CERTIFICATION TO CONNECT TO FUTURE GROUP A WATER SYSTEM

Grantor (s): (Last Name, First Name, Initials)	
Assessor's Property Tax Parcel/Account:	
Property Legal Description:	
Permit/Reference #:	

The property described herein is not currently located within an approved water service area with a Group A water system approved by King County or within the approved service area of an individual water system plan of a Group A system. Grantor here acknowledges that should this property be annexed into a water service area with a Group A water system approved by King County or into the approved service area of an individual water system plan of a Group A system, future development of the property may require connection to the Class A water system upon availability of such water service and that the property owner would be required to pay all costs of connection.
