and uphold the Renton School District priorities of Service, Excellence, and Equity. One of my biggest priorities, as a board director and child psychiatrist, is the ongoing work to improve mental health and social and emotional learning for our students. I would sincerely appreciate your support so that I may persist in this work and being a dedicated champion for every student in the Renton School District to help them achieve success.

**Statement:** It has been an honor to serve as your current Renton School Board Director (District 5) since taking the oath of office in late February 2021. I stepped up during one of our most trying times as a society, just as COVID case rates in our area hit their peak. Leading with courage, humility, passion, curiosity, and inclusion, I look forward to earning your vote and continuing to serve our community for the next four years.

I am a fierce advocate for public school education and its role as the foundation for our society, economy, health, and well-being. I come from a family with many teachers, and I hold the utmost respect for our dedicated educators and staff.

My professional discipline is continuous improvement, and I bring this lens to my role as school board director. The pace of change in our world is only increasing, and we must innovate and adapt to prepare our students to thrive now and in the future. Change is uncomfortable, but it is also where the growth occurs.

Transparency and communication are vital to fostering and maintaining community engagement to ensure all voices are heard. This is an area that can be improved by our school board. These pillars are critical to ensuring high level of community support.

While I do not have school board or school administration experience, my skills gained during 18 years of corporate work would directly translate to this role. **Occupation:** Finance (retired)  
**Statement:** Don Ellis, a devoted local civil servant, passed away May 25, 2021. His statement is below:

For 28 years I have served a growing community as Northshore Fire Commissioner.

I am passionate about providing Northshore firefighters with quality training and equipment. Throughout my tenure I have worked to maintain a high level of service while managing the tax burden on residents of Northshore Fire cities. Last month (April 2021) the constituents resoundingly voted against merging Northshore Fire Department with Woodinville Fire Department. My position is that the merger would adversely affect the Northshore Fire community and should not move forward. Voters need to be aware that the five elected members of Northshore Fire Board of Commissioners can vote (without constituent support) to move ahead with this merger. Please consider this when you cast your vote for this position (King County Fire Protection District No. 16, Commissioner Position No. 3).

Statement: I believe in transparent government, where people are ethical and held accountable. From my perspective, not everyone shares those values. Fire Commissioners should always recuse themselves from issues where they might benefit personally, such as a merger agreement with another fire department—in which they happen to work.
During my 32 years in the fire service, I’ve managed policy, budget, and operations—experience I’ll use to help Woodinville Fire improve efficiency and effectiveness, while serving you. The contract with Eastside Fire is a good start, providing enhanced training and career growth for firefighters while saving taxpayers $15 million.
As a Fire Marshal, I’m also aware of impacts that fire regulations have on local businesses and will work to minimize burdens. Finally, I’ll bring diversity to the board and work for inclusivity. I’m proud to be supported by so many local businesses and community leaders, and I will donate any compensation I receive.

I am not beholden to any special interests, labor organizations or campaign contributors. I only represent my neighbors: the citizens of Woodinville.
This election is about maintaining independent control of your fire district. As a local business owner, I ask you to help me continue to bring fiscally sound management to the district which provides the latest in fire equipment and maintains the excellent level of service we all enjoy, not simply to be a spokesperson for the employees’ bargaining group.
Endorsed by: Mike Millman – Woodinville City Council, retired Everett firefighter; Derek van Veen - Woodinville Fire Commissioner; Jim Dorney – Previous Woodinville Fire Commissioner, Retired Bellevue Fire Battalion Chief; Elaine Cook – Previous Woodinville Mayor.

Occupation: Retired Firefighter
Statement: When you first elected me to serve as a Fire Commissioner in November 1997, our newly formed City had annexed for fire protection services with the District. We were also facing uncertainty of future annexations of portions of the District by other bordering cities. Additionally, we needed to provide a well matched and positioned workforce.
We’ve been able to enjoy a Gold Standard department at every level. We are well trained, staffed and capable of handling the majority of our first alarm responses. We enjoy strong financial independence, have no debt, we own everything we have and are amongst the lowest tax collection rates consistently, year after year.
I am concerned about our anticipated rapid growth downtown, our continued Wildland Fire readiness and proper execution of the recently signed ILA with Eastside Fire. Should you return me to office, I pledge my continued focus and energy in your best interest.

Statement: Our community deserves a Commissioner with Transparency, Integrity and Leadership while being fiscally responsible to the taxpayers. I spent 40 years in the fire service, rising from Firefighter/Paramedic to Fire Chief, and have extensive knowledge regarding the day-to-day operations of a Fire District and its responsibility to the public.
I started two 501(c)(3) nonprofits to provide emergency housing for families displaced due to fire, a backpack program for kids who needed school supplies, scholarships for young adults, and holiday meals, and have received local and national awards for my work ethic and leadership skills.
My wife and I have lived in the community for 24 years and raised our two children here. I will work hard to ensure our Fire District operates efficiently and effectively, always keeping the best interests of our community as the primary goal. I would be honored to earn your vote and serve our Fire District.

Occupation: Principal Hydrogeologist - TRC Environmental Corporation
Statement: Coal Creek Utility District ratepayers deserve responsive and respectful customer service and high quality water and sewer services at reasonable rates that provide value to them and their families. Our district has some of the best maintained and most up to date infrastructure in Washington and I’m proud to have had the opportunity to be part of the successful management of that essential public asset. My 30+ years in consulting engineering gives me an understanding of the technical aspects of the operation of the district’s water and sewer systems and I enjoy using my education and experience to represent the interests of our ratepayers.

It has truly been a privilege and pleasure to represent our district’s ratepayers. I respectfully ask for your vote so I may continue to serve the ratepayers and work with the district to provide the best possible water and sewer service while striving to control costs.

Statement: As a father, I know that the minimum federal standards are outdated and insufficient. I want to help us hold our utilities to a higher standard. A healthier standard for ourselves and for our children. Raising awareness is one step of that - a good first step. But we cannot and should not wait for the federal government to react on matters where health and safety is an issue, such as our drinking water. We should lead the way in making our utilities safer and healthier. We can provide the example that will help push the people of our country to demand better. To demand more from the tax dollars they pay.

Education: Bachelor’s in Business Administration, Western Washington University; Master's in Business Administration, University of Puget Sound

Occupation: Retired Financial Analyst, Boeing Company

Statement: My family and I have been residents of Water District 90 for 18 years and every time we have turned the water on it has been safe, clear and affordable. We need to maintain this water distribution system and safe supply for all customers and future generations. It has been my honor to serve as current Water Commissioner Position 1. I am strongly committed to our community and maintaining this great water system. You have my commitment to continue ensuring district water supplies remain safe, infrastructure remains in good working order, we have long term plans for infrastructure replacement, keep rates affordable and that we are prepared for future challenges.

My 39 years of experience in Business and Accounting, long range planning, budget management and rate management provide the knowledge and tools to represent my neighbors and all district customers in overseeing our Water District. Thank you for your vote.

Education: University of Colorado
Occupation: Retired IT Manager
Statement: It is my honor to serve this exceptional water and sewer district. We are fortunate enough to serve our community with services supported by state-of-the-art technology and provide you with the personal attention needed to respond to a crisis. We are a national pioneer of “ShakeAlert,” an earthquake warning system, which helps preserve our water if an earthquake occurs. Yet, we are small enough to respond quickly when a wedding ring falls down the drain and needs to be rescued. I am committed to working to maintain the outstanding character of our district.

Occupation: Small Business Owner and Clinician, Health Care Clinic
Statement: I have served the Northshore community for over 20 years as a health care provider and small business owner. My experience over those years has taught me to be fiscally responsible while maintaining exceptional customer service. I plan to bring a diverse and inclusive perspective to the Board of Commissioners.
I look forward to making the Northshore Utility District (NUD) a leader in water conservation, sustainability, environmental responsibility and fiscal accountability. Safe, available drinking water and sewer service are fundamental to our growing community. I plan on making sure the NUD is prepared for and able to defend potential ransomware attacks.
I look forward to bringing my business experience and diverse perspective to the Board of Commissioners. Statement: Thank you for allowing me to represent you on the Northshore Utility District’s Board of Commissioners. During my time on the board, I have learned a lot and look forward to continuing our work to ensure our customers effective and quality utility services.
Northshore Utility District is one of the best run utility districts in the state. Our rates are among the lowest in King County and our highly trained employees work with state-of-art equipment to provide the best service possible. To make sure all our customers have access to our services, I helped create a low-income discount program, which allows us to provide the same great service to all people in our service area.
I am committed to ensuring high quality water and sewer services at the lowest cost with an ongoing concern for sustainability, and environmental stewardship. Your vote will allow me to work towards these goals.

Jim Griggs

griggs.jamesw@gmail.com

Education: Bachelor of Arts in Business Administration, Accounting Major, University of Washington

Occupation: Certified Public Accountant, Licensed Washington State; Commander, U.S. Navy (Retired)

Statement: Elected to the Board of Commissioners in 2019; gaining the confidence of fellow commissioners I'm currently President of the Board of Commissioners and Chair the Finance & Audit Committee.

Re-Elect me as your Hospital Commissioner. I promise to continue making informed decisions based on facts and data. Any decision I make will be in the best interest of our Valley community. I’ll ensure Valley provides high quality, affordable health care to our community while remaining financially viable. Any decision I make will be in the best interest of our Valley community.

I’ll fight to ensure control of Valley remains local, through the elected Commissioners. I’ll ensure our tax dollars are spent here, in the district, to benefit our community.

My leadership and management skills developed over 34 years with the Washington State Auditor’s Office, plus my 30 years (active & reserve) military service make me the most uniquely qualified candidate to provide the oversight and leadership needed to ensure Valley is accountable to the citizens. I’ll be your watchdog, like I was for the State Auditors’ Office. I’ll be your eyes and ears to provide the management oversight needed to ensure Valley is managed and operated as efficiently and effectively as possible while providing high quality healthcare to our community. I’ve lived in the district 30+ years, my daughter was born at Valley, my family doctors are at Valley. Valley is an important community resource; let’s protect and ensure it benefits our community, the community that supports it with our tax dollars.

I’ve served the nation in the military, including a tour of duty in Iraq, I’ve served the State as an Auditor, let me continue serving you as your elected Hospital Commissioner. Re-Elect me as your representative to the Valley Board of Commissioners. Together, we can move Valley forward.

Education: Bachelor’s in Politics, Whitman College; extensive training/certification in mediation and negotiations

Occupation: President, King County Labor Council, worker advocate and community leader

Statement: My family has lived in Renton since the 1890s. I live in the Talbot Hill neighborhood just south of Valley Medical Center. As a first time candidate, I am running for office this year for two main reasons: to restore local control of Valley to the taxpayers and to be a voice on the Commission for frontline hospital workers and their patients.

Elected commissioners of our Public Hospital District gave up local control on issues that affect our community like patient care, staffing and taxing authority. They ceded that power to UW Medicine way back in 2011. This election is about whether we restore local control to the taxpayers, or we don't. It may very well require changing state law, and I am the only candidate in this race who has the proven track record and experience to mount a campaign to go get that done.

I am proud to be endorsed by the King County Democrats and leaders who know me and my work like Attorney General Bob Ferguson, Congressman Adam Smith, and many other leaders throughout South King County (see my website for a comprehensive list). Most importantly, I am proud to have earned the support of SEIU 1199NW, the Union of nurses and health care professionals at Valley. During the middle of the pandemic this last year, the hospital suspended retirement contributions for workers at Valley. Bad decisions like that jeopardize quality patient care, and frontline workers know that would not happen on my watch.

Ultimately, here is my pledge to you: if I am unable to restore local control of our hospital to the voters, then I won't seek another term. It's that simple. Valley Medical Center is a great institution with fantastic people, and with your help I know we will make it even better!

ritamiller23@gmail.com

Education: Master’s Library Science, USC; Master’s Nursing Idaho State University; Ph.D. Education, University of Idaho.

Occupation: Retired nursing professor, registered nurse, WA. resident since 2008.

Statement: My first job was as a Medical Librarian in a large teaching hospital providing medical information to doctors, residents, nurses and other hospital personnel. I am currently retired and was appointed in June, 2021 to fill a vacancy on the Board of Commissioners. I am running to fill the remaining four years of the term. My priorities are making sure Valley provides the best medical care possible and that our nurses, technicians and other medical staff are paid fairly. I also want to return control of Valley to the elected commissioners to make sure the hospital is accountable.

As a professor of nursing, I first taught at a community college and after I received my Ph.D in education, I helped create an accelerated Bachalaureate nursing program at Idaho State University in which I coordinated and taught for several years. After moving to WA in 2008, I taught nursing at Green River Community College until I retired.

It is troubling to me that control of Valley was transferred in 2011 from the five elected commissioners to a thirteen-member Board of Trustees comprised of the five elected Commissioners and eight UW appointees - so the elected commissioners do not have control of Valley. If you elect me, I promise not to mislead you about who controls Valley until the elected commissioners actually regain control.

From my background, I understand the nuances of accountability to the community within the hospital district and to our patients who rely upon the hospital for their wellness needs. I want to be part of Valleys bright future. I hope I can count on your vote.

**Education**: Health Training Institute, Highline College

**Occupation**: Certified Home Care Aide, Board Member Caregivers Union SEIU 775

**Statement**: My kids were born at Valley and I care deeply about the future of Valley. Seeing the way our district has changed because of UW Medicine and COVID-19 trouble me because our residents are not receiving the respect they deserve. As a board member of SEIU 775 that represents thousands of home health care workers across Washington, I know first-hand how proper staffing means better patient care.

As your Hospital district 1 commissioner, I will work hard to represent and advocate for the residents of Hospital district 1. As a member of the community, I believe in teamwork - it takes to make a community health and prosperous, just as quality healthcare requires. We need administration that supports and provides quality care.

As your commissioner, my priorities are for everyone who lives and works in our communities to have access to the best health care available, returning control of Valley back to the elected commissioners, reducing the pay of overpriced executives and using the savings to increase pay for nurses and staff.

As a member of the Renton Inclusion Task Force I am committed to ensuring that Valley has a diverse workforce and treats all residents fairly. We should conduct a comprehensive analysis using an inclusion and equity lens. Ongoing training workshops on culturally competent care is the key. Working together we can bring improvements to Valley for the people in this district. I have a passion to fight for a just and fair society and I want to set an example for other hospitals in the region.

If you elect me as your commissioner, I will bring the vote back to the community and let the people decide for themselves how their care should be. Your vote matters and I hope I've earned it.

**Education**: College Grad with Doula training from Seattle Midwifery School and Bastyr University

**Occupation**: Birth and Postpartum Doula

**Statement**: I would like to represent you as your Hospital Commissioner!

Control of Valley Medical Center was taken away from your elected Commissioners and given to appointed Trustees controlled by UW Medicine. These Trustees lack accountability and have a track record of raising salaries at the top and reducing salaries of hospital staff. I want to stop the Trustees from taking your property taxes to fund whatever they deem to be necessary expenditures, including the salary of the CEO, without a vote from the Board of Commissioners!

The dedicated doctors, nurses, and supporting staff should be compensated fairly for the life-saving work they do.

One goal as your Hospital Commissioner is to return control of our Hospital District to the voters who support Valley Medical Center with their tax dollars. I am a health care professional and care deeply about our patients and want the best possible health care for all in our Hospital District. I have had medical emergencies and Valley's exceptional medical staff saved my life and have also helped members of my own family.

My husband and I have lived in Kent since 1986, where we have raised our 5 children, dogs, cats, and chickens. Our children attended Kent public schools. We are active in our church and in community groups. Working as a Birth and Postpartum Doula since 1983, I have assisted many clients giving birth at Valley's Birth Center. Valley is one of only eight hospitals in Washington that is an accredited “Baby-Friendly Hospital,” which is what new parents are looking for when choosing where to birth their babies!

Valley is an important community asset supported through your property taxes. We need to ensure it has active oversight to benefit our community and the health care professionals who work there. I appreciate your vote!

Statement: Having been a resident of the Northshore area all my life and having served on the EvergreenHealth Board for many years has provided me the opportunity to recognize the importance of providing quality healthcare for our community. I have been able to work for and see EvergreenHealth grow from a small Community Hospital into the major Medical Center that it is today. EvergreenHealth now provides many services such as Home and Hospice Care, a Family Maternity Center, an Outpatient Surgery Center, new facilities for the Booth Gardner Parkinson and the Multiple Sclerosis Centers, the Halvorson Cancer Center, and a new Intensive Care Unit. These services and facilities are all a reality because of the support from our community for EvergreenHealth.

EvergreenHealth is your community Hospital and it is rated among the top 5% of Hospitals for quality in the United States. This outstanding award is for many areas of service, such as stroke, cancer care, and many other areas. My goal as your Hospital Commissioner is to see that EvergreenHealth continues to provide the quality, innovative, and cost-effective care with a complete range of services that our community needs and deserves. Education: BS, Mathematics, Duke University; MD, University of Washington School of Medicine
Occupation: Emergency Physician & ER Medical Director (Retired); Board Member EvergreenHealth
Statement: Serving our community as an Emergency Physician and Commissioner (Board Member) at EvergreenHealth remains an honor. Being the only physician on the Board brings a valuable patient care perspective to the issues we face.

At the beginning of my tenure, I created and have chaired our Board Quality and Safety Committee. I enlisted community members with expertise in aviation, technology and industry to help guide us from a community hospital to a highly respected regional medical center, ranked by Healthgrades in 2020 as one of “America's 50 Best Hospitals.” We were also recognized by the CDC, DOH and SKCHD for our team’s response to the Covid19 pandemic as we became educators for the rest of the nation for our early experience with critically ill patients.

We take pride in our unique committee of over 40 Community Advisors who meet monthly to receive information and provide input to our Board and executive leadership. That has helped us build a first-class culture that allows us to recruit our amazing staff and reduce employee turnover.

I also serve on our Board Construction, Planning and Strategy Committee, helping to oversee and manage the costs of developing new projects and programs. I also represent Evergreen on the board of the Eastside Health Alliance, a project to improve quality and reduce costs and duplication of services in neurology and cardiology.

I commit to you, our taxpayers, to keep the hospital's tax rate as low as possible while insuring that Evergreen is truly working “to enrich the health and well-being of every life we touch.” I am endorsed by firefighters, paramedics, community leaders and neighbors. I look forward to continuing to serve you as we face the opportunities and challenges of healthcare reform and hope that I have earned your trust and your vote.

Katie Grainger

Education: Bachelor's in English, Wofford College; Master's in Cultural Studies, University of Washington
Occupation: Senior Consultant in healthcare, Valence
Statement: I am an advocate for health in our community by promoting awareness for autoimmune diseases and fundraising for cancer research. Having worked in clinical care operations for the third-largest non-profit health system in the United States, I see both the challenges facing healthcare and possibilities for reform. I intend to help make healthcare better for all Americans. That starts with impacting decisions made at the local level.

As someone who lives with a chronic disease and is the healthcare agent of a parent, I know firsthand the struggles of navigating a complex system that is not always affordable or accessible. I don't need to be the medical expert in the room to provide governance that positively impacts our community. I will bring experts together with the people of District 2, so everyone is heard.

As your Public Hospital Commissioner, I will listen with intent and lead by example, being honest and transparent with the public. Most importantly, I will commit to making decisions that are in the best interest of our community.

Our future depends on healthcare, and I respectfully ask for your vote to help make a difference.

Education: B.S. University of Minnesota 1984, Juris Doctorate Seattle University 1989
Occupation: Attorney, resident and practicing in Valley since 2002
Statement: I am proud to serve as your commissioner for the past 14 years, 1/2 as the finance chair. Your hospital has grown from 60 to 300+ employees and nearly a $50,000,000 budget. The District had its first ever positive bottom line in 2019 and is on its way again in 2021.
We offer full imaging, Emergency services, 24 hour urgent care, clinics and many specialties serving nearly 30,000 patients every year. In addition, we provide over $1 million in charity care each year. Puget Sound Physicians (same as Overlake's ER) now contracted to provide excellent emergency services since December, 2020.
King County Health has designated your hospital as the preferred site for East King County vaccinations. We have administered over 12,000 COVID vaccines: children can get an appointment so that they can go back to school. Statement: As a retired volunteer Firefighter/EMT of 25 years, it has been my privilege to again serve our Hospital District. Previously, I served for nine years on this board. Access to quality progressive care is important more than ever during this Covid Pandemic and managing through its variants. Our team is here and ready to serve the communities we support.
Financially we are strong and with our management agreement with Overlake Hospital to head our Emergency department, we are truly in a ready position to respond to emergencies. Our rehabilitation unit is recognized as a leader on the Eastside. This year we hired a new CEO Renee Jensen and together with our entire staff we are providing leading care. Staying informed on all issues of our hospital and clinics is my objective.
Thank you for your support and it is an honor to continue serving in this capacity.

**Statement:** As a resident of Fall City for over 25 years I have volunteered on many projects including stream restoration, tree planting, leading hikes locally and regionally. For the past several years, I have volunteered as a KC Parks Trail Ambassador. Recently, I have been appointed to vacated a Fall City Parks Commissioner position.

As a long time member of the Fall City Community Association, I am familiar with many of the issues facing our community. Maintaining and improving upon the preservation of open space and parks in our Park District has become increasingly important to assure that we have publicly owned spaces to be used by all to enjoy recreation, social interaction, and the outdoors.

My passion for hiking and biking fuels my interest in continuing to work towards trail connections within Fall City Parks District and to the larger Regional Trail System. I appreciate your vote.

**Statement:** I have sincerely appreciated the opportunity to serve our Fall City community as one of its Park District Commissioners. I am asking for your vote so that I may continue to work with care to preserve and enhance our local parks and trails within the District.

I am proud of what has been collectively accomplished on projects such as the future West Side Trail and future Bernard Park. Thankfully we have been able to collaborate with different funding partners, public agencies, and non-profit organizations to bring these projects closer to completion.

As always, I remain committed to having the District operated in a fiscally responsible manner and to basing my decisions upon input from our community. I look forward to continuing our work with the community and its stakeholders to improve park and trail elements in and around Fall City.

Charter Amendment No. 1
Preamble

Shall the Preamble of the King County Charter be amended to make a grammatical correction and to include among other charter purposes, equitable government, protection and enhancement of the urban and rural environment and economy, and promotion of a superior quality of life?

Yes
No

The complete text of this measure is available beginning on page 108.

Statement in favor
Submitted by: Michael Herschensohn, Louise Miller, Alejandra Tres

The Preamble to the County Charter is an opportunity for the voters to state their values and say what outcomes they want from county government. Since the Preamble was first written, King County has grown to be home to 2.3 million people and a hub of technology, culture and innovation. It’s time to update the Preamble to better reflect our modern county and the people who live in it.

By adding “for all” and “equitable,” the Preamble will show that county government should be a resource and provide services to all its residents in an equitable manner. This involves not just providing services equally but also finding out about the needs, ideas and solutions different communities might have and helping them access services so they can succeed and thrive.

The addition of “protect and enhance” and “promote a superior quality of life” reflects the county’s direct role in providing regional services, such as buses and public health, and as the local government in the unincorporated areas. The county also has a unique role as a leader, convener, and facilitator of improvements in these areas in collaboration with cities.

We ask you to vote yes on King County Charter Amendment 1.

Chart Amendment No. 2
Initiative, Referendum and Charter Amendment Timelines and Processes

Shall the King County Charter be amended to comply with state law timelines for initiative, referendum and charter ballot measures and to clarify definitions and terms related to the referendum and initiative process?

Yes
No

The complete text of this measure is available beginning on page 108.

Statement in favor
Submitted by: Toby Nixon, E.J. Juarez, kcca2pro@outlook.com

Since voters first approved it in 1969, the King County Charter has provided residents the opportunity to submit initiatives and referenda to the King County Council to be either adopted or put on the ballot for voters to consider.

Over the years, state law governing the rules for initiatives and referenda has evolved, particularly in terms of timelines for putting measures on the ballot. In addition, in 2018 the King County Council updated the county code describing the process for initiatives and referenda to align with state law. Consistent with that prior effort, this charter amendment is largely technical and meant to align the charter with state law and county code, and to provide other clarifications to the process and timelines.

Initiatives and referenda to the King County Council are unusual events, but when they do happen it is important that state law, the county charter, and county code are consistent, provide one set of rules for people to follow, and that the rules are as clear as possible, regardless of the topic. This charter amendment will achieve that goal.

Please vote Yes on King County Charter Amendment No. 2.

Statement in opposition

No statement submitted.

Statements in favor of and in opposition to a ballot measure are submitted by committees appointed by the jurisdiction. No persons came forward to serve on the committee and to write a statement in opposition. If you would like to be involved with a committee in the future please contact the jurisdiction.

Explanatory statement

The King County Charter authorizes county initiatives, referenda and charter amendments. The timelines related to these proposed ballot measures as currently stated in the Charter conflict with state law timelines for placing proposed measures on the ballot. The Charter timelines are based on state statutes that have been amended since the Charter was adopted.

This proposed amendment would replace the outdated Charter timelines with the current state law timelines and would incorporate any future changes to the state law timelines. The proposed amendment would also change several sections of the Charter to clarify the process for filing proposed initiatives, referenda and charter amendments.
Renton Regional Fire Authority

Proposition No. 1
Continuation of Benefit Charge

Shall Renton Regional Fire Authority be authorized to continue voter-authorized benefit charges each year for ten consecutive years beginning in 2023, not to exceed an amount equal to sixty percent of its operating budget, and be prohibited from imposing an additional property tax under RCW 52.26.140(1) (c)?

Yes
No

Statement in favor

We request voters approve the continuation of the Renton Regional Fire Authority (RFA) Fire Benefit Charge (FBC).

The RFA was approved by voters back in April 2016 and started operations on July 1st, 2016, when the Renton Fire Department joined with King County District 25. The FBC is one of only two sources that fund fire and emergency medical services provided by the RFA to our over 135,000 residents and businesses in our 33.3 square mile service area. The FBC accounts for 40% of the budget for the RFA, including costs for training, equipping and paying firefighters as well as maintaining and replacing all fire trucks, other apparatus and fire stations. Renewal of this fee will make it possible for the RFA to continue to maintain critical service levels and innovative programs developed over the last 5 years, including the FD Cares and Public Education programs, for another 10 years.

The FBC provides an equitable, stable and reliable method for funding operations, even in times of uncertainty, and distributes costs of service based on the size and characteristics of the structures on property. The FBC applies to structures 400 feet or larger, including each level of a building, basements (finished/unfinished), mezzanines and garages. Factors helping to determine the amount each taxpayer contributes are based on required firefighting resources, sizes and hazards associated with the structure(s). Discounts are provided for buildings with sprinkler systems and exemptions for religious schools, churches and nonprofit housing.

We appreciate our communities’ continued support of Renton Regional Fire Authority and ask for your vote in favor of this measure on the ballot.

Submitted by: Diane Dobson, Jason Parker, diane@gorenton.com

Explanatory statement

Renton Regional Fire Authority provides emergency medical and fire protection services to the areas within the RFA. The Governing Board is requesting that voters approve the continuation of the existing benefit charge initially approved by the voters in 2016.

A benefit charge is not a property tax but is a user fee designed to allocate the cost of the services provided by the RFA in reasonable proportion to the measurable benefit a property receives. The benefit charge is based on a standard industry accepted formula that takes into consideration fire flows, structure square footage and the type of structure and risk factors. If the benefit charge is approved the RFA’s statutory tax authority is reduced by $.50 per thousand of assessed valuation.

The Governing Board has determined that a benefit charge, established in conjunction with a lower level of property taxes, provides the fairest, most stable, reliable and cost effective method for financing the operations of the RFA and maintaining satisfactory levels of service.

The proposition requests voters to authorize the continuation of the benefit charge to be collected for an additional ten years from 2023 through 2032. Prior to establishing the benefit charge each year, the Governing Board will hold a public hearing and each year property owners will have the right to petition for adjustments in the amount of the benefit charge.

Statement in favor
Do you value the quality of life in your neighborhood? Are issues directly impacting homeowners and their property of concern to you? What is your option when land use decisions are made that do not protect your neighborhood and property?

It's the oversight afforded residents by the East Bellevue Community Council (EBCC), working to effectively address land use and zoning decisions made by the Bellevue City Council. This elected 5-member body has the legal authority to veto land use code amendments and ordinances, ensuring accountability for such actions impacting residents within the EBCC jurisdiction.

This unique form of local government advances continued dialogue between the neighborhoods and City of Bellevue leadership. Without a doubt, East Bellevue residents have a strong voice in decisions made when no other option is viable.

Such citizen engagement enables the EBCC to make informed decisions involving community improvements, thereby influencing the City's growth and improving livability. It's essential the EBCC continues as the critical voice helping shape the attributes of our neighborhoods and quality of life within our City.

Support your community! Vote Yes on Proposition No. 1.

No statement submitted.

Explanatory statement
In 1969 the annexation of East Bellevue into the City of Bellevue was approved by the voters residing within the annexation boundaries. The voters also approved the creation of a community municipal corporation for the annexed area, which has a five-member governing body elected by the voters, called the “community council”. The community council has authority to approve or disapprove ordinances and resolutions of the city council affecting land, buildings and structures within the community council municipal corporation with respect to the following: 1) comprehensive plan; 2) zoning ordinances; 3) conditional use permits; 4) subdivision ordinances; 5) subdivision plats; and, 6) planned unit developments.

The community council may also advise, consult and cooperate with the city council on local matters directly or indirectly affecting the service area.

Under state law, the community municipal corporation may continue in existence for subsequent four-year periods with the approval of a majority of voters within its jurisdictional boundaries. On February 2, 2021 the East Bellevue Community Council adopted Resolution No. 587 requesting that a proposal for continuation of the East Bellevue Community Municipal Corporation be placed on the ballot.

If a majority of votes are cast for continuation of the East Bellevue Community Municipal Corporation, the municipal corporation and East Bellevue Community Council shall continue in existence for a four-year period. If a majority of votes are cast against continuation of the East Bellevue Community Municipal Corporation, the municipal corporation and East Bellevue Community Council shall cease to exist and cannot be reestablished.

Currently city planning, large development projects, goals of increased density and major employers have an amplified voice over neighborhood residents regarding quality of life. The Houghton Community Council (“HCC”) is a grassroots effort addressing zoning and growth concerns like housing, traffic, overcrowded schools, and neighborhood amenities within the Houghton area. For decades, HCC has protected and shaped land use policy, including most recently: tree canopy protections; guidance on managing homeless encampments; influencing the Northwest University Master Plan; and rightsizing the upzone of the Houghton/Everest Neighborhood Center. As new land use and zoning proposals arise, HCC provides a steady hand in collaboration with the City for an optimal outcome for our residents.

The HCC was formed as a condition to the annexation of the Town of Houghton to the City of Kirkland in 1968. The seven-member elected council exercises both advisory and approval authority over matters related to zoning and land use within Houghton. HCC members work directly with city staff, Planning Commission and City Council to align the needs of our community with the City's economic development and growth agenda. There has never been a more crucial time to back continuance of the Houghton Community Council. Please vote “Yes!” www.houghtonlives.com

Throughout its history, Kirkland has grown and evolved, and will continue to do so. In order to grow thoughtfully and fairly, it needs comprehensive, integrated planning for the city as a whole, where every Kirklander has an equal voice. That is not the case now.

Currently, Houghton is the only Kirkland neighborhood with veto power over land use regulations in its area. No other neighborhood has this power. Imagine if every neighborhood had similar veto power -- city planning would be impossible. When only one neighborhood has this power, it is unfair and undemocratic.

Community councils like Houghton's were designed to ease the transition when two cities merged. Today, 53 years after the Houghton/Kirkland merger, the HCC is one of only two community councils remaining in Washington with that veto power -- the rest have been disbanded. The HCC long ago fulfilled its intended purpose. It is time for it to go.

If you believe in a comprehensive vision for the city, if you believe every voter in every neighborhood should have equal weight -- if you value fairness, inclusiveness, and efficiency -- then you must vote No on continuing the special privilege of HCC.

Rebuttal of statement in favor  
We're not voting on whether grassroots community input should influence city planning -- of course it should! We have institutions, like the 13 neighborhood associations, that support that.

What's on the ballot today is whether just one Kirkland neighborhood should also have a community council with veto power. We say no. The HCC is an antidemocratic body and its members almost always run unopposed. Give every Kirklander equal opportunity to shape Kirkland's future: Vote No!

Rebuttal of statement in opposition  
Kirklanders desire diverse, inclusive, and welcoming neighborhoods. In rapid growth areas, residents often feel their voice is marginalized in planning decisions. Grassroots community organizations like HCC provide access and empower residents to participate in local governmental decision making. HCC collaboration provides efficiency, transparency, and legitimacy to local neighborhood planning. The HCC has influenced policies that serve as guidelines for best practices throughout the city.

Vote “Yes” to keep our Houghton Community Council.
Ordinance 19300

AN ORDINANCE proposing to amend the Preamble to the King County Charter to include among the charter goals, equitable government, a strong urban and rural economy and superior quality of life and to make a grammatical correction; and submitting the same to the voters of the county for their ratification or rejection at a special election to be held in conjunction with the November 2, 2021, general election.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. There shall be submitted to the qualified voters of King County for their approval and ratification or rejection, at a special election to be held in conjunction with the November 2, 2021, general election, an amendment to the Preamble to the King County Charter, as set forth herein:

PREAMBLE

We, the people of King County, Washington, in order to form a more just, equitable and orderly government for all, establish separate legislative and executive branches, (intended) ensure responsibility and accountability for local and regional county governance and services, enable effective public participation, preserve, protect and enhance a healthy rural and urban environment and economy, promote a superior quality of life and secure the benefits of home rule and self-government, in accordance with the Constitution of the State of Washington, do adopt this charter.

SECTION 2. The clerk of the council shall certify the proposition to the director of elections, in substantially the following form, with such additions, deletions or modifications as may be required by the prosecuting attorney:

Shall the Preamble of the King County Charter be amended to include among the charter goals equitable government, a strong urban and rural economy, and superior quality of life and to make a grammatical correction?

Ordinance 19308

AN ORDINANCE proposing an amendment to the King County Charter to update the charter, clarify terms and bring the charter into compliance with state law, as it pertains to referendum, initiative and charter ballot measure timelines; amending Sections 230.40, 230.50, 230.50.10, 230.60, 230.70, 230.75 and 800 of the King County Charter; and submitting the same to the voters of the county for their ratification or rejection at the November 2, 2021, general election.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. There shall be submitted to the qualified voters of King County for their approval and ratification or rejection, at a special election to be held in conjunction with the November 2, 2021, general election, amendments to sections 230.40, 230.50, 230.50.10, 230.60, 230.70, 230.75 and 800 of the King County Charter, to read as follows:

230.40 Referendum.

Except as provided herein, an enacted ordinance may be subjected to a referendum by the voters of the county ((by filing with the county council prior to the effective date of the ordinance)) if a proposed referendum petition is submitted as provided in Section 230.70 of this charter and then no later than forty-five days after enactment of the ordinance petitions are filed with the clerk of the county council bearing signatures of registered voters of the county equal in number to not less than eight percent of the votes cast in the county for the office of county executive at the last preceding election for county executive. In addition, except as provided herein, an enacted ordinance which pursuant to state law is effective only in unincorporated areas of the county may be subjected to a referendum by the voters of the unincorporated areas of the county ((by filing with the county council prior to the effective date of the ordinance)) if a proposed referendum petition is submitted as provided in Section 230.70 of this charter and then no later than forty-five days after enactment of the ordinance petitions are filed with the clerk of the county council bearing signatures of registered voters residing in unincorporated areas of the county equal in number to not less than eight percent of the votes cast in the county for the office of county executive at the last preceding election for county executive. In any event, if the ordinance is approved, if within ninety days the required signatures of registered voters are filed with the clerk of council, then the county council shall consider the proposed ordinance. If the proposed ordinance is not enacted within ninety days (after) of the date the signed petitions are ((presented) filed, (it shall be placed)) the county council shall, in compliance with state law timelines for placing local measures on the ballot, place the proposed ordinance on the ballot either at the next (regular or special) general election (occurring more than one hundred thirty-five days after the date the signed petitions are filed) or at an earlier election designated by the county council. (However, if the proposed ordinance is enacted at any time prior to the election, it shall not be placed on the ballot or be voted on unless it is subjected to referendum))

If the county council rejects the proposed ordinance and adopts a substitute ordinance concerning the same subject matter, the substitute ordinance shall be placed on the same ballot with the proposed ordinance; and the voters shall first be given the choice of accepting one or rejecting both and shall then be given the choice of accepting one and rejecting the other, provided that in the case of an ordinance of county-wide significance, only the one in unincorporated areas of the county, the proposed ordinance shall be voted upon only by the registered voters residing in unincorporated areas of the county.

230.50 Institutional Initiative.

Any city or town located within the county may, after securing the consent, by motion or resolution, of at least one half of the cities within the county, propose an ordinance of county-wide significance directly to the metropolitan county council, except an ordinance which is not subject to a referendum under the provisions of Section 230.40 of this charter. Such proposed legislation shall be in ordinance form. The metropolitan county council shall ((take action on)) approve, amend and approve, or reject such proposed legislation within ninety (ninety) days of its filing with the county council.

230.60 Referendum and Initiative Petitions.

The county council shall establish by ordinance the form to be used for referendum and initiative petitions. All referendum and initiative petitions shall be signed by an individual or committee of individuals, which shall secure the approval of the clerk of the county council as to the form of the proposed petitions before circulating them. Within five days after the form of the proposed petitions is submitted to the clerk of the county council, the clerk shall return it to the sponsor with an indication of the clerk’s approval or with a detailed written explanation of the clerk’s objection to the form.

230.70 Effective Date of Ordinances.

Except as provided herein, the effective date of an ordinance shall be ten days after its enactment unless a later date is specified in the ordinance.

ordinance may be subjected to a referendum as provided in Section 230.40 of this charter and (if any) the proposed referendum petition is submitted to the clerk of the county council as provided in ((Subsection)) Section 230.60 of this charter prior to the tenth day after its enactment. An ordinance shall be forty-five days after its enactment unless a later date is specified in the ordinance. If an ordinance is subjected to referendum, it and if the department of elections director notifies the clerk of the council in writing that the number of petition signatures is sufficient to proceed to referendum, the ordinance shall not become effective until after it is approved by the voters. If it is approved by a majority of the voters voting on the issue, the effective date of an ordinance which is subjected to referendum or proposed by initiative, or a substitute ordinance proposed by the county council as provided in ((Subsection)) Section 230.50 of this charter, shall be ten days after the results of the election are certified unless a later date is specified in the ordinance. The effective date of an ordinance no longer subject to referendum is the date the department of elections director notifies the clerk of the council in writing that the number of petition signatures is insufficient to proceed to referendum, unless a later date is specified in the ordinance. A determination of the sufficiency or insufficiency of the required number of petition signatures for a referendum should be completed within ninety days of the enactment of the ordinance. The effective date of an emergency ordinance shall be the date of its enactment unless a later date is specified in the ordinance.

An ordinance which is subject to the veto power of the county executive and which is not vetoed, or the approved portions of an appropriation ordinance which has been partially vetoed, shall be deemed enacted on the date that it is approved by, or ten days after it is presented to, the county executive. An ordinance which is vetoed or the vetoed portions of an appropriation ordinance shall be deemed enacted on the date that the county council overrides the veto or partial veto. An ordinance which is not subject to the veto power of the county executive shall be deemed enacted on the date it is approved by the county council.

230.75 Amendment or Repeal of Ordinances Approved by the Voters.

No ordinance that is approved by the county council in response to the filing of an initiative petition or that is approved by a majority of the voters voting thereon, whether as the result of a referendum or initiative, shall be amended or repealed by the county council within a period of two years following the effective date of such ordinance; provided that such ordinance may be amended within the two-year period by ordinance adopted by a vote of not less than two-thirds of all members of the county council, which amendatory ordinance shall not be subject to referendum.

An ordinance approved by the county council in response to the filing of an initiative petition or by the voters may be amended or repealed by an ordinance approved by a majority of the voters voting thereon at any special or general election. Ordinances may be enacted to facilitate and effectuate this provision.

Section 800 Charter Review and Amendments.

At least every ten years after the adoption of this charter, the county executive shall appoint a resident commission of not less than fifteen members whose mandate shall be to review the charter and present, or cause to be presented, to the county council a written report recommending those amendments, if any, which should be made to the charter. Appointees shall be subject to confirmation by a majority of the county council. This resident commission shall be composed of at least one representative from each of the county council districts. The county council shall consider the commission’s report and recommendations and decide at an open public meeting how to proceed on each of the commission’s recommended charter amendments, as provided by ordinance.

The county council may propose amendments to this charter by enacting an ordinance to submit a proposed amendment to the voters of the county. The county council shall comply with state law timelines for placing local measures on the ballot and shall place the proposed amendments on the ballot at the next general election (occurring more than forty-five days after the enactment of the ordinance). An ordinance proposing an amendment to the charter shall not be subject to the veto power of the county executive. Publication of a proposed amendment and notice of its submission to the voters of the county shall be made in accordance with the state constitution and general law. If the proposed amendment is approved by a majority of the voters voting on the issue, it shall become effective ten days after the results of the election are certified unless a later date is specified in the amendment.

SECTION 2. The clerk of the council shall certify the proposition to the director of elections, in substantially the following form, with such additions, deletions or modifications as may be required by the prosecuting attorney:

Shall the King County Charter be amended to comply with state law as it pertains to initiative, referendum and charter ballot measure timelines, and to clarify definitions and terms related to the referendum and initiative process?

GET THE EMERGENCY BROADBAND BENEFIT

You may qualify to save money on your Internet bill.

King County has joined with the Federal Communications Commission (FCC), to increase participation in the Emergency Broadband Benefit — a program to help more households afford Internet service.

The Emergency Broadband Benefit provides:

• Up to $50/month discount for broadband service; and
• Up to $75/month discount for households on qualifying Tribal lands; and
• A onetime discount of up to $100 for a laptop, desktop computer, tablet purchased through a participating provider.
