

Getting Vaccinated

JUST GOT EASIER

Thousands of appointments now available!

COVID-19 vaccine is now available in locations throughout King County. **Anyone age 16 and over is eligible!** Vaccination is free and available regardless of insurance, citizenship, or immigration status.

At a high-volume vaccination site

- You can get vaccinated at any high-volume vaccination site, including in Kent, Auburn, Seattle, Renton, Redmond, and Shoreline (more sites coming soon). Choose a site at kingcounty.gov/vaccine.
- These sites are ADA accessible and have language and ASL interpretation available. If tactile interpretation is needed: <http://seattledbcs.org>
- King County sites at Kent accesso ShoWare Center and the Auburn Outlet Mall have a huge # of appointments available: kingcounty.gov/covid/registration.
 - Regular hours are Monday - Saturday, 8:30 a.m. - 5:30 p.m. Check kingcounty.gov/vaccine for availability of special evening and Sunday events.
 - Walk-in vaccinations at each location daily, Monday - Saturday, 9 a.m.-4 p.m.

At a pharmacy or healthcare provider

- Find vaccination by zip code using Washington State's Vaccine Locator (select language in top-right corner drop-down menu): VaccineLocator.doh.wa.gov

Schedule by phone

- Call the King County COVID-19 Call Center any day, 8 AM -7 PM, at 206-477-3977. Interpreters available. State your language when connected.
