Plan your 2019 *hiking adventure* with Trailhead Direct

Trailhead Direct is a pilot project co-led by **King County Metro** and **King County Parks**. This project seeks to ease vehicle congestion, reduce safety hazards and expand access to hiking destinations along I-90. For the 2019 season, service to Mailbox Peak will start at Issaquah Transit Center and the new Trailhead Direct Cougar Mountain service will serve residents and visitors in South King County.

And, as in 2018, the **Seattle Department of Transportation** is providing half of the operating costs for the Issaquah Alps and Mount Si Trailhead Direct service.
