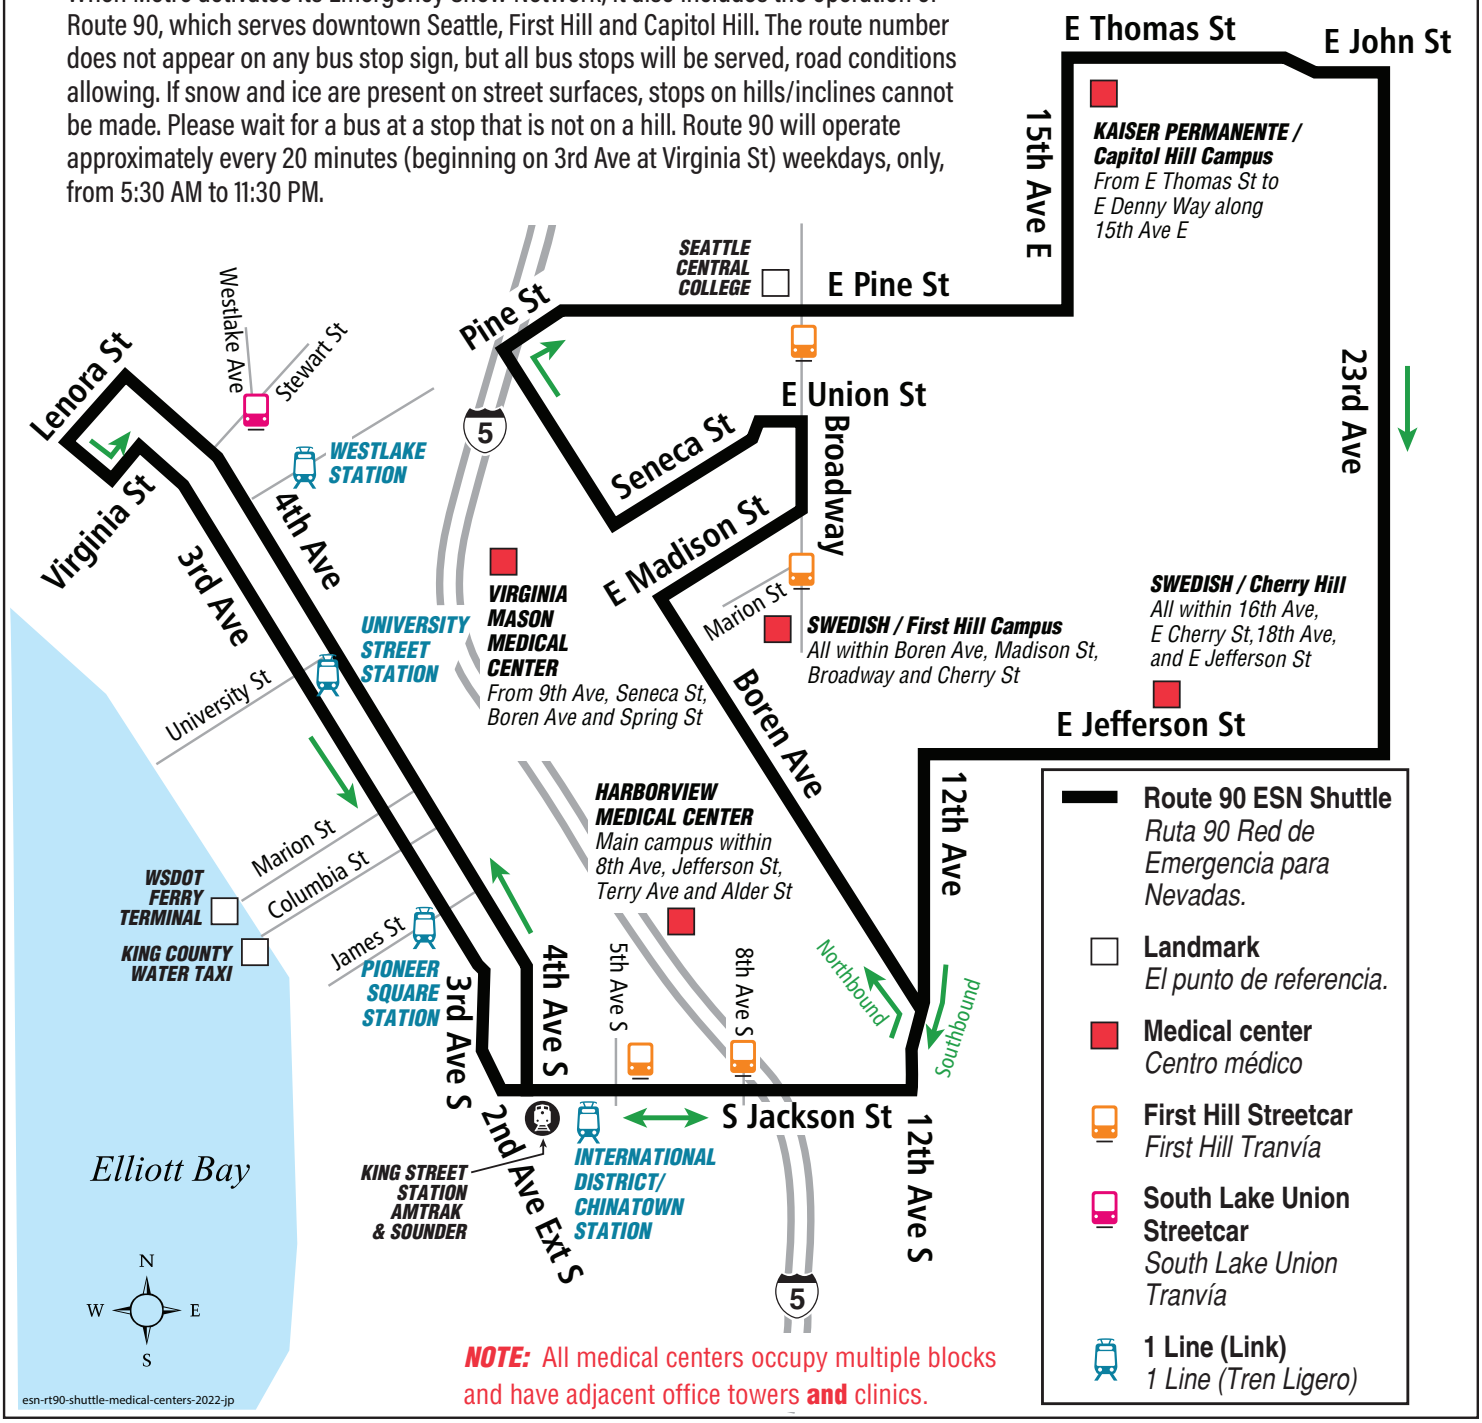
### Special snow service

When Metro activates its Emergency Snow Network, it also includes the operation of Route 90, which serves downtown Seattle, First Hill and Capitol Hill. The route number does not appear on any bus stop sign, but all bus stops will be served, road conditions allowing. If snow and ice are present on street surfaces, stops on hills/inclines cannot be made. Please wait for a bus at a stop that is not on a hill. Route 90 will operate approximately every 20 minutes (beginning on 3rd Ave at Virginia St) weekdays, only, from 5:30 AM to 11:30 PM.



***NOTE:*** All medical centers occupy multiple blocks and have adjacent office towers **and** clinics.
