

North Link Connections Mobility Project

Route 68 – New

Neighborhoods Served:

- Northgate, South Lake Union, Uptown, Interbay

Summary of Proposed Changes:

- New Route 68 would provide new express service between Northgate, South Lake Union, Uptown and Interbay via the I-5 Express Lanes.

Why is this change being proposed?

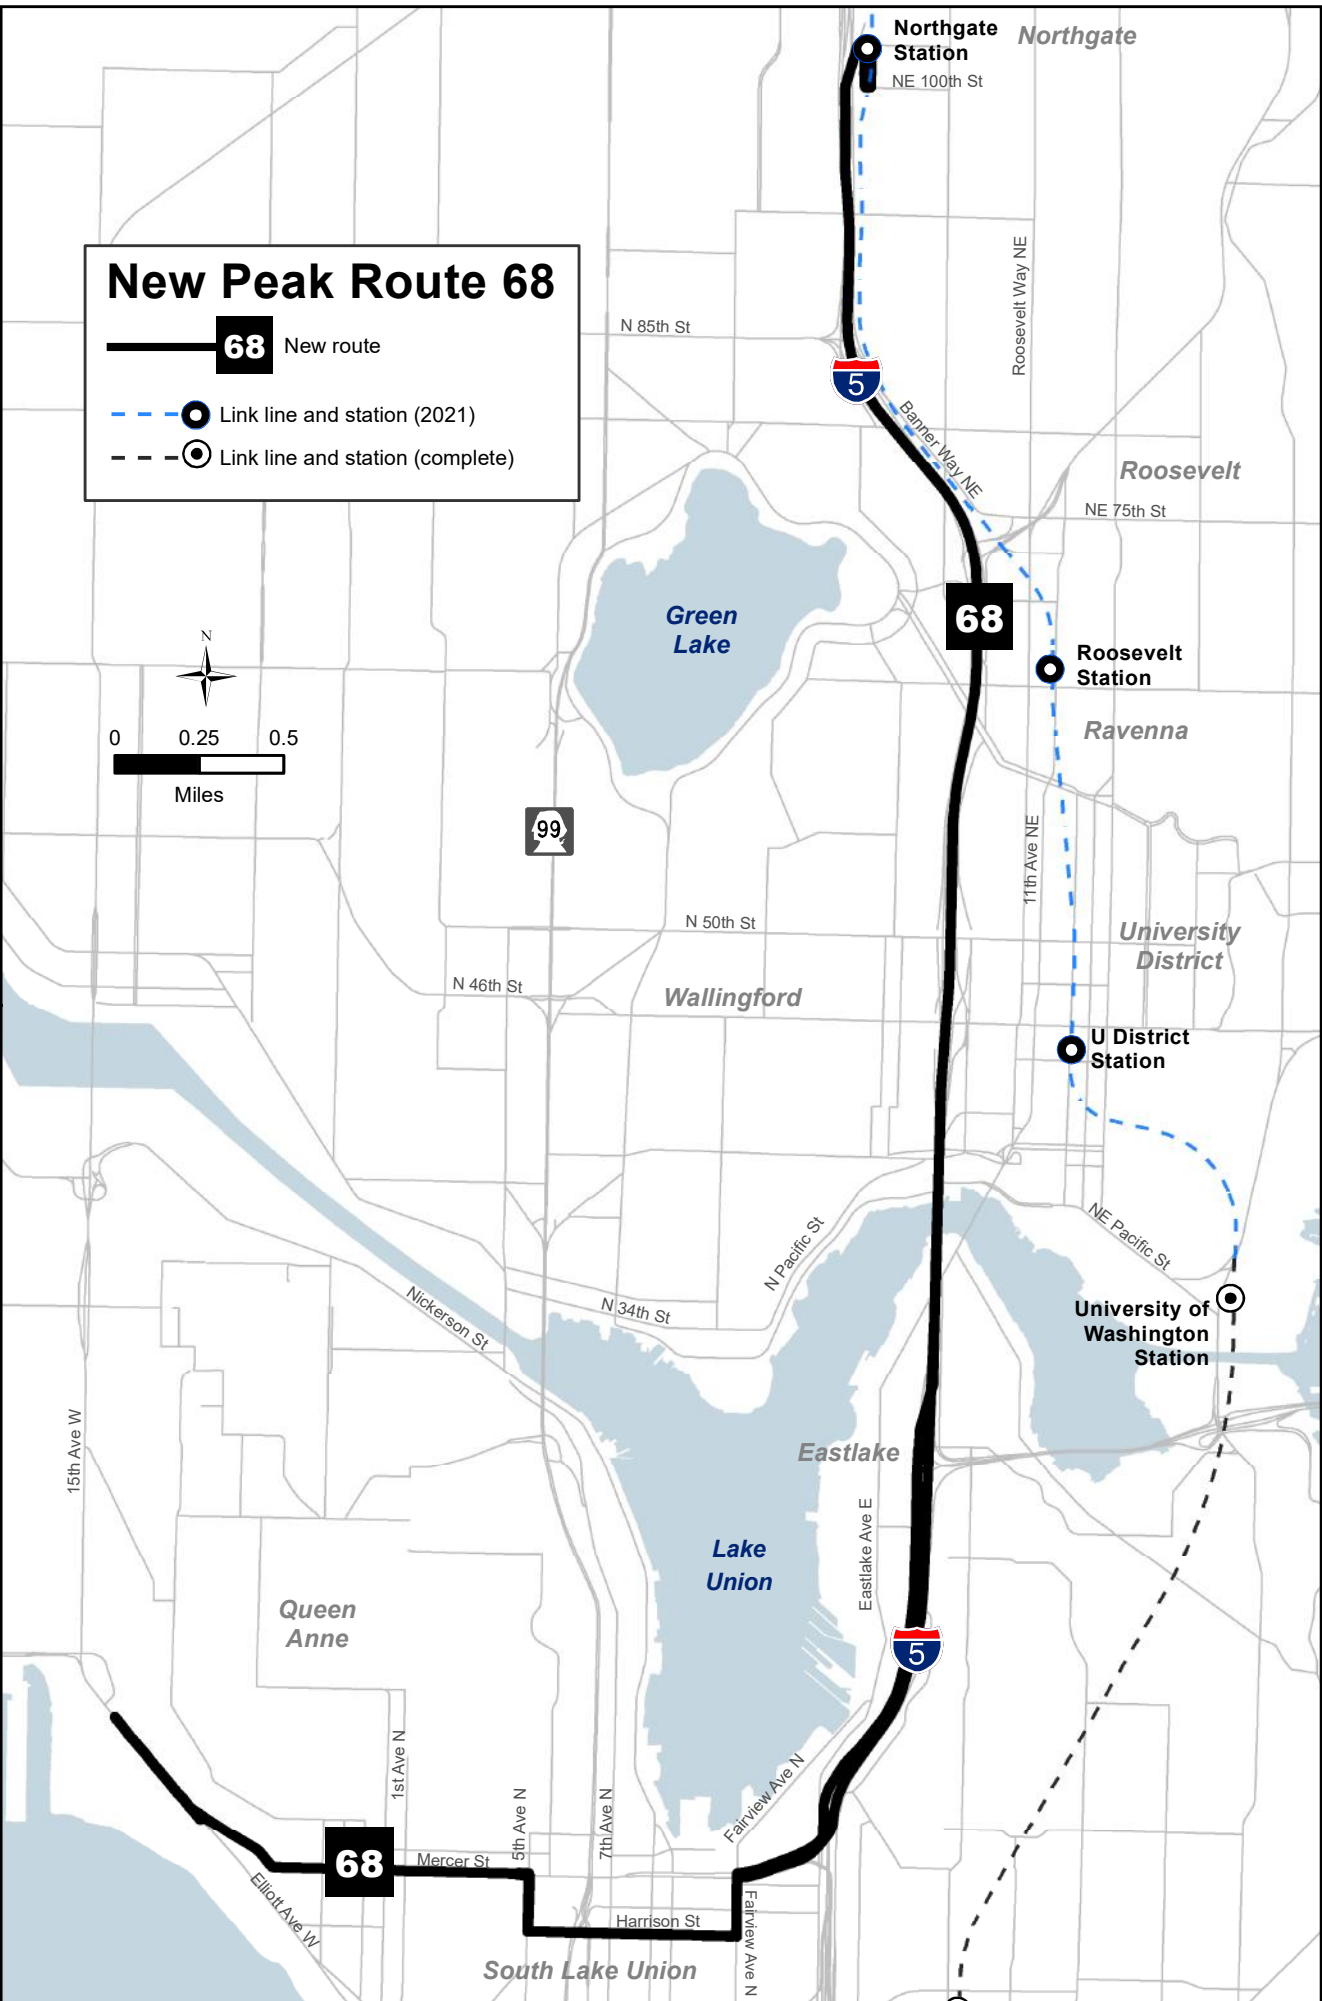

- To provide new and improved connections between Northgate and South Lake Union, Uptown and Interbay.

How often the bus would come:

- **Service Level: Peak**
- **Days of Operation: Weekdays**

How does this respond to feedback Metro received in Phase 1?

- Provide connections to South Lake Union and Interbay.
