

Snow/Emergency Service Servicio en caso de nieve o emergencia

During most snow conditions this bus will follow the special snow routing (if required) shown on the map. If Metro declares an emergency, it will operate on an **Emergency Snow Network** plan. During such an event, it is expected to operate with the same route number and follow the same snow routing as shown in this timetable. Visit kingcounty.gov/metro/snow to register for **Transit Alerts** and to learn more.

En la mayoría de las condiciones de nieve, este autobús seguirá la ruta especial en caso de nieve como se indica en el mapa. Si Metro declara una emergencia, operará de acuerdo con un plan de Red de emergencia en caso de nieve. En ese caso, se espera que opere con el mismo número de ruta y que siga el mismo recorrido para casos de nieve que se muestran en este programa. Visite kingcounty.gov/metro/snow para registrarse y recibir las alertas de transporte público y obtener más información.
