and consistent with the annual budget adopted by the King County Council, whether the

reserves in accordance with any applicable county fund reserve policies.

B. The director of the Seattle-King County Department of Public Health shall

subsequent year costs of providing services, taking into account the budget adopted by
the King County Council for the agency charged with providing such services.

C. The director may annually adjust any or all fees up or down to reflect actual
costs up to an amount that represents the most recently adopted Seattle-Tacoma-
