Such notification shall provide 90 days for the affected employer to perform a baseline measurement consistent with the measurement requirements specified by the City of Renton.

3. Affected employers that, for whatever reason, do not receive notice within 30 days of passage of the ordinance and are either notified or identify themselves to the City of Renton within 90 days of the passage of the ordinance will be granted an extension to assure up to 90 days within which to perform a baseline measurement consistent with the measurement requirements specified by the City of Renton.

4. Affected employers that have not been identified or do not identify themselves within 90 days of the passage of the ordinance and do not perform a baseline measurement consistent with the measurement requirements specified by the City of Renton within 90 days from the passage of the ordinance are in violation of this ordinance.

5. If an affected employer has already performed a baseline measurement, or an alternative acceptable to the City of Renton, under previous iterations of this ordinance, the employer is not required to perform another baseline measurement.

1. Employers meeting the definition of "affected employer" in this ordinance must identify themselves to the City of Renton within 90 days of either moving into the boundaries outlined in the CTR Plan adopted in RMC 10-13-2 or growing in employment at a worksite to one hundred (100) or more affected employees. It is the responsibility of the employer to notify the City of Renton that it is no longer an affected employer. The burden of proof lies with the employer.

2. If the same employer returns to the level of one hundred (100) or more affected employees within the same twelve (12) months, that employer will be considered an affected employer for the entire 12 months and will be subject to the same program requirements as other affected employers.

3. If the same employer returns to the level of one hundred (100) or more affected employees twelve (12) or more months after its change in status to an "unaffected" employer, that employer shall be treated as a newly affected employer and will be subject to the same program requirements as other newly affected employers.

10-13-8 Schedule and Process for CTR Program Description and Report

A. Document Review

The City of Renton shall provide the employer with written notification if a CTR program is deemed unacceptable. The notification must give cause for any rejection. If the employer receives no written notification of extension of the review period of its CTR program or comment on the CTR program or annual report within 90 days of submission, the employer's program or annual report is deemed accepted. The City of Renton may extend the review period up to 90 days. The implementation date for the employer's CTR program will be extended an equivalent number of days.

B. Schedule

Upon review of an employer's initial CTR program, the City of Renton shall establish the employer's regular reporting date. This report will be provided in a form provided by the City of Renton consistent with RMC 10-13-6C.

2. The employer can demonstrate that compliance with the program elements would constitute an undue hardship.
3. The City of Renton may ask the employer to substitute a program element of similar trip reduction potential rather than grant the employer's request.

D. Extensions

An employer may request additional time to submit a CTR Program Description and Report, or to implement or modify a program. Such requests shall be via written notice at least 30 days before the due date for which the extension is being requested. Extensions not to exceed 90 days shall be considered for reasonable causes. The City of Renton shall grant or deny the employer's extension request by written notice within 10 working days of its receipt of the extension request. If there is no response issued to the employer, an extension is automatically granted for 30 days. Extensions shall not exempt an employer from any responsibility in meeting program goals. Extensions granted due to delays or difficulties with any program element(s) shall not be cause for discontinuing or failing to implement other program elements. An employer's regular reporting date shall not be adjusted permanently as a result of these extensions. An employer's annual reporting date may be extended at the discretion of the City of Renton.

E. Implementation of Employer's CTR Program

An exemption may be granted if and only if the affected employer demonstrates that it faces extraordinary circumstances, such as bankruptcy, and is unable to implement any measures that could reduce the proportion of drive alone trips and VMT per employee. Exemptions may be granted by the City of Renton at any time based on written notice provided by the affected employer. The notice should clearly explain the conditions for which the affected employer is seeking an exemption from the requirements of the CTR program. The City of Renton shall review annually all employers receiving exemptions, and shall determine whether the exemption will be in effect during the following program year.
