SEPA Threshold Determination – A determination of non-significance was issued by the King County Department of Natural Resources and Parks-Recreation Division on March 1, 2018. No appeal to this decision was filed. For information on SEPA decision, contact SEPA Agency Contact noted above.	
Consistency with applicable County plans and regulations: This proposal will be reviewed for compliance with all applicable King County Codes, including Shorelines, Road Standards, Surface water Design Manual, Zoning, Building, Grading and Critical Areas Codes.	
Other permits not included in this application, known at this time: Building permit NONB18-0017	

The Department of Permitting and Environmental Review (DPER) will issue a decision on this application following a minimum, **30-day public comment period which ends August 21, 2018.** Written comments on this application must be submitted to DPER at the address below. A public hearing is not required for this application prior to the DPER decision. However, the DPER decision may be appealed to the Shoreline Hearings Board, who would conduct an appeal hearing prior to making a decision on the appeal. Details of the appeal process will be included in the notice of decision.

Any person wishing additional information on this proposed project should contact the Project Manager at the phone number or e-mail listed above. You may review the application and any documents or studies in our Snoqualmie office, or at www.kingcounty.gov/permits/.

NOTE: To request this information in alternative formats for people with disabilities, please call 206-296-6600 or TTY Relay: 711.

If you wish to receive a copy of the DPER Report and Decision on this application, complete and return the portion below to the Department of Permitting and Environmental Review at the address listed above.
