

# Upcoming Open House

## Coal Creek Bridge 3035A Replacement Project

King County will hold a community open house for the Coal Creek Bridge 3035A Replacement Project. Over the years, the county has performed repair and retrofit work to the bridge along SE Lake Walker Road near Black Diamond, but its timber structures continue to decay, and its steel structures continue to corrode.

At the open house, residents and other stakeholders will be able to speak directly with the project team from the King County Road Services Division and view the display boards of the project.

### Coal Creek Bridge community open house

**Tuesday, March 26, 6:00–7:30 p.m.**

Enumclaw Fire Department Cumberland Station:  
35431 Veazie-Cumberland Road, Enumclaw, WA 98022
