How to Read a Schedule

1. Timepoints are select bus stops along the route that correspond to times listed under each location and to timepoint dots on the map. Timepoints are listed from the beginning of the route (on the left) to the end (on the right). If you are boarding at a stop between two timepoints, use the earlier time as a guide.
2. Read down the column to find the time your bus leaves the timepoint.
3. Read across the row to find the time your bus arrives at the next timepoint.
4. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.
5. A dash in the column means the bus does not serve that timepoint.
6. Refer to the Special Service Information section for any changes in routing or other unique aspects of service on this route.

ORCA Card

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcacard.com, by phone at 1-888-988-6722 (ORCA) or TTY Relay: 711 (1-888-889-6368), at ticket vending machines in Sounder and Link rail stations, or at one of the transit agency customer service offices. The ORCA Web site also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.
