Night Stop Program
For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before you want to go. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 6:00 p.m. to 5:00 a.m. and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

Night Rider Tip
You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don’t want to miss you!

OCRA Card
Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Metro, Sound Transit 2, King County Water Taxi, the Seattle Center Monorail and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The OCRA card works as cash or a pass, and it automatically tracks the value of your fares and trip when you move easily between participating transportation agencies.

Get your ORCA card online at www.orcacard.com, by phone at 1-888-989-6360 (ORCA) or WA Relay: 711 (1-888-989-3068), at ticket vending machines in Sounder and Link Rail stations, or at one of the transit agency customer service offices. The ORCA website also includes step-by-step instructions on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.

Online Trip Planning
Use Metro’s Online Trip Planner to plan trips on scheduled service in King, Pierce and Snohomish counties. It provides details on transit stops, routes and schedules. Trip Planner is updated daily for service disruptions and reroutes caused by weather, emergencies, traffic, events or construction.

Trip Planner includes Metro Transit, Pierce Transit, Community Transit, Everett Transit, ST Express buses, Link light rail, Sounder commuter rail, King County Water Taxi, Washington State Ferries, the Seattle Center Monorail, and Link Light Streetcar. www.kingcounty.gov/tripplanner

How to Read a Schedule
1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the direction you want to go.
2. Timepoints are select bus stops along the route that correspond to times listed at each location. Timepoints are listed from the beginning of the route (on the left) to the end (on the right). Timepoints correspond with the timepoints on the map. If you are boarding at a stop between two timepoints, use the earlier time as a guide.
3. Bus stop number.
4. Read down the column to find the time your bus leaves the timemap.
5. Read across the row to find the time your bus arrives at the next timepoint.
6. If there is a symbol (letter or character) after a time, look for the explanation under the heading "Timetables Symbols".
