Metro Card
Metro Transit and nine Puget Sound public transportation providers (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi, the Seattle Center Monorail and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcacard.com, by phone at 1-800-888-6722 (ORCA) or WA Relay: 711 (1-888-889-6368), at ticket vending machines in Seattle Transit, Seattle Streetcar, King County Water Taxi, the Seattle Center Monorail and Washington State Ferries; use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Night Rider Tip
You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don’t want to miss you!

Night Stop Program
For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 p.m. to 6 a.m. and is dropping off riders only. Night Stop is not provided in downtown Seattle.

VanShare
You know a good thing when you ride!
Let VanShare bridge the gap in your commute. Starting a vanshare is simple. You just need five people including a volunteer driver. Use it to make the connection to your final destination from any transportation terminal.
To start a Vanshare, phone us at 206-625-4500 or e-mail us at VanShare@kingcounty.gov. Link to our web page through Metro at kingcounty.gov/metro

Route 224 Service Information

Duvall accessible dial-a-ride transit (DART) offers you two transportation services: fixed and [limited] variable routing.

Route 224 provides DART service in Duvall in an area bounded loosely by Main St/Duvall-Monroe Rd NE on the west, NE Rupert Rd and NE152nd St on the north, Marion Way NE and Ballard Bay Rd NE on the east, and NE Big Rock Rd on the south (see map), at the following times:

• Monday–Saturday 9 a.m. - 3 p.m.

Reservations / Variable Routing
You can request all-route trips in DART within the DART service area by calling the DART reservation office. You need to make your trip request at least two hours before you want the bus to be picked up, and you can make your reservations for 30 days at a time, up to 30 days in advance. Reservations cannot be taken on a first-come, first-served basis. Reservations can be made by calling 1-866-261-DART (3278) (voice) or 1-800-246-1064 (TTY) during the following hours:

• Monday–Friday 9 a.m. - 5 p.m.
• Saturday 7:30 a.m. - 9:30 p.m.
• Sunday/holidays 9:30 a.m. - 6:30 p.m.
Leave a message at all other times

Make reservations online at

A limited number of off-route deviations, only, can be made on any given trip. Vans can deviate from their fixed route service to other locations in the service area, but they cannot necessarily provide door-to-door service due to safety and other operational considerations (narrow streets, cul-de-sacs, etc.). You may need to board/depot at a block or more away from the location you requested.

Scheduled Service / Fixed Routing
Please refer to the schedules for trip times on the fixed route. At the Redmond Transit Center, transfers can be made to routes serving Seattle, Bellevue and other regional destinations. For more information, call Metro’s Rider Information at 206-553-3600.

How to Read a Schedule
1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the day of travel.
2. Transcribe the stop numbers along the route that correspond to times listed under each location and to timepoint stops on the map. Timepoints are listed from the beginning of the route (on the left) to the end (on the right). If you are boarding at a stop between two timepoints, use the earlier time as a guide.
3. Bus stop number.
4. Read down the column to find the time your bus leaves the timepoint.
5. Read across the row to find the time your bus arrives at the next timepoint.
6. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.
7. A dash in the column means the bus does not serve that timepoint.
8. Refer to the Special Service Information section for any changes in routing or other unique aspects of service on this route.
