If, after receiving such notification, the City authorizes the modification of service in writing, then it shall be responsible for actual costs for the authorized modified services performed by the County. If the City decides not to authorize the modification of service, it shall notify the County in writing, and advise the County whether service shall continue as originally requested or if the City chooses to cancel the original authorized Request. If the City cancels the original Request, the City shall be responsible for all cost incurred by the County prior to and in connection with the cancellation.

6. City Responsibilities

6.1 The City hereby gives authority to the County to perform services within the City for the purposes of carrying out this Agreement.

7.2 The County shall make every effort to meet pertinent City deadlines for completion of services, and except for emergencies, shall notify the City in advance of any hardship or other inability to perform the services requested, including postponement of work due to circumstances requiring the County to prioritize its resources toward emergency-related work outside of the City limits.

## 11. Indemnification

To the extent permitted by law, each Party to this Agreement shall protect, defend, indemnify, and save harmless the other Party, and its officers, officials, employees, and agents, while acting within the scope of their employment, from any and all costs, claims, demands, judgments, damages, or liability of any kind including injuries to persons or damages to property, which arise out of, or in any way result from, or are connected to services associated with this Agreement caused by or resulting from or are due to any negligent acts or omissions of the indemnifying Party.

Each Party agrees that it is fully responsible for the acts and omissions of its own subcontractors, their employees and agents, acting within the scope of their employment as such, as it is for the acts and omissions of its own employees and agents. No Party shall be required to indemnify, defend, or save harmless the other Party if the claim, suit, or action for injuries, death, or damages is caused by the sole negligence of the Party seeking indemnification. Where such claims, suits, or actions result from concurrent negligence of the Parties, the indemnity provisions provided herein shall be valid and enforceable only to the extent of the Party's own negligence.

Each Party agrees that its obligations under this indemnification section extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, each Party, by mutual negotiation, hereby waives, with respect to the other Party only, any immunity that would otherwise be available against such claims under the industrial insurance provisions of Title 51 RCW.

In the event of any claims, demands, actions and lawsuits, the indemnifying Party upon prompt notice from the other Party shall assume all costs of defense thereof, including legal fees incurred by the other Party, and of all resulting judgments that may be obtained against the other Party. In the event that either Party incurs attorney fees, costs or other

legal expenses to enforce the provisions of this section, all such fees, costs and expenses shall be recoverable by the prevailing Party.

This indemnification shall survive the expiration or earlier termination of this Agreement.

12. Insurance

The County certifies that it is fully self-insured for its liability exposures. To the extent that an incident arising out of the negligence of the County in the performance of this Agreement occurs, the County self-insured program will respond.

13. Audits and Inspections

The records and documents pertaining to all matters covered by this Agreement shall be retained and be subject to inspection, review, or audit by the County or the City during the term of this Agreement and for three (3) years after termination.

14. Entire Agreement and Amendments

This Agreement contains the entire written agreement of the Parties and supersedes any and all prior oral or written representations or understandings. The scope of the Traffic and Road Maintenance services contained in Exhibit 1 to this Agreement may be amended at any time by mutual, written agreement between the Parties.

15. Invalid Provisions

If any provision of this Agreement shall be held invalid, the remainder of the Agreement shall not be affected if such remainder would then continue to serve the purposes and objectives of the Parties.

16. Other Provisions

The headings in this Agreement are for convenience only and do not in any way limit or amplify the provisions of this Agreement.

17. No Third Party Rights

Nothing contained herein is intended to, nor shall be construed to, create any rights in any third party, or to form the basis for any liability on the part of the Parties to this Agreement, or their officials, officers, employees, agents or representatives, to any third party.

18. Waiver of Breach

Waiver of any breach of any provision of this Agreement shall not be deemed to be a waiver of any prior or subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement effective as of the date last written below.
