HB 1216

THREAT ASSESSMENT

Training and Consultation to all to assure Districts understand direction is to have a policy and implementation model in place that aligns with the following:

- Timely and methodical assessment/management response
- Prohibit suspension based on pending threat assessment
- Is prompted by behavior, not profiling
- Relies on a multi system response
- Assures intervention strategies are in place designed to support and safety
- Adopts a policy and procedure by Fall 2020 that embodies these components
