Noxious Weeds Program: (<https://www.kingcounty.gov/services/environment/animals-and-plants/noxious-weeds/program-information/what-we-do.aspx>)

Fieldtrip Objectives

- How this specific project serves DNRP county-wide forest management goals
- Site specific forest management goals: conifer thinning vs. conifer retention harvest
- Challenges faced at each site, including:
 - harvest restrictions
 - seedling availability
 - public outreach
 - culvert replacement
 - recreation conflicts

Travel Logistics

- We will car pool as much as practicable
- Bring water and lunch
- Wear appropriate clothing for some off-trail walking (fair chance for rain)
