For guidance about records not listed, please contact the Records Management Program.

Public records covered by record series on this records retention schedule must be retained for the required retention periods as described on this schedule. Public records designated as Permanent or Archival must not be destroyed. Public records designated as Potentially Archival must be appraised by the King County Archivist before disposition. This records retention schedule is subject to revision due to changes to local, state or federal regulations.

Approved documentation is required before any records listed on this records retention schedule can be dispositioned (destroyed or transferred to the King County Archives). Records filed to and managed within the KC ERMS will be dispositioned from within the KC ERMS and documentation will be maintained by the Records Management Program. Disposition of records managed outside of the KC ERMS must be documented on forms provided by the Records Management Program at <http://kcweb.metrokc.gov/archives/forms.aspx>.
