Note for applicants preparing this application form:

The burden is on the applicant to provide adequate justification supporting a reasonable use exception request. In order to approve this application, the Responsible Official must find that the request meets the criteria for approval as specified in King County Code (KCC) 21A.24.070.

Applicants must answer the following questions accurately and concisely. As necessary, use additional pages for detailed explanations and/or attachments that support this request.

1. Describe the development proposal and purpose of this request.

2. Are there any other applications filed with the Department of Permitting regarding this development proposal?
 Yes No If yes, list the Permitting File Numbers.

3. Explain how the application of specific Critical Area regulations would deny all reasonable use of the property. "Reasonable Use" is a legal concept that has been articulated by federal land state courts in regulatory taking cases. (See KCC 21A.06.950.)

4. Are there any other reasonable uses that could be established on the subject property with less impact on the critical areas? Yes No Explain.

5. Justify that the proposed development does not pose an unreasonable threat to the public health, safety or welfare on or off the development proposal site.

6. What probable impacts to public health, safety or welfare on or off the development proposal site will result from this development proposal?
7. Explain what alterations are proposed to the critical area or its buffer. If any such alterations are proposed, a mitigation plan must be submitted with this application.
8. Are the proposed alterations to critical areas the minimum necessary to allow for reasonable use of the property? Yes No Explain.
9. If alterations to a critical area are proposed, explain how the proposal complies with the criteria for a mitigation plan. (Note: Mitigations are referenced in KCC 21A.24.130.)

10. List the State Environmental Policy Act (SEPA) documents which have been prepared for this development proposal, if any.

11. List the Special Studies which have been prepared for this development proposal, if any.

Applicants may submit any additional information (critical areas studies, sketches, site plans, engineering reports, petitions, photographs, etc.) which may justify, clarify, or assist in the review of the requested Reasonable Use Exception. The Department of Permitting may, at any time, request further information or studies for these purposes.
