Project Name: ST3 DRLE Osprey Nest Relocation	File No.: CAEX19-0001
Applicant: Sound Transit Attn: Ellie Ziegler 401 S Jackson Street Seattle, WA 98104 Ellie.Ziegler@soundtransit.org	Permitting Project Manager: Kevin LeClair Phone No.: 206-477-2717 E-Mail: kevin.leclair@kingcounty.gov Date Application Filed: January 28, 2019 Date Determined Complete: February 6, 2019 Date of Mailing: February 27, 2019
Project Location: The project site is located in the northeast corner of Marymoor Park, just south of the Highway 520 right-of-way. The nest will be moved to a new pole in a wetland buffer on the south side of NE Marymoor Way. See the site plan. All work is within King County parcel no. 122505-9037.	
Project Description: Relocation an existing osprey nest from a pole-mounted platform to a new pole-mounted platform in a wetland buffer on the south side of NE Marymoor Way within the park. Existing pole and nest is being moved to make way for proposed light rail extension across the northern edge of the park.	
Permit requested in this application: Critical areas alteration exception	
Environmental review is required and relevant environmental documents are available on-line at www.kingcounty.gov/permits, or at the above address.	
SEPA Environmental Review: Sound Transit, acting as SEPA lead agency issued the East Link Extension Final Environmental Impact Statement (FEIS) on July 15, 2011. The FEIS and its three addenda are adopted by reference. Copies of the FEIS and addenda can be obtained from Sound Transit's website at: www.soundtransit.org	
Consistency with applicable County plans and regulations: This proposal will be reviewed for compliance with all applicable King County codes including Roads Standards, Surface Water Design Manual, Zoning, Grading and Critical Areas Codes.	
Other permits not included in this application, known at this time: A building permit will be required for the new pole installation.	

You are receiving this notice because King County property records indicate that you own property within 500 feet of the proposed project described above.

The Department of Local Services, Permitting Division (DLS-Permitting) will issue a written decision on this application following a **21-day public comment period which ends March 25, 2019**. Written comments on this application must be submitted to DLS-Permitting at the address above. A public hearing is not required for this application prior to the decision. However, the decision may be appealed to the King County Hearing Examiner, who would conduct an appeal hearing prior to making a decision on the appeal. Details of the appeal process will be included in the notice of decision.

Any person wishing additional information on this proposed project should contact the Project Manager at the phone number or e-mail listed above. You may review the application and any environmental documents or studies in our Snoqualmie office, or at www.kingcounty.gov/permits/.

NOTE: To request this information in alternative formats for people with disabilities, please call 206-296-6600 or TTY Relay: 711.

If you wish to receive a copy of the decision on this application, complete and return the portion below to the Department of Local Services, Permitting Division at the address listed above.
