

**KING COUNTY DISTRICT COURT**

)  
) No. 16-01  
)  
) GENERAL ADMINISTRATIVE ORDER  
) Re: Infraction Cases Fines Paid But  
) With \$52.00 FTA Outstanding Balance  
)

King County District Court is reviewing infraction cases where a defendant initially failed to timely respond or appear for a finding of committed was entered and the \$52 FTA fee was assessed. Due to clerical error, the matters were assigned to Alliance One collections without the \$52 FTA fee added to the amount due the court.

Subsequently, the Alliance One collected the amount actually assigned by the court to collection without the additional \$52 FTA fee. And Alliance One reported that the assigned amounts on these cases have been paid-in-full, however, the court data records indicate the FTA fee of \$52 remained outstanding. In 2012 Court signed a new contract with TSI Collections and as part of that process all outstanding balances, including these \$52 FTA fees, in the court records were assigned to the new collection agency.

These defendants were under the belief that the full amount owing to the court was satisfied and pursuing the outstanding \$52 FTA would not be in the interest of justice at this time;

Accordingly, it is ORDERED:

This list of identified infraction are recalled from collection and the clerk's office shall write off the \$52 FTA fee and notify DOL as may be necessary.

Dated this 24 day of March, 2016
