First and foremost, RASKC would like to acknowledge and thank our foster volunteer community.

Whether this is your first time fostering, or perhaps you have had experience by fostering other pets or simply having pets... thank you. Thank you for stepping in and opening your home to provide temporary care for our animals.

We recognize the tremendous number of hours that go into caring for a foster pet. Thank you for your endless compassion and love. Thank you for opening your home. Thank you for warmly welcoming all potential adopters.

RASKC’s shelter program embraced the Humane Society of the United States’ (HSUS) *Adopters Welcome* philosophy in 2017. This program helps animals by removing unnecessary barriers to their adoption, in part, by creating a more welcoming atmosphere. *Adopters Welcome* embraces community members, encourages them to adopt, and helps them and their pets succeed.

This policy effectively applies to all RASKC adoptions (shelter, offsite and foster).

*Adopters Welcome* Philosophy

- Relies on research, not gut feelings
- Embraces community
- Assumes positive intent
- Supports people and pets
- Relies on conversation
- Recognizes all people deserve pet companionship

Adopters Welcome:
Remove Barriers, Build Trust & Include All People in Your Community to Help Animals

Before fostering, in order to better understand how and why we operate the way we do, we encourage all foster volunteers to watch this video on Adopters Welcome by HSUS.

Launch Video
WE WELCOME ADOPTERS WHO LIVE WITH PEOPLE AND PETS OF ALL AGES
WE WELCOME ADOPTERS OF ALL LIFESTYLES AND BACKGROUNDS, INCLUDING THOSE WHO RENT
WE WELCOME THE GIVING OF PETS AS GIFTS
WE STAND BY OUR ADOPTION GUARANTEE
ADOPTERS MUST BE 18 YEARS OF AGE OR OLDER AND BE ABLE TO PROVIDE A PHOTO ID
Fostering and the adoption process
Step-by-step guide
Step 1: Sign up to foster a pet

As a public entity, in order to be transparent and ensure all foster volunteers have a chance to care for a pet, we are using an online waitlist management tool.

Interested foster volunteers can sign up for one or all the various categories of foster pets. Upon signing up, the volunteer will receive a confirmation email with a link to regularly check on their status.
Step 2: Caring for a RASKC foster pet

The foster coordinator will reach out to the foster volunteer when they are next in line. The coordinator will provide details of the pet’s needs, include resources (pet food, collar, leash, carrier, formula, medicine, etc…).

For emergency or non-emergency questions, please note the final slide in this deck that offers contact information.

Feedback/Updates: Any feedback on how the foster pet is doing is always welcome! Whether it is cute stories, or updates on health, or behavioral progress, email lori.mason@kingcounty.gov (Subject Line: Progress Update for Animal #). We will store these messages into our Chameleon notes for any future inquiries from potential adopters.

Step 3: Adopting out a RASKC foster pet

1. Coordinator will notify volunteer when foster pet is ready for adoption. Their photo will be made available on the RASKC adoptions webpage.

2. Interested adopters will submit a Foster Interest eform via the RASKC adoption webpage.

3. Shelter staff will pre-screen adopters on a first come, first served basis. Successful applicants will be forwarded on to the foster volunteer.

4. If pre-screened adopter wishes to adopt, they are to proceed with the foster administration process online at www.kingcounty.gov/adoptapet.

5. Foster and Adopter can set up time/date/location for pet pick-up. The shelter can also be scheduled as a location for adoption drop off/pick up, simply contact the foster coordinator.

Tools to help promote your RASKC foster pet

A walkthrough of available tools and resources for foster pet parents
How do I update pet’s profile picture?

• Email a picture to raspic@kingcounty.gov with attached photo.
• Subject line requires only the Animal ID
• Body of email needs to be text free.
• Send!

How do I update foster pet’s bio?

• Email cute, loving and genuine description of your foster pet to raswebmemo@kingcounty.gov
• Subject line requires only the Animal ID
• Send!
Instagram

Whether you are savvy in social media, or simply want to learn new tools, this is a great way to help promote your RASKC foster pet. Here’s how:

• Set up your Instagram account
• Take lots of cute pictures and videos (less than 1 min)
• Create a hashtag for your pet following this RASKC-Instagram-rule: #Name + Kingcountypets + A[number]
  ➢ Example: #FluffyKingcountypetsA123456
• Add these hashtags to your post: #RASKC, #kingcountypets, #RASKCfoster

Writing a winner pet description

- Introduce the pet (for consistency, start with: “Meet [name], a/an [age]-year-old [breed/color] who…”)
- Choose a winning trait to complete the intro sentence
- Allow pet’s personality to shine through
  - **Example for a dog:** Meet Ray, a 3-year-old Greyhound whose favorite way to greet you is to lay his head in your lap. Ray loves to play fetch outside with other dogs and is great on a leash. Ray also loves to snuggle up by your side.
  - **Example for a cat:** Meet Penny, a 6-year-old tuxedo kitty who is a master at hunting laser pointer dots. Penny is incredibly intelligent and loves treats. Penny not only loves her laser pointer but loves to chase balls and string.

*Short and Sweet descriptions are always the best. However, if have more to say about your foster love-bug, simply note that the limit on web bios is 2,496 characters.*
Photography Tips

• Center the pet in the photo
• Take photos with the light behind you (like a window) to eliminate shadows. Turn on lights, open blinds, and AVOID using your camera’s flash. Natural light is best.
• Make the eyes your focal point. They convey emotion and show off a pet’s personality.
• Make sure the shot is in focus.
• Eliminate clutter in the background.
• Take multiple shots.
• Have Fun!

Meet & Greets

Suggested ways to connect with pre-screened adopters while maintaining social distance

May 24, 2021
Staying safe

Please be sure to follow these guidelines provided by King County Public Health:

- Use of cloth face coverings in public
- Continue to practice physical distancing of 6 feet or more
- Clean your hands with an alcohol-based hand-sanitizer or wash them with soap and water
- Avoid group gatherings and poorly ventilated spaces

For more info: www.kingcounty.gov/covid
The Digital Experience

When connecting with the pre-screened adopter, we encourage you both to use these digital tools during social distancing:

• FaceTime
• Zoom
• Email
• Don’t forget to send them to your pet’s Instagram hashtag account if you have one!

Yard Social Distancing Meetups

Various options for yard meeting ups:

- **Meet at a Park** (assuming park is available/open during COVID)

- **Reserve space at RASKC**: Schedule a time at the shelter to reserve a space at RASKC (play yard or room) for your meet and greet. Call us at 206-296-3936 or email us at adoptapet@kingcounty.gov
Q: How does the waitlist application work?

A: Once foster volunteers sign up to the online wait list portal, they can sign up to foster for any of following types of animal needs: Adult cats, bottle fed kittens, kittens, adult dog, puppy, rabbits, and/or small mammals.

The wait list portal will notify volunteers, via email, as they are moved up through the system.

When there is an available foster pet, the foster coordinator will contact, via email, the next volunteer on the needs list.
Q: Are there any expectations around response time or picking up of pets?

A: Yes. Please see table below.

Note: If the foster coordinator is unable to connect with the next foster volunteer on the waitlist program, the coordinator will send an email blast to all the foster volunteers.
Q: What if I am next in line to get a foster pet, but I miss the call or am unable to take the foster pet at that moment, does this mean I am placed to the bottom of the list?

A: If we are unable to connect with a foster volunteer, the foster coordinator will jump to the next foster volunteer in line. The foster volunteer who was unable to foster will remain next in line.
Q: I am happy to care for a couple of kittens or puppies, but I do not have the space or capacity to care for a full litter. Will this be an issue?

A: If we have a litter come in, the foster coordinator will ask the foster volunteer how many animals they can take. Typically, we aim to keep 2 to 3 together for socialization purposes.

The foster coordinator will then go to the next foster volunteer in line to find temporary homes for the other fur babies.
Q: What if I am interested in adopting my foster pet?

A: RASKC recognizes the tremendous work that foster volunteers provide to our animals. That is why foster volunteers will be given an opportunity to adopt their foster pet(s)*.

Financial assistance is available for foster volunteers who are unable to pay the adoption fee. A summary of the financial hardship will be required. This will be reviewed and approved by RASKC’s Change Team (a combination of Equity & Social Justice and LEAN staff leaders).

Please email the foster coordinator.

*Finders will always have priority on adoption. If a finder does not step forward, then fosters will be given the option of adopting (max 2 pets) prior to placing the pet in public adoption.
Q: Can I adopt out a foster pet to a friend or family member?

A: We ask that you refer any interested adopters to the RASKC pet adoption webpage and have them fill out the *Foster Interest eForm*. Interested adopters will be pre-screened by staff by order received and passed along to foster volunteer.

*Please note: All foster pets are to be adopted out through the RASKC public foster adoption process. Except for the following:*

- **Puppies are required to come back to the shelter and be adopted out through the shelter adoption process.** This means that residents in line to visit the shelter in-person and check out dogs are first in line to adopt a puppy.

- **Foster volunteers who care for foster kittens can opt to adopt them out to their community.** If a foster volunteer chooses to promote on RASKC’s adoption webpage, then the RASKC public adoption process applies.
Q: How can I confirm that an adoption payment took place before giving the adopter their new pet?

A: Adopters will receive a receipt via email once payment has been completed. Fosters can ask to view receipt.
## Key Contacts

### For Emergent and Non-Emergent issues.
If you have any concerns over your foster pet’s health, you can call our vet clinic at 206-263-1321 (7 days a week/ 7am-6pm). We will either schedule you in for a visit or arrange for alternate assistance.
