Let VanShare bridge the gap in your commute. Staying a vanshare is simple. You just need five
people including a volunteer driver. Use it to make the connection to your final destination from
any of our service areas.

For your added safety at night, you may request to exit the bus at a location along your route

ORCA Card

Metro Transit and eight other Puget Sound
transportation agencies (Community Transit,
Everett Transit, Kitsap Transit, Pierce Transit,
Sound Transit, Seattle Streetcar, King County Water Taxi
and Washington State Ferries) use a common fare-
payment system called ORCA (One Regional Card
for All). The ORCA card works as cash or a pass, and
it automatically tracks the value of your fares
and transfers, letting you move easily between the
participating transit systems.

Get your ORCA card online at www.orcacard.com,
by phone at 1-888-988-6722 (ORCA) or WA Relay:
711 (1-888-889-6368), at ticket vending machines
in Sounder and Link rail stations, or at one of the
transit agency customer service offices. The ORCA
website also provides information on how to use
the card, as well as locations at which you can
recharge it with a new pass or additional cash.

Bothell accessible dial-a-ride transit (DART) offers you two transportation services: fixed and (limited) variable routing.

Variable Routing

There are two ways in which you can make an off-route trip within a DART service area: 1) you can board the van at any bus stop along the fixed route and request the driver to make a deviation, or 2) if you wish to be picked up within a DART service area, you must call the reservation office in advance.

A limited number of off-route deviations, only, can be made on any given trip. The van can deviate from the fixed route to serve other locations within the service area, but cannot necessarily provide door-to-door service due to safety and other operational considerations (narrow streets, cul-de-sacs, etc.). You may need to get off at a Metro bus stop along the fixed route, and deviate to your address.
