Filing an Innocent Purchaser Affidavit is a process established by state and county law that allows county recognition of property as a separate lot when said property is purchased for fair value and without knowledge that it was sold in violation of state and local subdivision laws. To accomplish this process, the applicant signs and dates an Innocent Purchaser Affidavit (see page two).

The recognition of property as a separate lot does not necessarily entitle an owner to permits for property development. Development permits will be issued dependent on consistency with pertinent county ordinances.

King County Code (KCC) 19A.08.090 allows individuals to be recognized as innocent purchasers on a "one-time-only" basis. Therefore, all property in question, for which innocent purchaser status is sought, needs to be included in a single request for consideration.

Please complete the Innocent Purchaser Affidavit on page two by providing all pertinent information as requested:

1. Complete the applicant information at the top of the affidavit form. You must include the tax lot number (see Assessor's Map) for the purchased parcel.
 - Paragraph 1 – Please provide the purchase date and both the legal and common description of the property.
 - Paragraph 2 – List and attach all documents related to the purchase of said property; include copies of earnest money agreements, purchase and sale agreements, real estate contracts and/or advertising representations made by the seller that show compliance, on the seller's part, with state and local laws regarding the subdivision of property.
 - Paragraph 3 – Indicate the purchase price of the property and attach any copies of appraisals upon which fair market value can be determined.
 - Paragraph 4 – Indicate all of applicant's previous experience in requesting innocent purchaser status in King County.
2. Provide copy of earliest deed describing the subject lot. This is available from a title insurance company.
3. Provide copy of your deed or real estate contract.
4. Provide copy of title report.
5. Provide copy of current Assessor's map.
6. Provide fee. For current fee estimates, see [permit fees](#) on the Permitting Web site at www.kingcounty.gov/permits (look for innocent purchaser affidavits under the "Subdivision miscellaneous" listing).

Please submit the above material together with the current fee for innocent purchaser requests to the Department of Permitting and Environmental Review. If further information or explanation of the enclosed statement is required, please call 206-296-6600.
