

KCIA Roundtable Advisory Committee May 8 Airport Updates:

April Roadside Cleanup – We had a big employee turn out for this event. The weather cooperated that day and it was warm and sunny while we were out picking up over 1,000 lbs. of garbage.

KCIA/Food Lifeline Volunteer Event – We had 20 Airport employees participate at this facility in Seattle. We were able to help with repacking over 14,000 lbs. of beans, potatoes, and grapefruit. These items were sent to food banks and shelters across the region. This event was a lot of work but a lot of fun and we are looking forward to volunteering again soon.

Homeschool Field Trip: KCIA hosted a two-day field trip for homeschool students in the area. The students were able to learn about the history of the airport, tour the ARFF Firetruck, and learn about some of our large Maintenance equipment.

Women in Trades Fair Seattle Center: KCIA participates in this event yearly. We have employees from different sections at the Airport meet with participants who are interested in the Airport, the different jobs and trades opportunities here, and intern openings.

Upcoming Events:
