How to Read a Schedule

1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the direction you want to go.

2. Timepoints are set bus stops along the route that correspond to times listed under each location. Timepoints are listed from the beginning of the run (on the left) to the end (on the right). Timepoints correspond with the timepoints on the map. If you are boarding at a stop between two timepoints, use the earlier time as a guide.

3. Bus stop number

4. Read down the column to find the time your bus leaves the timepoint.

5. Read across the row to find the time your bus arrives at each location.

6. If there is a symbol (letter or character) after a time, look for the explanation under the heading “Timetable Symbols.”

7. A dash in the column means the bus does not serve that timepoint.

8. Refer to the Special Service Information section for changes in routing, route number, or other unique aspects of service on this route.

How to Pay

At all times, pay your fare when you board the bus. (Cash fare: exact change does not carry change, ticket or with a convenient regional ORCA card.) Show your activated Transit Go Ticket (mobile ticket) or valid transfer to the Metro transfers are made on the same route. See below for more information. Pague su pasaje al abordar el autobús. Pague en efectivo exacto (no se da cambio), ticket o tarjeta regional ORCA activada. El boleto transfiriéndole al conductor. Las transferencias son válidas sólo en Metro. Para mayor información, vea “Cómo pagar” en la página web de Metro.

ORCA Card

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Sound Transit, Sound Transit, Seattle Streetcar, King County Water Taxi, the Seattle Center Monorail and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcacard.com, by phone at 1-888-688-6722 (ORCA) or call your bank (1-888-688-6386), at ticket vending machines in Sounder and Link rail stations, or at one of the transit agency customer service offices. The ORCA website also provides information on how to use the card, as well as access to new accounts which can be reloaded with a new pass or additional cash.

Night Stop Program

For your safety and convenience, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 pm to 5 am and is for drop off riders only. Night Stop is not provided in downtown Seattle.

Priority Seating

All Metro buses are wheelchair accessible. Designated seats in the front of buses are reserved for seniors and people with disabilities. If you are occupying one of these seats when a person with greater need boards, please offer it to that person.
