

TAYLOR MOUNTAIN FOREST

DRAFT TRAIL SYSTEM CONCEPT PLAN

Map Legend

Publicly Owned Land

- King County Parks
- Other Public Land
- City of Seattle Watershed: Public Access on Trails Only
- City of Seattle Watershed: No Public Access

Current Conditions

- Forest Road
- Forest Road (Non-Drivable)
- Trails (Designated)
- Trails (Designated)
 - *Seasonal Closure
 - *Renovation Planned
- Trails (Designated)
 - *Temporary Closure
 - *Renovation Planned

Project Proposal

- New Trail or Trail Re-Route
 - Total Miles = 4 (Approximate)
 - *Concept/Approximate Routing
- Decommission/Restoration
 - Remove Unsustainable or Steep Trail Segment
 - Total Miles = 1.5 (Approximate)
- New Trail Bridge (Quantity = 6) (Planned/Funded)
- Anticipated New or Replacement Trail Bridge, Boardwalk or Culvert (Planned/No Current Funding)

This segment of Holder Creek Trail travels through private land, has multiple stream crossings without structures that are impacting streams with fish habitat. No sustainable trail bridge installations or suitable alternative route in the vicinity is feasible.

This proposed new trail segment will add a short optional loop directly adjacent to the trailhead.

Trailhead Parking Area/Restrooms

Other basemap features

- unincorporated King County
- wetland
- freeway
- arterial street
- local street
- gate
- power line
- elevation contour (interval = 50 ft.)

Contour interval: 50 feet

Taylor Mountain Forest

City of Seattle Cedar River Watershed (no public access)

Additional coordination will be conducted with the City of Seattle, to evaluate this proposed trail segment.

Proposed re-routes and improvements to these segments of Carey Creek Trail will be subject to WA Dept. of Fish & Wildlife Hydraulic Project Approval stipulations, due to trail proximity to a regulated waterway.
