Snow/Emergency Service Servicio de emergencia/nieve

During most snow conditions these routes will operate via the snow routing shown in this timetable. In the rare event that Metro cancels an emergency service, these routes will continue to operate as designated Emergency Snow Network routes. During such an event, they are expected to operate with the same route numbers and follow the same snow-routing as shown in this timetable. To check current service, snow-route network and snow sign up for Transit Alerts to stay informed during adverse conditions.

Duran la mayoría de las nevadas, estas rutas operarán por los recorridos para nevadas que se muestran en este programa. En el caso poco frecuente de que Metro declare una emergencia, estas rutas seguirán operando como rutas designadas de la red de Emergencia para Nevas. En ese caso, se espera que operen con los mismos números de rutas y que sigan los mismos recorridos para casos de neve que se muestran en este programa. Visite kingcounty.gov/metro y registrese por Alertas de Transporte y mantenerse informado durante las condiciones adversas.

### ORCA Card

Metro Transit and nine other Puget Sound transportation providers (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi, the Seattle Center Monorail and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as a cash or pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcacard.com, by phone at 1-888-988-6722 (ORCA) or WA Relay: 711 (1-888-988-6388), at ticket vending machines in Sounder and Link rail stations, or at one of the transit agency customer service offices. The ORCA website also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.

Holiday Information Información sobre feriados

### How to Read a Schedule

1. **Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the day of travel.**
2. **Timetable grid** select bus stops along the route that correspond to times listed under each location and to timepoint dots on the map. The route that corresponds to the beginning of the route (on the left) and the end (on the right). If you are boarding at a stop between two timepoints, use the earlier time as a guide.
3. **Bus stop number.**
4. **Read down the column to find the time your bus leaves the terminal.**
5. **Read across the row to find the time your bus arrives at the next location.**
6. **If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.**
7. **A dash in the column means the bus does not serve that timepoint.**
8. **Refer to the Special Service Information section for changes in route or service during unique aspects of service on this route.**
