Preferred Wetland Consultants

Disclaimer: This list does not constitute a recommendation for consultants. The consultants on this list have experience working with standard residential building permits within King County and meet the County criteria for approval to be placed on this list. Inclusion on this list does not guarantee that the consultant has experience in other areas of expertise that may be necessary for the applicant's project. Findings presented in a report to the County as part of a permit application are subject to verification by the County.
