Meeting Minutes: Daniel Peterson

Welcome and Introduction: Daniel Peterson welcomed the new, prospective, and current EOEP Advisory Board members and provided a brief background of the function of the EOEP Advisory Board.

Children and Family Justice Center Project Overview: Dave Jobs walked the board through the estimated timeline of the CFJC project. Construction updates, current status and photos of the job site were also presented to the board.

Project Labor Agreement/Project Requirements: Daniel Peterson reviewed what a Project Labor Agreement is and how it applies to the CJFC project. Labor and small business requirements that are applied to the CFJC project were also reviewed.

Project Diversity and Inclusion Efforts: Hans Hansen and Jeff Menday from Howard S. Wright shared what actions they have taken to incorporate and promote a diverse workforce on the CFJC project. HSW is currently working with ANEW by

hosting job site visits and is a Platinum sponsor of ANEW.

Next Meeting and Steps: Daniel Peterson will communicate with the EOEP advisory board members regarding meeting frequency and preferred times. A request was made for a more granular look into demographic data. Daniel will send a summary of demographic data for apprentices on the CFJC job site. See Below.
