Residential Mechanical Permit, continued

Project Type	Activity Type
Single family residential	Repair or Replace
Single family condo	Alteration
Townhome	

Mechanical Fixtures

Furnace	Heat Pump
Wood Stove	Air Conditioner
Fireplace insert – gas	Fireplace – manufactured
Hydronic piping	

Please Note: If a propane tank is being installed, a separate fire permit is also required for the tank. For information on fire permits in unincorporated King County, call 206-296-6600, email DPERWebInquiries@kingcounty.gov or see the [Fire Systems packet](#).

A fee of \$159 is charged for the mechanical items listed above. Make checks payable to *King County Office of Finance*.

The undersigned certificant declares:

1. That the certificant is competent to be a witness herein;
2. That the certificant is the applicant for the above project;
3. That to the best of the certificant's knowledge, the critical areas on the development proposal site have not been illegally altered, and
4. That the certificant has not previously been found to be in violation of critical areas regulations for any property in King County, or alternatively, that if there have been any violations, such violations have been cured to the satisfaction of King County.

I certify under penalty of perjury and under the laws of the State of Washington the foregoing is true and correct. I further certify that all easements, deed restrictions, or other encumbrances restricting the use of the property are shown on the site plans submitted with this application. We, (I), have been given authorization from the property owner to obtain this permit. **I accept financial responsibility for all fees** associated with this permit or approval and will receive any refunds. Please mail any refunds to the address above.
