Look for sales that are most similar, note their differences in relation to the subject, and identify superior and inferior property features. This comparison process should enable you to determine whether your property would sell for more than or less than the price paid for each selected sale. This comparison procedure should lead you to a market value estimate for your property. You may submit sales which have occurred within 5 years of the date of the petition shall be considered. Any sale of property prior to or after January 1st of the year of revaluation shall be adjusted to its value as of January 1st of the year of revaluation.

Instructions for Petition to the King County Board of Appeals and Equalization For Review of Real Property Valuation Determination

FILLING OUT THE FORM

All applicable boxes/items must be completed. However, Box No. 5 only needs to be completed if an agent or other person represents you. The Board *cannot consider your petition complete* unless these items are completed.

- 1. Your account or parcel number appears on your determination notice, value notice and tax statement. *If you are appealing multiple parcels, you must submit separate petitions for each parcel.*
- 2. Self-explanatory.
- (a) & (b). You may appeal the *assessed* value of the property. The Assessor's valuation is based on the true and fair market value of the property. You must include your value estimate, which can be amended at a later date.
- 4. If you are appealing the Assessed value of the property, your task is to show by clear, cogent, and convincing evidence that the value established by the Assessor is incorrect. In Box No. 4, the reasons must specifically indicate why you believe the assessed value does not represent the true and fair market value. If your appeal includes a comparison of your assessment relative to assessments of other properties, the Board will accept this as a reason under Box No. 4 for the purposes of filing your appeal. However, it is important to understand that the Board is limited to determining the market value of the property under appeal. Therefore, any adjustment to the assessed value must be based on evidence, such as comparable sales, that relates to the fair market value of the property.
- 5. Indicate if you are acting under written Power of Attorney. This section need not be completed if the agent is an attorney-at-law.
- 6. Sign and date the petition. Check the box if you are requesting the information the Assessor used to value the property.

7-10. Self-explanatory.

If you have questions about filling out your petition form, feel free to call Board staff at (206) 477-3400. Additional copies of this petition form can be downloaded from our website, at: www.kingcounty.gov/appeals/ The Board is required to uphold the assessed value unless the petitioner presents "clear, cogent and convincing evidence" that the assessed value is incorrect. It is, therefore, important to present documentary evidence (sales, cost of repair estimates, photos, etc.) to support your contentions. Additional information/evidence (submitted in duplicate) *must* be received by this office or postmarked **at least seven business days prior to the** *hearing* for the Board to be able to consider it either during the hearing or when making its decision.

Although documentary evidence to support your arguments is not required at the time your petition is filed, it may be beneficial to submit such information as soon as possible. If the evidence submitted with the petition or shortly thereafter is convincing, the Assessor may stipulate or recommend a value adjustment, which may eliminate the need for a hearing.

Documentary evidence may include: photos; written contractor estimates of the cost to repair building or land defects; letters or documents from government agencies or other experts describing development limitations of the property (wetland restrictions, denial of septic or building permit, etc.); deeds describing easement limitations; appraisal documents; map showing proximity to neighborhood nuisances or high-traffic areas; and listings of comparable property sales.

The petition must be filed or postmarked by July 1, 2017, or 60 days after the date of mailing on the value or other determination notice, whichever date is later. If filing after July 1st, a copy of the value or determination notice must be attached to the petition.

File *two* completed and signed petitions (an original and a copy) with the County Board of Equalization, 500 Fourth Avenue, Room 510, Seattle, WA 98104-2306.

PRIOR OR PENDING APPEALS

The Assessor sends revaluation notices each year. A separate appeal must be filed each year in order to protect your appeal rights, as past or pending appeals should not be assumed to affect a subsequent year's valuation. Information submitted with a previous year's appeal remains as part of the permanent public record for that petition. If you feel the information is still pertinent to the current year's appeal, you must resubmit a copy of this data with your new appeal.
