During most snow conditions, these routes will operate via the snow routing shown in this timetable. In the rare event that Metro declares an emergency, they will not operate. Visit kingcounty.gov/metro/snow and sign up for Transit Alerts to stay informed during adverse conditions.

Durante la mayoría de las condiciones de nieve, estas rutas operarán por la rutas para nevadas que se muestran en este programa. Online Trip Planning

Use Metro's online Trip Planner to plan trips on scheduled service in King, Pierce and Snohomish counties. It provides details on transit stops, routes and schedules. Trip Planner itineraries do not include service disruptions and reroutes caused by weather, emergencies, traffic, events or construction.

Trip Planner includes Metro Transit, Pierce Transit, Community Transit, Everett Transit, ST Express buses, Link light rail, Sounder commuter rail, King County Water Taxi, Washington State Ferries, the Seattle Center Monorail, and Seattle Streetcar.

Bike & Ride

Metro buses have bike racks that hold three bikes. The racks are easy to use at no extra cost. Just follow the simple instructions posted near the rack. You may load or unload your bike anytime at all regular Metro bus stops, plus the downtown transit tunnel for light rail.

Text for Bus Times

If you want bus arrival times at your stop, both scheduled times and real times, try Metro's new texting tool for getting up to the next three trips of any route that serves your bus stop. Simply text your bus stop number to 62550 and follow the prompts. Bus stop numbers can be found at all Metro bus stops, via Metro's Trip Planner, the Puget Sound Trip Planner app, on Metro timetables (at timepoints, only; space available), and on Metro's website, kingcounty.gov/metro.

ORCA Card

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcacard.com, by phone at 1-888-988-6722 (ORCA) or WA Relay: 711 (1-888-889-6368), at ticket vending machines in Sounder and Link rail stations, or at one of the transit agency customer service offices. The ORCA website also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.

Night Stop Program

For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 pm to 5 am and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

Night Rider Tip

You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don't want to miss you!

VanShare

*You know a good thing
when you ride!*

Let VanShare bridge the gap in your commute. Starting a vanshare is simple. You just need five people including a volunteer driver. Use it to make the connection to your final destination from any transportation terminal.

To start a VanShare, phone us at 206-625-4500 or e-mail us at VanShare@kingcounty.gov. Link to our web page through Metro at kingcounty.gov/metro

Quick Timetable Tips

1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the direction you want to go. Timepoints are listed from the beginning of the route (on the left) to the end (on the right).
2. Timepoints in the schedule block correspond with the timepoint dots on the map. If you are boarding at a stop between two timepoints, use the earlier time as a guide.
3. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.
