Snow/Emergency Service
Servicio de emergencia/nieve
During most snow conditions this route will operate via the snow routing shown in this timetable. In the rare event that Metro declares an emergency, this route will continue to operate as a designated Emergency Snow Network route. During such an event, it is expected to operate with the same route number and follow the same snow routing as shown in this timetable. Visit kingcounty.gov/metro/snow and sign up for Transit Alerts to stay informed during adverse conditions.

Due to the majority of the snow, this route will operate on a route designed to handle the Rueda de nieve. In case of heavy snow, Metro will operate on the designated Emergency Snow Network route. Visit kingcounty.gov/metro/snow and sign up for Transit Alerts to stay informed during adverse conditions.

Night Stop Program
For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 pm to 5 am and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

How to Read a Schedule
1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the day of travel.
2. Timepoints are listed for bus stops along the route that correspond to times listed under each location and to timepoints dots on the map. Timepoints are listed from the beginning of the route (on the left) to the end (on the right). If you are boarding at a stop between two timepoints, use the earlier time as a guide.
3. Bus stop number.
4. Read down the column to find the time your bus leaves the timepoint.
5. Read across the row to find the time your bus arrives at the next timepoint.
6. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.
7. A dash in the column means the bus does not serve that timepoint.
8. Refer to the Special Service Information section for any changes in routing or other unique aspects of service on this route.
