2. Self-explanatory
3. What type of property value are you appealing?
- 4-5. Self-explanatory

7. List purchase price and date purchased of the personal property you are appealing. If there is more than one item under appeal, attach the requested information on a separate page(s).
8. State law requires that you show by clear, cogent and convincing evidence that the value established by the Assessor is incorrect. In Box 8, you must list the reasons why you believe the assessed value is incorrect.

Although documentary evidence to support the reason(s) listed in Item No. 8 is not required at the time your petition is filed, it may be beneficial to submit such information as soon as possible. UNRESOLVED APPEALS

The Assessor sends revaluation notices each year. A separate appeal must be filed each year in order to protect your appeal rights, as past or pending appeals should not be assumed to affect a subsequent year's valuation. Information submitted in a previous year's appeal remains as part of the permanent public record for that petition. If you feel the information is still pertinent to the current year's appeal, you must resubmit a copy of this data with your new appeal.
