Night Rider Tip

You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don't want to miss you!

Night Stop Program

For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 pm to 5 am and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

Priority Seating

All Metro buses are wheelchair accessible. Designated seats in the front of buses are reserved for seniors and people with disabilities. If you are occupying one of these seats when a person with greater need boards, please offer it to that person. ORCA Card

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi, the Seattle Center Monorail and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orccard.com, by phone at 1-888-988-6722 (ORCA) or WA Relay: 711 (1-888-889-6368), at ticket vending machines in Sounder and Link rail stations, or at one of the transit agency customer service offices. The ORCA website also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.

How to Read a Schedule

- 1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the day of travel.
- 2. Timepoints are select bus stops along the route that correspond to times listed under each location and to timepoint dots on the map. Timepoints are listed from the beginning of the route (on the left) to the end (on the right). If you are boarding at a stop between two timepoints, use the earlier time as a guide.
- 3. Bus stop number.
- 4. Read down the column to find the time your bus leaves the timepoint.
- 5. Read across the row to find the time your bus arrives at the next timepoint.
- 6. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.
- 7. A dash in the column means the bus does not serve that timepoint.
- 8. Refer to the Special Service Information section for any changes in routing or other unique aspects of service on this route.
