

KING COUNTY DISTRICT COURT
KING COUNTY, STATE OF WASHINGTON
OFFICE OF THE PRESIDING JUDGE

) **GENERAL ADMINISTRATIVE ORDER**
) Clerk's Action Required
)
) **No. 13-11**
)
) Closing of Criminal Cases more than
) 10 years old

The Court is in the process of closing old criminal cases and has discovered that there are numerous cases that have been assigned to collections. These criminal cases are now over ten years old, and the amounts referred to collections are still outstanding. Unless there is a pending garnishment action or an order extending the judgment has been entered, these financial obligations are uncollectable.

This administrative order is being entered to expedite the final closure of these criminal cases. If the criminal case was assigned to collections more than 10 years ago, and neither a garnishment nor an order extending the judgment has been entered, the court clerk is hereby authorized to close the criminal case and recall any uncollected judgment from collections. All outstanding accounts receivable balances will be written off. If a warrant was issued on the criminal case, the clerk should submit for judicial review regarding the warrant status for all active and un-resolved warrants. Attached is the list of applicable cases.

DONE this 22 day of Nov, 2013.

Corinna D. Harn, Chief Presiding Judge
King County District Court
