**Route 73**

**Suspended Service**
Due to the COVID-19 pandemic, resulting in much-reduced ridership on many of Metro’s routes, Route 73 will be suspended for the duration of the service period March 20 through September 17, 2021. Whether or not service will be resumed in September 2021 will depend on expected ridership and budget availability. Please visit Metro’s website for more information on route suspensions and reduced schedules.

**Snow/Emergency Service**
Servicio de emergencia/nieve
During most snow conditions, this route will operate via the snow routing shown in this timetable. In the rare event that Metro declares an emergency, it will not operate. Visit kingcounty.gov/snwg and sign up for Transit Alerts to stay informed during adverse conditions.

**Night Stop Program**
For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 pm to 4 am and is for dropping off riders only. Night Stop is not provided in downtown Seattle.
