How to Read a Schedule

- 1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the day of travel.
2. Timepoints are select bus stops along the route that correspond to times listed under each location and to timepoint dots on the map.
3. Bus stop number.
4. Read down the column to find the time your bus leaves the timepoint.
5. Read across the row to find the time your bus arrives at the next timepoint.
6. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.
7. A dash in the column means the bus does not serve that timepoint.
8. Refer to the Special Service Information section for any changes in routing or other unique aspects of service on this route.

Metro buses have bike racks that hold three bikes and are easy to use. There is no extra charge for your bike. Follow the instructions posted near the rack.
