

Community Van Volunteer Driver Selection Criteria

	Driver Eligibility Criteria
✓	1. Age. At least 21 years of age.
✓	2. License & Experience. Must have a current and unrestricted Washington State Driver's license and have driven for at least five years. Restrictions for glasses or contact lenses are acceptable. Others must be reviewed in light of question 6 below.
✓	3. Insurance History. Cancellation or non-renewal within the past five years will be closely analyzed. If the action is related to the applicant's driving behavior, this will result in not being accepted.
✓	4. License Suspension or Revocation. Anyone reporting a suspension or revocation of driver's license within the past five years will not be accepted. Also unacceptable is any applicant reporting a suspension or revocation of license within the past 10 years for Reckless Driving, Hit & Run, Leaving the Scene of an Accident, Driving While Under the Influence of Alcohol and/or Drugs, Driving While Impaired, Felony, or concurrent Violations of Lane Changing.
✓	5. Medical Conditions. The highest health standards are required for van drivers. Any condition that would impair a driver's ability to operate the van may result in not being accepted. (Poor eyesight that is correctable by lenses is acceptable.) If necessary, Metro may require a physical examination to make a determination.
✓	6. Accidents. A preferred driver will be accident-free for at least three years. However, an otherwise superior driver may have not more than one non-preventable accident within three years.
✓	7. Violations. A preferred driver will have no violations for the past three years (except parking citations). This will be confirmed by checking state records.
✓	8. Alcohol & Drugs. An applicant who reports any alcohol- or drug-related charge within the past 10 years will not be accepted.
✓	9. Certificate of Financial Responsibility (CFR). An applicant who has had to file a CFR due to his or her personal driving record will not be accepted.
✓	10. Other Autos. The preferred driver will have at least one auto.
