Our notice of hearing in this (and every) case states that if the school district announces a district-wide school closure, our hearing will be automatically postponed. With the Governor announcing a state of emergency and closing all area schools through at least April 24, and with the health-related warnings on public gatherings, we will not be holding our public hearing on April 14.

Thus, we convert our **10:00 a.m., Tuesday, April 14, 2020**, hearing on the merits into a telephonic status conference to discuss a plan for how and when we can address the merits in the future.

To connect to the conference, please call **1 + (206) 263-8114** Conference ID: **5804817#** or click link to join on Skype: [Join Skype Meeting](#) Trouble Joining on Skype? [Try Skype Web App](#)
