Find a COVID-19 Vaccine Appointment Near You:

- Choose a King County vaccine site near you at:
kingcounty.gov/vaccine
- If it is hard for you to leave home because of an injury, disability, or medical or mental health condition, you can ask for an in-home appointment. For more information and to schedule, call **206-848-0243**.
- For interpretation services or help with scheduling, call **1-800-525-0127**. Press # and say your preferred language when you're connected.
- For disability accommodations, email:
PublicHealthAccommodations@kingcounty.gov

COVID-19 vaccines are free and available regardless of your health insurance, citizenship, or immigration status.

Last Updated: May 2023
