Threshold Determination

The responsible official finds that the above-described proposal does not pose a probable significant adverse impact to the environment. This finding is made pursuant to RCW 43.21C, KCC 20.44 and WAC 197-11, after reviewing the environmental checklist and other information on file with the lead agency, considering the extent to which the proposed action may cause adverse environmental effects in excess of those created, or mitigated, by existing regulations. The responsible official finds this

information reasonably sufficient to evaluate the environmental impact of this proposal and conclude the proposed action will not have a significant impact to the environment. THIS INFORMATION IS AVAILABLE TO THE PUBLIC ON REQUEST (for a nominal copying fee or by email).

THIS DETERMINATION OF NON-SIGNIFICANCE (DNS) is issued under Washington Administrative Code (WAC) 197-11-340(2). The lead agency will not act on this proposal until after **December 21, 2020**. Comments must be received by King County Department of Local Services prior to **4:00 PM** on that date.

For additional information, please contact the proponent's contact or the responsible official listed above.
