RideshareOnline.com

Powered by brilliant commuters. Like you.

Longest running. Biggest selection.

Since 2001, RideshareOnline.com has been Washington State's largest online resource for finding others to share the ride with. Since 2010, more than 260,000 commuters have used the site to find matches, record their trips, and win prizes.

Thousands of users search the system daily for others to carpool with. On top of that, most public vanpool agencies enter their vanpool groups into the system as well, increasing chances of finding a match.

All across the State, employers, cities, transit agencies, schools, and other networks use RideshareOnline.com to help people like you find a better way to travel.

Keep more money in your pocket!

A carpool with just one other person will save the average commuter nearly \$3,000 per year in gas expenses alone – not to mention reduced wear and tear on their vehicle. A vanpool will save you even more—plus public vanpools ride free on state-tolled facilities. Some employers even pay for their participating employees' vanpool fares!

Record trips for reward opportunities!

You might even be able to win rewards with RideshareOnline.com on top of saving money. On average, over \$500,000 per year in rewards is awarded to users who record their non-drive alone trips on the RideshareOnline.com calendar!

Be up and running in no time!

Signing up is a snap and can be done in no time with just your name, phone number, email, and a password. The mobile-friendly interface makes it super easy to search for matches whether you are on a phone, tablet, or your computer.

Give yourself even more opportunity to win rewards! Sign up with your work email and use your home and work addresses, to be automatically included in any employer, city, or agency networks that might be in the system. Then, if they offer any incentive programs, qualifying trips you record on your calendar will give you a chance to win their rewards.

The screenshot displays the RideshareOnline.com mobile application interface. At the top, there are four navigation tabs: "Sign In", "Matchlist", "Manage Trips", and "Access Other Features". Below the tabs, the "Matchlist" section is active, showing a list of search results for a trip from Tacoma, WA to Seattle, WA. The results include options for Carpools, Vanpools, Transit, and BikePools, each with a corresponding icon and a "Driving Alone" option. A map view is also visible, showing the route between the two cities. On the right side, there is a sidebar with additional options: "Add Trips", "Trip Log Calendar", "Dashboard/Savings", and "Reward History".
