

OPEN HOUSE

on Baring Bridge 509A replacement alternatives

STOP BY OUR OPEN HOUSE

Baring Bridge community open house
Saturday, Jan. 26 from 10:30 a.m. – noon
King County Fire District 50,
64110 NE Index Creek Road, Baring, WA

King County will hold a community open house on Saturday, Jan. 26 regarding potential options for replacing Baring Bridge 509A.

Despite the County's continuous repair, retrofit and replacement of the bridge's structures over the years, the timber structures, including the towers, continue to deteriorate. The County is currently working with a project design consultant to analyze potential options for replacing the bridge.

At the open house, residents will be able to speak directly with the project team from the King County Road Services Division and the consultant.
